Quad-Cities Hit Hard By Sub-Zero Cold Wave

Plunging Temperatures Stall Vehicles; Bring Icy Streets and Fires

Plunging temperatures this week have disrupted transportation and brought added work loads to street department workers and others concerned with public safety and convenience, but no major problems have been reported by utilities firms.

With the sub-zero cold hovering over the Quad-Cities, garages and service stations have been swamped with calls. Stations reported turning down service calls because they were unable to handle them. At one time yesterday the AAA Auto Club reported it was 40 service calls behind schedule, with more calls coming in.

While excessive absenteeism or tardiness was not reported at industrial plants, many workers leaving the plants in the afternoon and during the night were stranded when their autos failed to start.

Few Water Line Freezes

Joseph Mills, supervisor of the Granite City office of the East St. Louis & Interurban Water Co., said water service has not been disrupted by the cold. Trouble calls have been surprisingly few so far, Mills said, and no serious problems are anticipated unless the cold continues for a long period.

Mills warned water company customers not to remove the covers from water meter boxes, however. With covers removed, he said, the boxes can accumulate excessive amounts of frost and trouble may result.

Safety Precautions Pay Off

Accident prevention measures were taken Monday night by all three local street departments with the three-fourths inch snowfall. While two traffic mishaps were reported in Granite City Monday night, none were reported during Tuesday's morning rush hours or during the day.

State crews also were on the job, and few minor mishaps occurred on snow-packed highways.

Venice Street Supt. Fred Griffin said all street department employees worked until after midnight Monday and were out again at 5:30 a.m. Tuesday spreading salt and cinders at major intersections and on the McKinley Bridge approaches.

In Madison, Street Superintendent Stanley Lucas said crews began salting major thoughfares Monday night. He said all street workers reported to work early Tuesday and continued salting and cindering main streets and intersections, school crossing areas and other main traffic points.

Granite City Street Supt. William Warfield reported he called out men Monday night to begin spreading salt and cinders at intersections. Crews worked during the night and Tuesday morning to spread about 80 tons of the material.

PERFECT TIMING by park district workers in flooding the artificial pond in Wilson Park off Fehling road proved a boon to ice skaters this week. The park's rink was flooded Monday and was frozen by Tuesday. This view yesterday afternoon shows skaters who were joined by their pet dogs. For night skaters, floodlights have been provided, and Park Supt. Harold Brown says there is ample firewood on hand for bonfires. A picnic shelter has been moved to the rink.

Widow, 8 Children Left Homeless By Eagle Acres Fire

A widow and her eight children are homeless and without food and clothing today after fire destroyed their six-room frame home in Eagle Acres last night.

Flames of undetermined origin broke out in the rear of the home of Mrs. Charlene Nelson, 213 Hill street, Venice firemen were on the scene two hours, with assistance from a Granite City Army Depot pumper.

Firemen said the blaze had too much head start when they arrived, and concentrated on saving nearby homes. The new concrete block home of David Lee at 209 Hill street was damaged.

Neighbors are looking today for a place for Mrs. Nelson and her children to live, and she went to the Salvation Army this morning to seek assistance. The children range in age from two to 17.

Hampered By Cold

The Venice fire department received the call at 9:36 p.m. Fire fighting operations were hampered by the severely cold weather, with the temperature hovering around the zero mark.

Neighbors said Mrs. Nelson and the children were left with only the clothing on their backs. She borrowed shoes to wear today while seeking help for her family.

Lee, whose home is only a few feet from the burned structure, said he was awakened by the noise of people arriving at the fire. He and the Lee children were asleep, while Mrs. Lee was in church. He said the house next door was enveloped in flames when he looked out.

Windows Burned Out

Windows on the side of the Lee home were burned out, and the roof was damaged. Firemen said only the fact that the structure is of concrete prevented it from going up in flames.

Others up and down the street kept a night-long vigil over the smoldering ruins of the Nelson home, afraid the wind might whip up flames and sparks which would endanger other houses. The ruins were still smoking this morning, with an occasional blaze appearing.

No estimate of loss in the fire has been made. The house was owned by James Booker.

SMOLDERING RUINS are all that remain of the home of Mrs. Charlene Nelson, 213 Hill street, Eagle Acres, which was destroyed by flames last night. The home of David Lee, right, was damaged. Mrs. Nelson and her eight children were left homeless and without food and clothing.

Appointment, Franchise Talk Occupy Madison City Council

The Madison city council on Tuesday night appointed Tony Turski to serve as youth officer during the leave of absence of George Ramach.

Turski is desk clerk of the Madison police department. Ramach, also a desk clerk, is serving as chief deputy to Madison county's new sheriff, Barney Fraundorf, former Madison chief. Ramach is on a 90-day leave of absence from the Madison department.

As a temporary replacement for Ramach, the council hired Ronald Grzywacz of Madison at $450 a month. He will be a clerk-typist in the police department until Ramach returns.

Mayor Stephen Maeras said he has had no further word on negotiations that are under way with the Fruin-Colnan Contracting Co. The firm offered to purchase any or all of 63 acres of city-owned land on Chouteau Island, north of the city's Chain of Rocks Bridge.

Earth Removal Proposal

The contractor is involved in the construction of substructures for a new federal bridge north of the Chain of Rocks Bridge, and soil from the land is needed for fill. The city, unable to sell land without advertising it for bids, has offered to lease it at $1500 an acre for removal of the soil, with the city retaining title.

The mayor said he has heard that the company also is interested in city-owned land south of the bridge, but added that it would not be advisable to allow removal of soil there.

Maeras said the city would set up controls on soil removal operations north of the bridge, should the lease proposal be approved.

Bulldozer Repairs

The city council approved repairs to a bulldozer in use at the city dump. The mayor estimated it will cost $550 for parts and mechanical work.

He also reported on proposed installation of a power line and purchase of a space heater for the Madison - Venice animal shelter.

The total cost will run about $700, he said, and the city of Venice has agreed to pay half.

$65 Average Pay Per Fire

Mayor Maeras drew attention to economical operation of the fire department.

He said that from the period of Dec. 1 last year to Dec. 1 this year, 127 fires cost the city an average of only $65 per fire in salaries.

He commended the department on its operation and remarked that should the number of fires increase, the average

New Members Named To Hospital Board

Three new members were named and four present members reappointed to the St. Elizabeth Hospital advisory board in a meeting at the hospital Monday. G. W. Hoelscher was re-elected chairman.

Following the meeting, advisory board members toured the pediatrics ward to inspect animal characters painted on the wall by advanced art students from Granite City high school.

The board decided to postpone election of a vice-chairman until a later date.

New board members named are Sidney Aubrey, Ernest Karandjeff and William Hoelscher. Members named to new terms are William Brockus, Walter Klostermeier, Roy Logan and Edward Kaeberg.

All seven are to serve three-year terms, expiring Dec. 31, 1965.

Check Passer Warning Issued To Retailers

A warning of possible activities by a check passer who stole a protector and checks Tuesday night from a Collinsville florist is being given merchants here by the Associated Retailers & Civic Association.

The theft occurred at Russell Florist, where 131 checks, numbered 222 to 352, were taken along with the check protector. Entrance was gained by forcing a rear door.

Also taken were a man's topcoat, a woman's sweater and $65 in silver.

4 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Legality Of Levee District Bonds Still In Doubt

Legal opinions are pending on a statement made yesterday by Levee District President Lawrence Tolar that the board can not proceed with its $1,390,000 bond issue while an appeal period is still open on an injunction denied last week to 15 Granite Cityans.

The appeal period is to end Jan. 3, which is two days after a new state law will prohibit the levee district from issuing general obligation bonds without a referendum. The levee board could call a referendum for voter approval in its two-county area.

Tolar was out-of-town and could not be reached today for clarification. However, the Press-Record contacted the Chicago bond approving law firm of Chapman and Cutler and was informed no such opinion has been sought.

A spokesman for the firm pointed out that "no bond purchaser is going to buy securities on which litigation is pending, and as long as the notice of appeal is still open, you might consider litigation is pending."

Would Need Permission

When asked if there was any other avenue open to the levee board to proceed with the bond issue without a vote prior to the Jan. 1 deadline, the attorney said he would be unable to answer that question without the permission of his client.

He added that a letter had been sent yesterday to John Sprague, Belleville, an attorney for the levee district, and that Sprague might be able to clarify the matter.

Reached at his Belleville office, Sprague told the Press-Record he had not yet received the letter and knew nothing of its contents.

"I can't discuss this matter with newspapers," Sprague said. This involves legal work for a client, and I wouldn't be able to say anything without permission. If it was a political matter, I'd be glad to discuss it with you."

Planning $370,000 Issue

Announcement also was made yesterday at East St. Louis that the levee district was planning to squeeze through another bond issue in the amount of $370,000 before the Jan. 1 deadline to push its bonded indebtedness to the hilt.

It was learned the $370,000 would be used to pay for $100,000 to Granite City as the levee district's estimated $260,000 cost for replacement of collapsed sanitary sewer lines. They had been installed in the Nameoki area by the levee district.

A project in Venice to provide a storm water trunk line about 3900 feet along Meredocia, Klein and Bissell streets, estimated to cost $200,000, also is planned along with smaller projects in St. Clair county.

All of the $1,390,000 bond issue would be spent in St. Clair county, but no previous disclosure of the $370,000 bond issue

Anti-Freeze Blazes When Auto Hose Breaks

A broken radiator hose and leaking anti-freeze were the causes of a fire in the engine of the auto of Clyde Callahan yesterday evening, causing $35 damage.

Firemen from the main station went to 20th and Adams streets to extinguish the blaze. They said the alcohol from the radiator ignited when it flowed onto the hot engine block. Callahan's address was not given on the report.

Candidates Looking To Early 1963 Elections

City, School, Township Park Posts To Be Filled; Also New Village Board

With filing periods to begin early in January, candidates are beginning to announce for posts to be filled in elections next spring. A number of city, township, school and park district positions in the Quad-Cities will be up for grabs.

Among the officers to be elected are those for the newly-formed village of Pontoon Beach, which was approved by voters 117-104 last Saturday.

Filing dates for the 1963 local elections will begin as early as the second week of January, generally running through part of February. Election dates have been established and will be announced shortly, with varying dates to be given for different elections.

Miss Eulalia Hotz, Madison county clerk, said a complete list of filing dates, withdrawal deadlines and election dates has been received from Secretary of State Charles F. Carpentier. The dates are subject to a complicated breakdown by type of election, size of municipality and other factors, she said.

Miss Hotz said local officials will be given breakdowns of election data pertaining to their particular units of government shortly. Complete information will be published in a later issue of the Press-Record.

New Village Officers

County Judge Michael Kinney is to set a date for the village of Pontoon Beach officer election. To be elected are a village president, a six-member village board of trustees and a clerk.

The president is to serve a four-year term, as are the trustees. However, on the initial board, three will serve two-year terms, since three are to be elected every two years.

Appointive posts will be the treasurer, street commissioner and marshal. They will be named by the village president and confirmed by the trustees.

In the local area, terms of one city official, 19 aldermen, six school board members, three park board members, and nine township officials will expire in 1963. Many are making plans to seek re-election.

Warfield's Term Up

The only city official whose term in office expires during the coming year is Granite City Street Superintendent William Warfield. He was elected to his present term in 1959 and had served previously.

The street superintendent and all aldermen are elected for four-year terms. Next year, two aldermen are to be elected to fill vacancies and complete unexpired terms.

Granite City aldermen with expiring terms are Estill Von Schmittou of Ward One; Samuel Whitmer, Ward Two; Rufus LeMaster, Ward Three; Donald Parmley, Ward Four; Walter Nonn, Ward Five; Samuel Shackelford, Ward Six; Charles Meyer, Ward Seven; and Frank Vesci, Ward Eight.

In addition to the expiring terms, two vacancies exist where aldermen moved from the city. New aldermen will be named to fill the two remaining years of terms of former aldermen Joseph Cuvar in Ward One and Arthur Wiezer in Ward Three.

Cuvar vacated his position on the city council in November, when he moved to Chicago. Wiezer resigned his council position

11-Month Statistics

Area's Birthrate Continues Decline; Deaths Up Slightly

The area's birthrate continued to decline for the second consecutive month, but the deathrate during November was the highest of the year, it was reported by Granite City Clerk A. L. Stevens.

Stevens, who compiles vital statistics for the entire area, recorded 96 births and 44 deaths last month. The statistics showed a drop of two births and an increase of 19 deaths, compared to October. The previous record deathrate was in January, when 40 deaths were reported.

The 11-month statistics of 1071 births and 364 deaths show the area's birthrate to be down by 135; while the deathrate is up eight. For the 11-month period in 1961 there were 1206 births and 356 deaths.

Other 11-month statistic totals have been 1223 births and 360 deaths in 1960, 1254 and 324 in 1959; 1320 and 366 in 1958, 1353 and 364 in 1957, and 1342 and 362 in 1956.

A breakdown of this year's vital statistics by months follows, listing the birthrate first: January, 106 and 40; February, 86 and 28; March, 102 and 38; April, 81 and 35; May, 104 and 38; June, 96 and 24; July, 102 and 37; August, 99 and 32; September, 101 and 23; October, 98 and 25, and November, 96 and 44.

Five Young Boys Admit 12 House Burglaries In GC

Twelve house burglaries were solved this week by Granite City police with the apprehension of a group of five juveniles, all of whom have admitted taking part in some of the break-ins.

The oldest of the boys is 16. Two are 12. Police said the youngest two are nine and 10.

Detectives plan to question the boys on two other burglaries, if they are implicated in those, every house burglary in the West Granite area this year will be solved, police said.

Charges have been recommended against the 16-year-old because he has been in trouble before. The others will be referred to juvenile authorities.

Bury Camera In Alley

The boys had little regard for anything but money and jewelry. A movie camera they stole was buried in an alley. Police hope to recover it today. The telephoto lens of the camera was thrown in a garbage pail and disappeared.

A pistol taken from another home was thrown on the playground at the new Logan school. The weapon is an antique and in no condition to be fired. However, police are fearful a school child may find the gun and have an accident with it. A search of the playground was unfruitful.

A shoeshine box stolen from one of the homes was abandoned in another house.

Items Recovered

Other items including a watch, a ring and some coins were recovered.

Among the thefts admitted by the boys were several reported to police this week.

Early Monday evening the home of Orville Crawford, 2126 Nevada avenue, was ransacked. Entry was gained by breaking a lock off the basement door.

Missing were two candles, taken from a chest; two boxes of Christmas cards; 20 four-cent stamps; a model auto; and a baby's bank containing 50 cents.

A short time later, Cleatus Jones, 2439 Cleveland avenue, reported the theft of a .32-caliber pistol from his home. Entry was gained through a rear bedroom window. Candle drippings were found on the bed, dresser and floor.

Candle Clues Persist

About 7 p.m., Rose Parsons, 2217 Illinois avenue, reported his home had been ransacked. Christmas packages had been unwrapped, but nothing was taken. Again, there were candle drippings on the floor. Entry was gained through a basement window.

Walter Pickett, 1924 Adams street, told police he arrived

Harbor Expansion Contract Awarded, To Start Shortly

Work is expected to begin within 10 days on the Bi-State Development Agency expansion project at the Granite City harbor on the Chain of Rocks Canal, it was announced today.

Col. R. E. Smyser jr., Bi-State executive director, said a contract for the work was awarded today to Vollmar Bros. Construction Co. of St. Louis. Their revised bid price is $328,827.

The St. Louis firm was low bidder on the project, although its initial bid went over the estimated cost and was not accepted. The new bid was submitted after certain details of the project were revised.

Col. Smyser said anticipated construction time on the project is 180 days. The work will more than double the tonnage capacity of the public dock.

Bi-State will borrow funds from Granite City Steel Co. to finance the work. The steel company leases a portion of the wharf, and financed initial development of the harbor.

Final Pay Offer To Teachers By Board

$22, $14-Month Raises Would Assure Tax Rate Vote In Several Years

A tax rate election within the next several years became a virtual certainty Tuesday night as the Granite City school board offered teacher pay boosts of $22 a month this year and another $14 monthly next year. The salary offer was officially described as "final."

Already at authorized taxing limits, with normal enrollment growth increasing costs $250,000 yearly, the school district expects to be able to meet all commitments during the life of the proposed two-year agreement. There is no assurance of income equalling costs after that, however.

There was no immediate reaction from the salary and policy committee of Local 743, American Federation of Teachers. Supt. Harold M. Kaiser presented the offer to the committee during a session ending at midnight, following a regular school board meeting which was adjourned at 11 p.m. Tuesday.

Mrs. Helen Bjorkman, committee chairman, told the Press-Record yesterday the federation may not be able to meet on the proposal immediately due to the severe weather and the approaching Christmas holidays. She plans to call a meeting of her committee to review the offer.

$558-$869 For 1963-64

As decided by the board Tuesday night, the final offer sets up a salary schedule ranging from $544 to $855 monthly in the current school year and $558 to $869 next year.

The $522-$833 scale of 1961-62 still is being paid pending a new salary agreement, which will be retroactive to the start of the 1962-63 term. Negotiations began last spring.

Cost of the salary schedule change was estimated at $104,600 for this year and $156,900 for next year, a total of $261,500. Regular pay boosts through advancement up the schedule total $60,000 this year and $120,000 next year, compared to 1961-62, bringing proposed salary increases to over $440,000 during the two-year period.

The teachers' committee attended the 7:30 board session, and Dr. Kaiser interrupted the agenda at 8:05 p.m. to suggest that every effort be made to reach an agreement as soon as possible.

Executive Session

Board President Robert Spengler called an executive session and the board discussed the salary issue privately with Dr. Kaiser and Attorney Maurice Dailey until 10 p.m.

The public meeting then was resumed, with the superintendent reporting that he and Dailey had met with the committee Dec. 6 to discuss the progress of negotiations.

Dr. Kaiser noted that the board had gone on record as authorizing $22 raises this year, $11 extra for those with 25 or more years of service, and $11 general raises next year, while the committee last sought $44 monthly increases this year followed by $33 next year.

Assessment Uncertain

As board spokesman, Spengler read the following motion

Christmas Programs At Churches Published

Christmas programs to be given this weekend and early next week at local area churches are featured on page 36 of today's issue.

A similar listing of church programs for the following Dec. 22-23 weekend will be published next Thursday. Church pastors and secretaries are urged to submit their programs for that weekend by today at the Press-Record office, 1815 Delmar avenue.

For the convenience of those delivering the program this evening, there is a mail slot in the glass panel at the front door of the Press-Record office.

New Study By U.S. Slated On Aid For Two-County Area

A new review is planned to determine whether Madison and St. Clair counties can be ruled eligible to participate in the federal government's area redevelopment program and accelerated public works program, Rep. Melvin Price announced today.

"This is what we have needed," Price said. "This is what I have been asking the executive agencies of the government to give us, as a first step."

Price continued: "Up until now, our communities have been deprived of the benefits of these important federal programs — despite the fact that our rate of unemployment would make us clearly eligible — because St. Clair and Madison counties are tied into what is called the St. Louis Metropolitan Statistical Area.

Different Conditions

"Conditions are entirely different in our counties from the apparent conditions in St. Louis and surrounding areas across the river.

"This is demonstrated by the simple fact that the St. Louis Statistical Area does not have a high enough unemployment rate, taken as a whole, to be eligible for these programs.

"Our counties and people do suffer from serious unemployment—as severe as that of many areas already moving ahead with area redevelopment programs and public works that the federal funds were designed to provide.

"It is perfectly clear that this is because different economic influences are at work in our area. It make no sense whatever to deprive our people of useful and helpful federal programs by tying Madison and St. Clair counties artificially to a statistical concept that ignores this fact."

Local Participation

Price said a letter from the Bureau of the Budget indicated that representatives of local regions would be consulted in a general review of the statistical areas based on up-to-date Census Bureau figures.

The letter from Walter F. Ryan, deputy chief of the bureau's Office of Statistical Standards, gives assurance of such consultation in regard to Madison and St. Clair counties "before final action is taken," the East St. Louis congressman stated.

Ryan, he noted, is also chairman of the government's interagency committee that develops statistical concepts. The Bureau of the Budget itself is a direct agent of the President organizationally.

Assurances of a review of the situation in Madison and St. Clair counties also have been given by William L. Batt jr., administrator of the Area Redevelopment Act, Price announced.

"I have told every possible agency that it is vital that a reexamination be made of the artificial statistical concept that deprives our counties of federal programs designed to meet exactly the kind of local problems we face," the congressman stated.

"I am hopeful that favorable results at last will be forthcoming."

Red Cross Board Told Of Services Overseas

Worldwide services of the Red Cross were described by Ira Huggins in an address to the local chapter's board of directors Tuesday afternoon at the Chamber of Commerce office. Eighteen attended.

Huggins, Red Cross field director at Scott Air Force Base, served overseas four years as a field director in Hawaii, Korea and Japan. He said the Red Cross visits Americans imprisoned in Communist China each month, taking gifts from the relatives and 11-pound Red Cross packages. The prisoners have dwindled from 44 in 1955 to four at present, partially due to Red Cross negotiations, he related.

Chairman Floyd Mitchell presided and Mrs. Ruby Overbeck, executive secretary, submitted a home service report listing 207 contacts and aid totaling $1549 in October, with 173 contacts and $540 assistance in November.

The free Christmas recording service for families of overseas servicemen was discussed, and it was announced that the Junior Red Cross is sending 10 Christmas gifts to the Lincoln, Ill., state school.

Four Hubcaps Stolen

Stanley Coleman, 3219 Westchester drive, told police Wednesday afternoon that four hubcaps had been stolen from his auto.

Steelworkers Scholarship Applications Available

Applications will be accepted until Feb. 2 for the annual $4000 scholarship to children or legal wards of members of the United Steelworkers of America, AFL-CIO.

Lloyd McBride, sub-district director for the steelworkers, said application blanks have been forwarded to local schools. A competitive examination for the scholarship will be given Feb. 16 at Granite City and other examination centers.

Five local students have won the scholarship in past years. The award provides for payment of tuition to any accredited college or university. Balance of the scholarship will be paid in 10 installments per academic year for four years.

The scholarship is given to the student scoring highest on the competitive examination. Tests are taken anonymously, and machine graded by number.

In addition to the scholarship given in the eastern area of United Steelworkers Dist. 34, a similar award is given in the western area. The eastern area includes this community.

Eastern area testing centers, in addition to Granite City, are Springfield, St. Louis, Keokuk, Ia., and Hannibal, Mo.

Previous winners of the Steelworkers scholarship are Everett Stewart, son of Everett E. Stewart of Local 1022, General Steel Industries, 1951; Irvin Slate jr., son of Irvin Slate sr., also of Local 1022, 1955; Dennis Slate, also a son of Irvin Slate sr., 1957; Victor Barr, son of Elaine Barr of Local 4804, Dow Metal Products Co., 1960; and Linda Ruth Davidson, daughter of Lloyd H. Davidson of Local 1022, 1962.

home about 9 p.m. and found his house had been ransacked. Entry was gained through a basement window. A door to the upstairs was forced. Two dollars in pennies was missing from a bank.

Tuesday morning it was discovered that the home of Muriel Sexton, 2413 Dewey avenue, had been ransacked. Entry was gained by breaking the kitchen window. A twisted candle was found on the floor.

The shoeshine box was taken from the Sexton home and left in the home of Carl E. Morgan, 2330 West 24th street. Morgan lost a ruby ring which has been recovered and some change. Candle wax was found in his home, too.

The boys admitted looting several other homes the past few days and one on Sept. 17.

Children's Banks Looted

Last Saturday three children's banks containing $10-$15 were stolen from the home of J. Y. Fitzhugh, 2031 Illinois avenue.

The day before, a piggy bank was stolen from the home of Phyllis Doty, 2714 West 20th street.

On Nov. 28, the movie camera, a deck of cards, pencils and cigarets were taken from the home of Charles Anderson, 2315 West 24th street.

The same day, a 17-jewel ladies' watch and a purse containing personal papers were stolen from the home of Jerry Samsouci, 2120 Ohio avenue.

Also on Nov. 28, a ladies' wallet containing $111, about $2 in pennies from a jar, and $2 in silver from a bank were stolen from the home of Michael Adams, 2222 Ohio avenue.

On Sept. 17, the basement of R. D. Ables, 2410 West 20th street, was entered and a collection of antique knives and swords ransacked. A number of antique powder flasks, knives and keys were taken, none of which have yet been recovered.

Two Women Accused Of Conspiracy Here

Warrants were issued Wednesday at Edwardsville charging Mrs. Eurlean Rutan, 4028 Melrose avenue, and Miss Azzie Simmons of East St. Louis with conspiracy to commit theft in connection with driving an auto into the Chain of Rocks canal Nov. 27.

Justice of the Peace Earl Vaugninaux of Edwardsville set Mrs. Rutan's bond at $1000. She made bail Wednesday afternoon. Her hearing date was not set.

Miss Simmons is hospitalized in East St. Louis. A bond of $500 was set for her.

According to the state's attorney's office, Miss Simmons, who works for Mrs. Rutan, admits she drove the 1959 auto into the canal near Granite City.

Assistant State's Atty. Richard Allen said Miss Simmons has admitted the conspiracy to collect insurance money and offered to take a polygraph test. The test will be arranged when she is released from the hospital, he said.

The auto was recovered by Granite City police from the middle of the canal with the aid of divers. It had been reported stolen. Mrs. Rutan has admitted nothing, he said.

The auto is owned by Harry Rutan, husband of the accused woman. He was in the Chicago area when the incident took place, police said.

Trades Council Supports Custodian Lawn Cutting

The Tri-City Trades & Labor Council has agreed to support Granite City school district custodians in a dispute between the custodians' union and the Teamsters over lawn cutting, it was announced today by Edwin Reiske, president of the council.

Reiske said the school lawns and campuses have been cut in the past by the school custodians. He pointed out the Teamsters are not affiliated with the local Trades Council.

Six Area Nominees For Federal Award

Four Granite City Army Depot employees and two Granite Cityans employed in St. Louis government installations have been nominated for the annual Federal Service Employee of the Year Award, it was announced today at St. Louis.

They were selected from among the 115 federal agencies in the metropolitan area, and announcement of the winner will be made at the eighth annual awards banquet on Jan. 19 in St. Louis.

Nominated from the local depot were C. Wayne Banks, 1628 Lindell blvd., management analysis officer; Louis A. Hodatt, Collinsville, supervising preservation packing specialist; Seanes Boyce, St. Louis, parker in the storage division of the shipping branch; and Frank W. Sumner, Hartford, a crater in the storage division.

Other local nominees are John N. Gagich, 2120 Cottage avenue, a digital computer system analyst, U. S. Army Transportation Materiel Command, St. Louis; and Edward D. Lurton, 1636 Venice avenue, chief of the budget division of the Aeronautical Chart and Information Center, St. Louis.

Woman Hospitalized; Overdose Of Aspirin

Mrs. Cleta Hadley, 18, of 608 (rear) Filmore avenue, Venice, was released this morning from St. Elizabeth Hospital, where she was admitted last night after taking a large dose of aspirin. Mrs. Hadley's husband, Dale, called police about 9 p.m. yesterday and said his wife had taken 20 to 30 aspirin tablets and refused to go to the hospital. Police persuaded her to go.

Strikes Parked Auto

An auto driven by Betty McCunney, 20, of 1929 Beckwith street, was involved in a collision with a parked auto belonging to John Young, 2917 Forest avenue, Wednesday. The accident occurred about 4:10 p.m. in the 300 block of Nameoki road. She told police she was forced to turn to avoid being hit by another auto.

Auto, Truck Collide

A pickup truck driven by Dallas Shemwell, 60, of 3036 Nameoki drive, was involved in a collision about 4:45 p.m. Wednesday with an auto driven by Donald Short, 31, of 2808 Nameoki drive. The accident took place in the 2700 block of Nameoki drive. The truck was traveling north and the auto south.

Retailers To Give Capsule To Schools

The Associated Retailers & Civic Association has donated the Mercury space capsule replica used to bring Santa Claus into the Quad-Cities to the Granite City board of education to be used for elementary school science classes.

Dr. Harold Kaiser made arrangements for the capsule to be accepted by Robert N. Spengler, president of the school board, from Morris Helman, chairman of the retailers' Christmas activities committee. The capsule will be turned over Friday morning at Santa Claus cabin, 19th street and Edison avenue.

Natural Gas Consumption Sets Record Yesterday

A record breaking amount of natural gas was used by Illinois Power customers during the 24-hour period ending Wednesday morning. The company reported deliveries to customers of 344 million cubic feet of natural gas during the 24-hour period.

According to C. E. Mathias, local manager, this is a 50% greater sendout of gas than on the peak day two winters ago when 222 million cubic feet of gas was used. Last winter, Illinois Power's peak delivery was 303 million cubic feet on Jan. 10.

Mathias said that the additional use resulted from the addition of about 32,000 new customers who have been added to the Illinois Power system during the past two years. In addition, larger supplies of natural gas have made gas heating available to 40,000 Illinois Power customers during the same two-year interval.

The additional amount of natural gas for heating results from the development of underground storage fields by Illinois Power during recent years, plus the building of new gas transmission facilities.

In addition, the pipeline companies supplying Illinois Power have increased their facilities so that they are able to furnish considerably more gas.

According to Mathias, of the total gas delivered during the peak period, 46½ million cubic feet was withdrawn from two of Illinois Power's underground storage fields in southern Illinois. Propane plants throughout the territories were called upon to deliver about one million cubic feet.

A new winter peak was established in electric use, he added, as customers built up the company system demand to 841,000 kilowatts. This is greater than last winter's use but still slightly less than the peak demand established during the air conditioning season of the summer of 1962.

Deadline Dec. 24 To File For Water Rate Rehearing

A waiting game is being played by both sides in the 30-day period to file for a rehearing of the 12.75% rate boost granted Nov. 26 to East St. Louis & Interurban Water Co.

The local Large Water Users group has referred any action to its attorney and engineers, who are continuing to study the new rate schedules and changes.

Also, they are keeping a close eye on the calendar, since the time to make application with the ICC is just 10 days away—Dec. 24.

Two Places To File

Application for a rehearing may be made at either the Chicago or Springfield offices of the Illinois Commerce Commission.

Randall Robertson, attorney for the local large water users group, said he and the engineers have been authorized to determine if a rehearing is necessary to protect the interests of the group.

The water company, which was seeking a 33% rate boost, is expected to file for a rehearing. An official told the Press-Record yesterday, the Nov. 26 order by the ICC is still being studied by the firm's legal staff.

Had Sought 33% Boost

With the sought-after 33% boost, the water company wanted an annual income increase of $1,484,895. The 12.75% rate boost will increase the annual income by an estimated $580,000.

The 12.75% was "across-the-board" for the firm's 59,000 customers.

The new quarterly minimum rate for a household is $8.73, up 99 cents from the $7.74 figure before Nov. 26. The minimum rate applies to 39,000 cubic feet of water or less during the three-month period.

Fire Plug Rental Up

Also up is fire hydrant rental for local municipalities. The new rate schedule sets the annual cost at $49.60 compared to $44 in the past.

The St. Clair county Large Water Users Association has indicated it plans to file for a rehearing. It based its decision on the failure of the Illinois Commerce Commission to consider its request for a cut in the rate schedule which sets a higher cost for water in the "high elevation" area around Belleville.

Fire Department Hopes To Get New Unit Soon

The Granite City fire department is awaiting information from Freeburg that state-conducted testing has been completed on the city's new 1000-gallon-per-minute pumper.

Fire Chief Elijah King said this morning the state fire marshal office is delayed pending the arrival of necessary paperwork before conducting the six-hour test. The engine will be taken to a lake where a hole will be cut in the ice and pumping tests conducted.

On completion of the tests the fire department will pick up the vehicle and drive it here.

The pumper is at the Towers Fire Apparatus Co. in Freeburg. It will be placed at the main fire station.

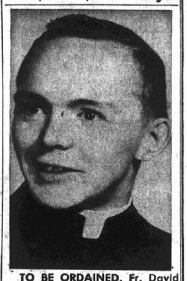

Rocas Nominate Six For Winter Sweetheart

Six nominees for "Winter Sweetheart" of the Roca Young Men's Club were named Tuesday evening during a meeting of 30 members at the Moose Hall. Robert King, president, was in charge of the meeting, assisted by Earl Parsons, club advisor.

The nominees are Nanny Beil, Sharon Stroyoff, Sally Stieb, Clair Steinhauser, Diana Ferguson and Mary Lewis.

Selection of a "sweetheart" to reign over winter months activities will be made at a meeting next Tuesday evening.

The club also is planning a Christmas dance with the date to be set.

TO BE ORDAINED. Fr. David Lautermilch will be ordained into the priesthood in Toledo Dec. 22. He will celebrate mass in St. Joseph's Church here Dec. 30 before resuming his theological studies.

David J. Lautermilch To Be Ordained Dec. 22

Rev. David James Lautermilch, 25, son of Mrs. Clara A. Lautermilch, 2512 Benton street, and the late Paul A. Lautermilch, will be ordained into the Roman Catholic priesthood Dec. 22.

The ordination will take place at the Cathedral of the Blessed Virgin Mary of the Holy Rosary, Toledo, Ohio, with the Most Rev. George J. Rehring, S.T.D., Bishop of Toledo, officiating.

Rev. Lautermilch attended schools in Pennsylvania, Ohio, Indiana and Minnesota. He holds a bachelor of arts degree from the Athenaeum of Ohio and a master of education degree from Xavier University of Cincinnati.

The new priest will celebrate his first solemn mass Dec. 23 at St. Joseph Church, Tiffin, Ohio.

On Dec. 30 he will be the celebrant at a solemn mass of thanksgiving at 11:30 a.m. at St. Joseph's Church in Granite City. He will be assisted by the Rev. J. P. Jordan, pastor of St. Joseph Church.

A dinner for visiting clergy will follow at the Rose Bowl. Benediction of the Blessed Sacrament will be at 3 p.m. that day, followed by a reception in the parish hall.

Fr. Lautermilch will return to Mount St. Mary's Seminary of West Norwood, Ohio, on Jan. 7 to complete his course in sacred theology. In May he will be assigned to parish work in the Toledo diocese.

Mrs. Louise Delaloye, 75, Dies In Her Sleep

Mrs. Louise Delaloye, 75, of 2539 Lincoln avenue, died during her sleep Tuesday night or Wednesday morning at the home of a daughter at O'Fallon.

Mrs. Delaloye had been ill for some time, and was under medical care. The daughter, Mrs. Alfred (Dora) Kube, said she did not realize at first her mother was dead as she seemed to be peacefully sleeping.

Born in Switzerland, Mrs. Delaloye had been a resident of Granite City for over 65 years. She had been visiting at O'Fallon since Sept. 2.

Mrs. Delaloye was a member of the Royal Neighbors of America. Her husband, Modeste, preceded her in death June 14, 1956.

Survivors include three sons, Herman and Wilson of Granite City and Julian of San Diego, Calif.; four daughters, Mrs. Kube, Mrs. Worthen (Flora) Snipes of Decatur, Mrs. Kenneth (Bertha) Snoderly of Springfield, Mo., and Mrs. Willard (Rosalee) Nichols of Eminence, Mo.; nine grandchildren and two great-grandchildren.

November Construction In GC Tops Million Dollar Mark

New construction in Granite City topped the million-dollar mark for the first time in several months, it was reported by City Building Inspector Earl Bloomquist.

A permit for a $794,000 addition at Granite City Steel Co. and permits for seven new homes costing a total of $140,000 increased the total late in the month.

Although permit data during preceding weeks of November had gone over $100,000 only once, Bloomquist said, the final week's activity raised the figure for the month to $1,119,918.

The Granite City Steel Co. project is to consist of a 533x117 foot addition to form a hot roll pass line and mould foundry extension. The plant addition will be of corrugated iron exterior and is under construction by S. M. Wilson & Co.

Home Construction

All the new homes for which permits were issued are to be erected by Contractor Leo Wolf. One is a $30,000 dwelling of brick veneer and aluminum siding exterior with eight rooms at 3204 Harvard avenue. An $18,000, six-room split-level home is to be built at 3124 Harvard.

Other houses for which permits were received are at 2912-14 Yale, a $27,000 duplex; at 3233 and 3237 Princeton, $15,000 five-room brick veneer homes; at 3204 Bradley avenue, a $17,000 six-room home; and at 3124 Princeton drive an $18,000 six-room home.

The Granite City Glass Co. addition will consist of a 44x60-foot structure with a 12x24 wing. The building, at 18th street and Edison avenue, will be used for auto glass work. The contractor is Henry Ross.

Two permits were issued for installation of mobile homes. One was to W. R. Cook for installation of a $4800 trailer at 2826 Myrtle avenue, and the other to David A. Webb for a $1500 trailer at 2540 Washington avenue.

New Parking Lot

Contractor James A. Brimm received a permit for construction of a 25-125 foot parking lot at 1920 State street at the rear of the Checker Cab Co. The project, to cost $200, is to consist of clearing and grading. The lot will be of rock surface.

Walter Mayes received a permit for a $550 two-car garage at 2438 Missouri avenue. James Padovan was issued a permit for an $1150 carport at 2820 Forest avenue, and Ronald Snelson a permit for a $300 carport at 1739 State street.

A permit for construction of a utility storage facility at 3213 Colgate place for $25 was issued to Dr. Leo A. Roman. Gerald Broadway received a permit for installation of siding at 2439 State street at a cost of $500.

Rites For Mother Of Mrs. Virginia Chism

Funeral services were conducted Monday morning at Carlinville for Mrs. Annabelle Fox, 62, mother of Mrs. Harry (Virginia) Chism of 2557 Madison avenue. Burial was in the old Calvary Cemetery there.

Mrs. Fox died during her sleep last Thursday night of an apparent heart attack. In addition to her daughter here, she is survived by four other daughters, two sons, three brothers, three sisters and six grandchildren. She was a lifetime Carlinville resident.

Economy in the home is another thing which is a lot easier to talk about than to practice.

EIGHTY NEW ROBES for Dunbar school chorus were provided through a fund drive conducted by the Dunbar Choral Boosters Club. Here the chorus is trying them out during a rehearsal led by director Emmett Timmons (far left) while mothers club members had a closer look at the results of their month long campaign. They are (from left) Mrs. Wade James, club president, Mrs. Lemit Williams, Mrs. Lorraine Ghant, Mrs. Mildred Brown and Mrs. Beulah Rockett. Serving as models are two chorus soloists, Denise Williams (on left) and Joyce Jackson. Chorus will present a full concert next May.

Election In April For 1st Officers Of New Village

A date for an officer election in the new village of Pontoon Beach probably will be set for either the first or third Tuesday in April of next year, it was learned yesterday from County Judge Michael Kinney.

The judge and two justices of the peace, Earl Vuagniaux of Edwardsville and George Berry of Alton, canvassed the ballots of last Saturday's election at noon Wednesday.

The results were 117 for incorporation of the half-square-mile area with about 191 homes and 104 against incorporation. There also were 15 spoiled ballots.

Judge Kinney said he is expecting to receive an order within a few days from Atty. Dwight Taylor, representing the new villagers, requesting an officer election.

To be elected are a village president, a six-member village board of trustees and a village clerk. Three of the first trustees will serve two-year terms, while the three others and the president and clerk will serve four-year terms. Half of the board is to be elected each two years.

Dan Brown Accepts New Scouting Post

Dan Brown, Uniwah District Scout executive, has accepted a similar positon in the Rainbow Council at Joliet, Ill., it was announced today. He will begin his new duties Jan. 15.

Brown, 36, will head a larger district in Joliet. His new district is, in fact, the largest of four in the Rainbow Council.

He will be replaced temporarily by Clay Breihan of Edwardsville. Breihan now is a scout field director. One of his duties is to fill district executive vacancies when necessary until a new man can be hired.

Eugene Coe, scout executive of Cahokia Mounds Council, of which Uniwah District is a part, said:

"In the six years Dan has been here, his district has grown to an all-time high in membership and units.

"He was responsible for organizing the Women's Reserve Corps and the Den Mothers' Workshop."

The Women's Reserve Corps is composed of mothers who were active in Cub Scout work and who wish to continue serving in Cub Scouting even though their boys have outgrown the Cub Scouts.

They conduct the Den Mothers' workshop and put on the Den Mothers' tea, a recognition event.

Brown arrived here from Lansing, Mich., where he served as a district scout executive in the Chief Okemos Council. He and his wife, Harriette, both are from Jackson, Mich., originally.

They have four children, Carol Lynn, 11, Catherine Ann, eight, Joann Ruth, five, and James Edward, three. The three girls are students at Nameoki school.

The family resides at 1828 Spring avenue.

Brown is chairman of the deacons at Emmanuel Baptist Church where his wife teaches Sunday school. He is an active member of the Noonday Optimist club in which he is chairman of the community services committee.

Terms of five Madison aldermen will expire in 1963. They are Emil Ulanski, Ward One; Charles J. McMahon, Ward Two; Richard George, Ward Three; Steve Kello, Ward Four; and John H. Haynes, Ward Five.

In Venice, the terms of James A. Miller, George Mangiaracino, Arthur F. Means and Oscar King will expire. They represent wards One through Four, in the order listed.

School Board Posts

Two members of the Granite City school board will face expirations of their terms. They are Homer Huber and Leslie Worthen. In Madison, the school board terms of Dr. Steve Geroff and William G. Schreiber will end in the spring.

Members of the Venice school board whose terms will expire are Michael Leatherman jr. and Harold Seibert. School board members are elected to three-year terms.

In Granite City township, the terms of three assistant supervistors will expire. They are William B. Webb jr., John Graham and Robert Gaughan. Gaughan was appointed to the post by the city council in 1959 to replace Nelson Hagnauer, after the latter was elected supervisor. He has announced plans to seek election to a full four-year term.

Supervisor Harry Briggs is one of three Nameoki township officials whose terms will run out in the spring. Others are Assistant Supervisor Charles Werner and Highway Commissioner Charles Hanks.

Highway Supervisor Frank Kimack and Assistant Supervisor Claude Echols of Venice township also are among elected officials whose terms will expire in 1963.

One Chouteau Official

The term of one Chouteau township official will expire according to Supervisor Joseph A. Troeckler. He said Chouteau residents will elect a highway commissioner. Incumbent commissioner is Paul E. Potter.

Also among those whose terms in office are to end in the spring are three park district board members, one in the Granite City district and two in the Venice district.

Board members with expiring terms are Earl Bloomquist, in the Granite City district and John Mitchell and Tom Bruder in Venice. Park district board members are elected to six-year terms.

Collision At Intersection

An accident occurred about 8:35 a.m. Wednesday at the intersection of Bradley avenue and Colgate place involving autos driven by Robert A. Young, 25, of 2820 Yale drive, and Joseph M. Vittitow, 37, of Edwardsville. Police said no one was hurt.

Man Arrested Here Taken By Cairo Police

A Paducah, Ky., man arrested here Saturday on an unlawful use of weapons charge was turned over to Cairo, Ill., authorities yesterday on a larceny warrant.

He is James M. Sanders, 33, who police here said is wanted in Cairo in connection with the alleged theft of a tarpaulin and quantity of tools.

He was arrested Saturday at the Bellemore Village shopping center as a suspicious person when guns were discovered in his auto.

Police said he had three pistols, three shotguns, a power saw, drills, six typewriters, more than 75 rings and costume jewelry in the vehicle.

He pleaded guilty to unlawful use of weapons and was fined $50 Monday in police magistrate court here. A hold order was placed on him by Cairo authorities.

While in the Granite City jail, police said he attempted to communicate with a woman in Cairo to tell her where to pick up the bag of tools he is suspected of stealing.

The merchandise found in his auto was turned over to the Cairo authorities for investigation. There was no evidence that it had been stolen and the man once had been in the jewelry business. Police said he recently was released from the Illinois state farm at Vandalia.

Two Men Accused of Forging Stolen Check

Two area men charged with forgery, Paul W. Helton, 38, of Moorland drive, and Robie Thorpe, 28, of 3104 Wayne avenue, were released on $2500 property bond each Wednesday afternoon, Justice of the Peace Harry Hartman set hearings for Dec. 29.

They were charged Wednesday on the complaint of the First Granite City National Bank.

Both are employees of Chicago & Northwestern railroad.

Police said Helton admitted taking a pay check for $391 from the railway depot office at Benld and cashing it at the local bank. The check was to have been picked up by a C. H. Langley, another railroad employee, who usually had his pay checks sent to Benld.

The check was dated July 13 and was not negotiable after 60 days. Police said the date was altered to Aug. 13.

The altered date was misspelled "Eugust," however. Police said Helton spelled it that way when asked during interrogation.

Thorpe allegedly conspired with Helton and was present when the check was cashed last Aug. 28.

TB Christmas Seal Campaign Now At 69% Of 1963 Goal

An appeal this week for Madison county residents to mail contributions to the Madison County Tuberculosis Association Christmas Seal Campaign resulted in an additional $4000.

The drive for $42,000 to provide free chest x-rays to county residents next year now stands at 69%.

This year, 7525 free x-rays were given in the local Quad-Cities area. These included 4156 at local industrial plants. In community visits by the mobile x-ray unit, 2608 x-rays were taken in Granite City, 512 in Madison and 249 in Venice.

Dr. A. H. Rode, first vice-president of the association, is urging Quad-Cityans to reply to their Christmas Seal letters. He pointed out the county Tuberculosis Association is not tax supported and the only means of support is through the mail sale of the traditional Christmas seals.

A total of 55,000 letters was mailed in Madison county.

He reminded Quad-Cityans the seals are useful on Christmas packages and cards, and the sale of them helps to lead to the discovery of tuberculosis and other chest conditions.

In the event the mobile unit x-rays results in the need for larger x-rays, the association also pays for these films if a request is made by a family physician.

The $42,000 goal has been unchanged since 1961.

Dryer, Washer Burn In Different Houses

Separate fire alarms yesterday—one for a clothes drier and the other for a washing machine — were answered by firemen from the Nameoki road and the main station. Damage was reported at both blazes.

The drier alarm was about 9:45 a.m. at the brick home of Silva Ireland jr., 143 Briarcliff, where a drier caught fire and damage was set at $75 to the machine and to clothing—towels and wash cloths.

At 3:10 p.m. main station firemen went to the two-story brick home of Porter Cawley, 2215 Edison avenue, where a washing machine motor burned out, causing about $30 damage.

Firemen from the main station also were called at 7 a.m. Wednesday to the home of Jeanette Conley, 720 Twenty-sixth street, where a short circuit developed in wiring in the utility room. The loss was set at $15 to the building and $25 to the contents.

About 8:45 a.m. yesterday they went to East 23rd street and Nameoki road to wash away gasoline that had been spilled from a gasoline delivery truck.

Mike Vesci, Three, Undergoes Stomach Lavage

Mike Vesci, three-year-old son of Mr. and Mrs. Anthony J. Vesci of 2575 Waterman avenue, was treated Tuesday afternoon at the St. Elizabeth Hospital emergency room after taking about 20 baby aspirin tablets. He underwent a stomach lavage and was released.

The child's father said he climbed up on a kitchen cabinet to get the aspirin bottle.

Hearts, W. Side AC, Farmers, Sim Place, Ragan Lumber Win

Rescheduled park district Classic league basketball games, moved ahead from Thursday to last night, resulted in victories for Sacred Heart and the West Side AC at Prather junior high school.

The Hearts topped Plaza Pizza 65-55, with Paul Mosby rimming 28 points for the winners. Larry Williams added 15 to the Hearts' total, while Terry Andrews scored 12 for Plaza, behind 32-28 at the half.

West Side AC took Bowland 67-59, with George Sykes scoring 20 points and Dewey Melton 18 for the winners. Bowland's John Draper led all scorers with 21, and teammate John Basarich had 17 points. West Side led 36-31 at halftime.

In High School league action on the Nameoki gym floor last night, The Farmers ran off from Miller's Grocery 60-20 after leading 27-12 at halftime. Perry Tayon had 18 points for the winners.

Sim's Place and Ragan Lumber scored equally one-sided wins.

Sim's topped Olga's Confectionery 67-39 behind Erwin Ernst's 21 points. John Petrillo scored 14 for Olga's, which was only one point down at halftime, 24-23.

Ragan rolled to a 38-16 halftime lead and padded it to a final 67-31 over St. Bartholomew's in the night's final game. Charles Stephens led the winners with 21 points.

Prather Grapplers 30-22 Winners Over Riverview Gardens

Tuning up for its dual meet with Coolidge junior high school tomorrow afternoon, Prather JHS scored a 30-22 wrestling victory over Riverview Gardens of St. Louis here yesterday afternoon.

The Chiefs will carry a 2-0 dual meet record into the contest with Coolidge, having defeated Roxana in the opening matches last week.

The Chiefs held a slim 10-9 lead after five bouts with Riverview Gardens grapplers, but consecutive pins by Mike Poynor, Marion Hughes and Roger Ellsworth opened up a more comfortable lead.

The match results:

95 pounds—Lester Robinson (P) pinned Aye, 3:27; 103—Gallion (RG) defeated John Brooks, 3-0; 112 — Egbert Taylor (P) pinned Boyd, 0.52; 120—Weber (RG) defeated Curt Welser, 7-4.

127—Williams (RG) defeated Gary Ellis, 10-0; 133—Mike Poynor (P) pinned Baer, 1:34; 138—Marion Hughes (P) pinned Morris, 2:59; 145—Roger Ellsworth (P) pinned Balmer, 2:25.

154—Freedman (RG) defeated Benny Morgan, 4-3; 165—Steve Cauble (P) pinned Balmer, 3:27; 180—Tournbaugh (RG) pinned Gary Johnson, 2:21; heavyweight—Boehmer (RG) pinned Roger Hickman, 2:53.

In exhibition bouts, Bill Fuchs, Mickey Shambro, Mike Levart and Ricky Wagner won decisions, Dan Tucker, Reynolds and Bill Skalsky drew, and Marvin Parrish and Bill Hodesty of Prather were defeated.

Few Depot Employees Not Getting Pay Boost

Not all employees at the Granite City Army Depot are receiving the 4.85 to 10.12-cent hourly pay increase on Dec. 19, it was learned today. "A few will receive only a one-cent hourly pay boost and about six will not be given any pay hike," a Depot spokesman said.

The reason for the lesser or no increase is due to job classification or technicalities of the Wage Board of the Department of the Army, the depot official explained.

About 780 hourly workers are to get increases here.

Auto Back Seat Burns

A fire possibly caused by a cigaret damaged the back seat of an auto at 7:05 p.m. Monday, Madison firemen said after answering the alarm at 1033 Alton avenue. Name of the owner was not listed. The seat was ruined, but no exact estimate of the value was given.

Amateur Boxing Card Dec. 28 At Legion

An eight-bout amateur boxing card has been scheduled for Friday night, Dec. 28, at Tri-City American Legion Post 113, promoter Jack Bogosian said today.

Bogosian said tickets, priced at $1 in advance, are on sale now at Post 113 and at Club Delmar. Admission will be $1.50 at the gate.

At least three Granite City amateur boxers, Connie Ybarra, Rich Cruz and Barry Terry, are expected to be in the bill.

Washington PTA Plans Aid For Homeless Family

The December meeting of the Washington school Parent-Teacher Association was held Monday evening in the school gymnasium.

Boris Dineff, president, called the meeting to order and led those present in the pledge of allegiance. Reports were given by Mrs. Ruth Johnson, secretary, and Mrs. Betty Krug, treasurer.

It was decided that help in the form of clothing, canned food, cash donations and toys will be given to a local family whose home was destroyed by fire.

The Brownie troop of which Mrs. Clarence Marmion is the leader was the recipient of a donation from the PTA.

A Christmas party for the students will be held on the afternoon of Dec. 19. Cup cakes for the occasion will be donated by mothers of the pupils. Ice cream also will be served.

The program for the evening consisted of Christmas music by James Swanick, vocal music teacher, led a choral group of fifth and sixth graders in four Yuletide carols.

One of the selections was sung in Latin, and another was a French carol in which Kathy Juhasz played a flute accompaniment, with Ronald Bittick playing the drums. Miss Juhasz is a former student of Washington school now attending Prather junior high school.

Two instrumental solos, one by Keith Mercer on the saxophone and another by Melinda Elmore on the clarinet, also were a part of the program. Miss Elsie Maylath, the instrumental music instructor for the school, accompanied the soloists.

Despite the bad weather, approximately 215 persons were in attendance. The first grade mothers prepared and served cake, coffee and milk at the close of the meeting.

Madison And Cahokia Easy Winners Meet In O'Fallon Semifinal Tonight

Once-beaten Cahokia and undefeated Madison head for an early-season showdown tonight in the championship semifinals of the O'Fallon invitational basketball tournament.

Coach Earl McClanahan's 4-0 Trojans smashed Mascoutah 68-38 in a first-round game last night, while Earl Lee's Comanches experienced little trouble against Lebanon in Wednesday's first game, winning handily, 84-50.

O'Fallon and Columbia clash in the other winners' bracket semifinal at 7 tonight, while Friday's schedule finds Red Bud opposing New Athens at 7 p.m. and Lebanon matched with Mascoutah at 8:30 in a pair of consolation semifinals.

Final Games Saturday

Tonight's winners will play for the tourney's first-place trophy at 8:30 p.m. Saturday, while Friday night survivors will angle at 7 p.m. Saturday for the consolation award.

Madison, with McClanahan getting all 12 members of his traveling squad into the contest, blew the lid off a relatively close game in the second half, which included a 25-point fourth quarter against an ineffective Mascoutah press.

The Trojans got away to a shaky start, trailed 7-2 at one point early in the first period and then turned on the pressing defense for which last year's team was noted to outscore Mascoutah 16-1 and roll to an 18-8 first-quarter advantage.

Mascoutah recovered and outscored the Trojans by one point in the second period, but this proved to be the Indians' last gasp.

Behind by 17 at the end of the third quarter, they tried a full-court press of their own. It backfired against Madison reserves, who welcomed the chance to work against it and stretched by an additional 13 points an already considerable lead.

McClanahan tried four different players at a forward spot vacated by Terry Andews, whose 19th birthday will prevent his playing the remainder of the season for Madison. The coach said he is not yet completely satisfied with any one combination.

The fated Cahokia, a 57-56 loser to Sparta Tuesday night, as the toughest opponent so far for Madison, which has downed Sparta (54-43), East St. Louis, Bethalto and Mascoutah.

51-Point Second Half

The Comanches, who could have been a little tired after their tight contest with Sparta the previous evening, looked sluggish in the first half and led by just one, 33-32. But Burton Bruce, with 22 points, sparked them to a 51-point second half while Lebanon turned cold from the field.

McClanahan said he is concerned about Madison's lack of height going into tonight's contest. Cecil Bell at 6-1 is the Trojans' tallest player, while Coach Earl Lee, by inserting Mel Stein in his lineup, can put a team on the court which averages about 6-2.

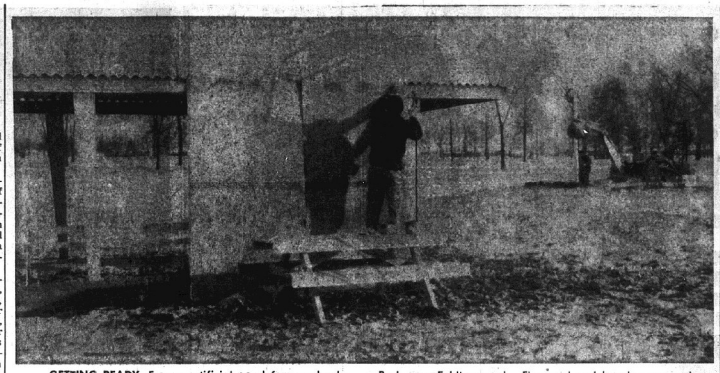

The Madison-Mascoutah scoring: Madison— Cecil Bell 20, Hayes Wright 16, Paul Lusk 6, Clint Robinson 6, Dale Turner 6, Tal Fisk 5, Gary Skinner 5, John Summers 4, Jack Miller 0, Lonnie Brown 0, Bob Fouts 0, Tom Lubak 0; Mascoutah—Plab 9, Bramstedt 5, Modleghan 5, Divine 5, Mabus 4, Held 3, Meyer 2, DeRouse 2, Bettinger 2, Stock 1, Lang 0.

Score by quarters:

Madison	18	11	14	25 — 68
Mascoutah	8	12	6	12 — 38

Host O'Fallon easily handled New Athens, 76-59, in a first-round game Tuesday night after Columbia had opened the tourney with a 71-58 victory over Red Bud.

New Athens and Red Bud are to meet in a consolation bracket semifinal tomorrow night at 7, while Columbia and O'Fallon clash on the winners' side of the same bracket at 7 o'clock tonight.

Play For Third Place

Devils Lose 10-Point Lead, Drop MCM Tourney Semifinal Contest To Breese, 49-37

Taking a cue from the weather outside, Venice turned ice cold in the third period at New Baden last night and dropped a 49-37 decision to Breese in the championship semifinal round of the Madison - Clinton - Macoupin counties conference basketball tournament.

The Red Devils scored only two points in the third period against Breese after leading by as many as 10 shortly before halftime, and joined Worden in the third-place finals bracket.

Worden was stopped 71-51 by Wesclin in last night's upper-bracket semifinal. Wesclin and Breese will meet for the first-place trophy at 8:30 p.m. Friday, following the 7 p.m. Venice-Worden third-place game.

Continuing to play good defense, Venice held Breese's high-scoring Joe Stark to 10 points for three quarters, but could not get its own scoring game back in gear following halftime intermission.

Two-Point 3rd Quarter

Ahead 21-18 at the break, the Devils got a quick bucket from Paul Sitton off the last break, and then failed to pick up so much as a free throw in the remainder of the third quarter.

Breese had its biggest quarter in the fourth period, scoring 22 points, with Stark putting in 10 of them.

"But we missed four layups and the first shot on eight different bonus free throw chances," observed Venice Coach Bill Ohlendorf. Venice accuracy from the field was a so-so 31%, the same as the team's percentage at the free throw line.

Both teams had 15 field goals, but Breese held a 19-7 edge at the charity stripe. The Devils also had trouble against Breese's press, which was applied after the winners shot free throws. Ohlendorf counted 21 occasions on which his club lost possession because of bad passes and violations.

Junior Larry Schaefer pumped in 33 points, but it was not enough for Worden in the first game Wednesday as top-seeded Wesclin built up a 36-32 halftime lead and stretched it to 20 points at the close.

The Venice-Breese scoring:
Venice—Ken McMullen 14, Paul Sitton 10, Jerry Cicio 7, Jim Hormann 2, John Robertson 2, Pete Fields 2, Larry Mueller 0; Breese—Stark 20, Thomas 14, Hostmeyer 8, Baker 7, Rowekamp 0.

Score by quarters:

Breese	9	9	10	21—49

Breese's Stark Hits 29

Venice blew hot and cold against Aviston in Monday night's tournament opener for the Red Devils, leading by from three to 18 points and ending the game on top by nine, 54-45.

In the other lower bracket opener, Joe Stark pumped in 29 points to lead Breese to a 69-50 decision over Bunker Hill, setting up last night's Venice-Breese semifinal meeting.

The Devils moved to a 12-9 edge in the first quarter against Aviston, and had stretched it to 18 points early in the third period when Ohlendorf turned loose his reserves to replace what he called "sluggish" starters.

Lead Dwindles

Aviston whittled the Venice lead down to three points with 2:15 remaining before the first five re-entertd the game for the Red Devils and won going away.

Forward Ron Streiker led all scorers with 24 points for Aviston, but did not get much scoring help from his teammates. On Tuesday night, he tallied 22 in a losing cause as Bunker Hill snowed under the Eagles 90-36 in a consolation semifinal.

Tuesday's other ballgame, a first-round contest, went to Worden over Livingston by a 64-49 score, with Worden staging a big second-half comeback to overcome a 13-point halftime deficit. Roger Shaffer hit 25 points for the winners, 13 of them at the free throw line, where Worden accuracy made the difference.

Monday's Venice-Aviston scoring—Pete Fields 14, Jerry Cicio 13, Larry Mueller 9, Ken McMullen 7, Paul Sitton 5, Jim Hormann 4, John Robertson 2, Bill Getz 0, Howard Black 0, Mike Edwards 0; Aviston — Streiker 24, Von Hatten 12, T. Netemeyer 7, J. Netemeyer 1, Heimann 1.

11 Pins For Brave Grapplers In 57-2 Win At Belleville

Scoring pins in all but one individual bout, Coolidge junior high school wrestlers pulverized Belleville freshmen on the losers' mats yesterday afternoon, 57-2.

With a 2-0 record, the Braves are scheduled against Granite City Rival Prather junior high school at Coolidge tomorrow at 4 p.m.

The match results at Belleville:

95 pounds — Richard Hodshire (C) pinned Jim Schwarz, 2:25; 103 — Bill Badgett (C) pinned Jerry Berger, 1:15; 112 — Larry Harrison (C) and Jim Coldenhandt (B) drew, 1-1; 120—John Kozyak (C) pinned Joe Wiscoup, 1:37.

Kahok-Maroon Tilt Saturday

Important Weekend For SWC Teams; GCHS Meets Belleville And Flyers

The Southwestern Conference basketball race, which showed signs of being red hot in its first week, should take the chill out of the air, at least inside gymnasiums, this weekend, too.

The four teams which share first place at this early date should untangle themselves a bit before Sunday, with Granite City's upstart Warriors right in the thick of things.

A 66-64 upset winner over Collinsville last Friday, Andy Sullivan's club will play the underdog role again tomorrow night when it visits Belleville for an 8:30 league clash.

Four Regulars Back

The Maroons, with 1961-62 regulars Dave Renn, Roger Bechtold, Jerry Jowett and Les Lund returning, have fashioned three straight triumphs, including an easy 84-49 win over SWC member Wood River, and a surprisingly one-sided 64-51 victory against Cahokia, the team responsible for Granite City's lone setback.

The Scrappy Warriors, who made up for numerous floor mistakes against the Kahoks with some accurate shooting, determined rebounding and old-fashioned hustle, should be "up" for the Maroons who have a winning reputation on their home floor. Belleville was beaten at home only once (by Madison) last season.

Coach Jerry Turner's club will have to be ready twice in 24 hours, however. On Saturday evening, the Maroons meet Collinsville on the latter's floor, and like Turner, Kahok Coach Vergil Fletcher has the tested reputation of having teams that win consistently before a partisan crowd.

Full Weekend Schedule

Collinsville also will play two league games this weekend, both at home). It will host East St. Louis (0-1) Friday night. The Flyers should not prove to be much of a roadblock.

Southwestern followers should not forget Alton, fourth team in the current tie for first place. New coach Herman Edwards has built a solid team around senior Bob Jones, one of the district's top players last winter. The squad completely outclassed East St. Louis, 62-36, last Friday.

The Redbirds, who tangle with Edwardsville (1-0) in Alton Friday, also can claim defending state champion Stephen Decatur as one of their four victims to date.

At East St. Louis Saturday

Granite City's second game this weekend is at East St. Louis at 8 p.m. Saturday. Pick Dehner's team could be dangerous, should the Warriors suffer a mental attitude lapse after meeting Belleville 24 hours earlier.

Wood River, picked to battle the Flyers for tail-ender honors this season, lays off the conference menu to play in the two-day Quincy invitational tournament Friday and Saturday. The Oilers are 0-2 in SWC play.

The best balance of team strength in half a dozen years has been evident so far. Should it continue, Granite Cityans are in store for a real treat next March 4-8, dates of the IHSA regional tournament here.

Regional assignments will not be announced until about Jan. 15, but current SWC contenders, with the exception of Belleville, probably will be assigned to the GCHS regional if the IHSA follows past patterns.

Edwardsville, Figured As SWC Mat 'Toughie,' Given 40-6 Lesson By Warriors

Granite City high school's varsity wrestling squad soundly thumped Edwardsville's Tigers in Edwardsville Tuesday night, 40-6, putting an early season damper on the hopes of other Southwestern Conference competitors who were looking for this to be an "off" season for the Warriors.

The Tigers, rated as the most improved squad in the SWC — before Tuesday's dual meet — won only two of 12 bouts (one loss was by forfeit), although GCHS Coach Bill "Red" Schmitt, a conservative but highly successful mat mentor, called the outcome "much closer than the score indicated."

In running their record this season to 2-0 and scoring their 99th straight dual meet victory against downstate Illinois and St. Louis competition, the Warriors got pin wins from four individual wrestlers, Jim Cavanaugh, Larry Reynolds, Denny Petroff and Gary Forshee.

Beats Sectional Champ

Cavanaugh's fall was the highlight of the meet; he pinned defending 120-pound sectional champion Bob Nelson in an action-packed match, and drew praise from Schmitt for his performance. "He's our most aggressive wrestler, without a doubt," said the GCHS coach.

Warrior 180-pounder Gary Forshee also scored an impressive win. Behind 6-2 in the second period, he rallied to take an 11-6 lead over Norm Schoettle, and then pinned Schoettle in 5:29 of the last period.

The Redmen's victory margin against Edwardsville was five points better than when the two schools met for the first time last season and GCHS took a 37-8 decision.

No junior varsity bouts were scheduled Tuesday, and in the one exhibition match, GC's Tom Miofsky pinned his opponent in 4:35.

Oilers Here Friday

Wood River's Oilers, who dropped their opening conference match to Belleville, will come here for a 7:30 p.m. conference meeting with the Warriors tomorrow.

Then, next Tuesday, Granite City faces its stiffest test from across the river when its hosts Riverview Gardens, which Schmitt feels is the best St. Louis has to offer.

Tuesday's match results:

95 pounds — Paul Lapinski (GC) won by forfeit over Elmer Lewis (overweight); 103 — Ray Carter (E) defeated Kerry Cavanaugh, 6-0; 112 — Skip McMillan (GC) defeated Roger Buchta, 7-3; 120 — Jim Cavanaugh (GC) pinned Bob Nelson, 5:37.

127 — Tom Vasileff (GC) defeated Steve Mihalic, 4-1; 133 — Larry Reynolds (GC) pinned Ed Small, 1:19; 138 — Joe Crider (GC) defeated Dale Farrington, 3-0; 145 — Bob Agles (E) defeated Ed Roustio, 7-0.

154 — Jim Sumner (GC) defeated Charles Killon, 8-5; 165 — Denny Petroff (GC) pinned Rick Robinson, 2:37; 180 — Gary Forshee (GC) pinned Norm Schoettle, 5:29; heavyweight — Mike Fry (GC) defeated Terry Johnson, 4-2.

Ill. Trappers Required To Tag Steel Traps

Area fur trappers are being reminded that all steel traps must be tagged or otherwise identified with the name and address of the person setting them.

The reminder was made by Donald L. Hastings of Edwardsville, conservation inspector for the state.

Hastings said, "The requirement applies regardless of whether the traps are set upon the trappers' own land or on the land of another. These identification tags are not furnished by the state, but must be purchased elsewhere or made by the trapper."

He explained there are no specifications other than a requirement for the owner's name and address.

"A recent check," Hastings said, "showed that very few trappers are complying with the law. Traps not identified will be confiscated under provisions of the State Game Code."

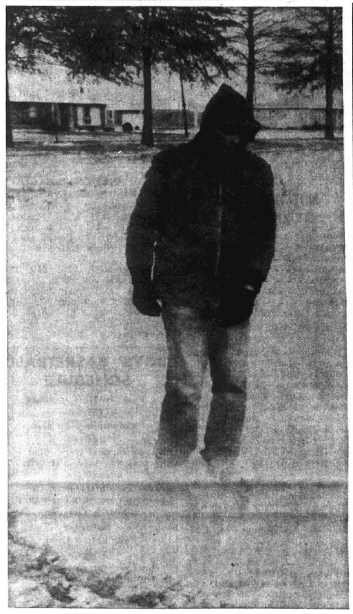

Roxana Takes Two Games From Coolidge

Roxana's junior high school cagers surprised eighth and ninth grade teams from Coolidge with a double basketball setback in Roxana Tuesday night.

Pressing outcourt and using a zone defense underneath, the Shell freshmen rolled up a 71-59 score against the Braves, who closed to within four points with five minutes left in the final quarter but then faded. Dana Lakatos with 13 points and Greg Wozniak with 12 were the losers' high scorers.

Terry Moore rimmed 19 points for the Coolidge eighth graders, who were tied with 40 seconds left to play but missed four straight free throws and were edged 31-29.

Ragan, MBC Score Easy Victories In Park Classic Loop

Ragan Lumber recorded its second straight park district Classic league basketball win in easy fashion over Ernie & Annie's Monday night at Prather junior high school, 91-49.

The winners had six players in double figures, led by Bill Page's 20 points. John Campbell added 16 and Dan Hrysko and Bob Miller 15 each.

Mercie Mendoza scored 16 and Clayton Harrison 12 for Ernie & Annie's, now 0-2 in league play. Ragan had built up a comfortable 52-25 lead at halftime.

Madison Bowling Club had no difficulty in winning over Schlitz Beer in the second contest, 88-61, after racing to a 55-26 halftime advantage.

Charles Johannigmeier scored 15 points and George Dillard added 14 to the MBC total. Don Williams of Schlitz took game scoring honors with 23 markers and Rich Kacera scored 17 more for Schlitz, which got into foul trouble and finished the game with only four players.

Venice Clips Wood River For Fifth GSC Victory

Venice grade school continued unbeaten in the Grade School basketball conference Tuesday afternoon with a 44-34 eighth grade victory over Wood River on the losers' court.

Now 5-0 in the conference and 10-1 overall, Venice will play Southwestern of Medora in Venice Friday at 6:30 p.m. Southwestern also is unbeaten in conference play.

Tuesday's winners ran up a 22-3 first quarter lead and coasted home behind Rich Essington's 22 points. Wood River won the preliminary seventh grade game, 37-30, with Russell Turner scoring 12 points for Venice.

Schlitz Vs. Millstadt; MBC Rolls Cahokia Bowl

Averaging an even 1000 pins per game after its record-shattering performance last week, first-place Fairmont Bowl will roll against Shop City Bowl of East St. Louis in the feature match of Saturday's Southwestern Illinois BPA Classic league at Centreville's Touchette Lanes.

Actions will begin at 7:30 p.m., with two Quad-City entries seeking to make up ground lost last week. Sixth-place Granite City Bowland Schlitz (18-21), which was overpowered by Fairmont's 1126-1071-1196-3393 last week, is matched with Millstadt Bowl (24-15).

Madison Bowling Club (8-31) has a chance to gain on Cahokia Bowl (13-26) when the two tailenders meet.

Adams Gordon Realty (20-19), the host team, will bowl against second-place (25-14) Falstaff Beer of Alton Bowl Haven to round out the evening.

Fairmont, with a 29-10 record, is four games up on the Falstaffs. Pepper Touchette, who hit a 712 series last week, upped his league-leading average to 211 pins.

Sewing Classroom School Roof Leaks Repaired

Continuing to equip new facilities at Coolidge junior high school, the Granite City school board Tuesday night accepted a $761 bid from Howard-Arnold-Newbanks, St. Louis, on providing two clothing cabinets for the new Coolidge sewing room.

The same firm will supply a storage cabinet for the Central junior high school home economics department for $237.

Bids on a five-shelf magazine rack for the Prather junior high library were deferred to determine whether a wrought iron rack would be cheaper than the $140 low bid on maple shelving. Possibility of the school maintenance staff constructing a magazine rack also was discussed.

The sewing and home economics room at Coolidge is one of four additions constructed there. Nine classrooms have been added, the cafeteria has been expanded and an athletic multi-purpose room has been built. All of the rooms are to be ready by the end of this month, some already being in use, and full usage is planned for the start of the next semester in late January.

Spare Backboard

A low bid of $159 from Graham's Book Store was accepted on a glass basketball backboard. It will serve as a replacement for those currently in use at the Granite City high school gymnasium, for use in the event that one is damaged.

Also accepted was a $465 low bid from General Contracting Co. on cutting seven ventilation and access holes in concrete foundations of Niedringhaus grade school and Coolidge junior high school. In basement crawlspace at Niedringhaus, it is planned to seek an apparent water leak.

Bookstore supplies totaling $1683 were purchased for resale in the GCHS bookstore. Included were $1424 from Buxton-Skinner Co., $225 from Graham's and $32 from Blackwell Wielandy Co.

Compare Quality Factor

It was decided to purchase school letters and insignia amounting to $695 — $516 from Economy Sporting Goods and $179 from Graham's — on the basis of a one-year supply. Comparative bids also had been obtained on an estimated three-year supply to determine whether there would be major savings from buying in larger quantities.

Friedrich Heating & Air Conditioning was authorized to install a refrigeration unit to serve two GCHS cafeteria water coolers for $250, and Douglas Sheet Metal Co. of Madison was chosen on its $160 low bid to alter downspouts at the GCHS gymnasium building.

A portable electric saw was bought from Tools & Supplies, Inc., St. Louis, for $125 to replace a lighter model which has worn out. The saw is used by school carpenters.

The board voted to purchase map rails costing $93 from Golterman & Sabo, St. Louis. They will be used at Prather junior high and the Washington and Mitchell grade schools.

New Boiler Controls

Authorization was given to exchange boiler combustion control units for new units at a cost of $75 each as any beyond eight years of age break down and require repairs exceeding $30. New units cost $300, and those over 10 years old have no trade-in value. Hester-Bradley Co., St. Louis, is the supplier.

Proposed brickwork at Coolidge junior high school was postponed until next summer, when it will be included with other brick improvements planned at that time. No action was taken on a lone bid of $350. The work had been intended to ease pressure on a door frame, but the wall expansion condition is not expected to become acute again until warm weather.

Bids on window shades and electrical supplies were opened and referred to the administrative staff for recommendations at the Jan. 8 meeting. A Jan. 1 bond payment was authorized.

Roofs Discussed

School Engineer Marvin Dean reported that there are no known leaks in school roofs at present. Leaks at Wilson, Niedringhaus, Stallings, Maryville and GCHS have been repaired in recent weeks.

Board Member Homer Huber urged continued attention to the GCHS band room, which has been plagued with water during rains.

In reviewing bills submitted for approval, electric costs at the Prather, Maryville, Wilson and Lake buildings were noted and Huber asked that study be given to the feasibility of altering room electric controls. He criticized original design of the lighting, saying that classroom lights work together even though in some cases extra light is needed in only part of a room.

Payments approved totaled $28,222 in the educational fund, $14,166 in the building fund, $195 in the new construction fund, $14,166 in the building fund, $195 in the new construction fund, $13,366 in the transportation fund, $14,640 in the bond and interest fund and $33,993 in the cafeteria fund.

7 Industrial Management Courses Slated At GCHS

Seven industrial management courses will be offered by Southern Illinois University at Granite City beginning Jan. 14 and ending the week of March 18.

To be taught at Granite City high school, class sessions will be held from 7 to 10 p.m. on specified days during the 10-week period.

Registration will take place at Granite City senior high school between the hours of 8 a.m. and 4 p.m. and 7 and 8:30 p.m. on Jan. 2 and 3.

No previous college education is necessary, and courses are tailored to meet the practical problems of management and the needs of the students.

The courses and evenings of meeting are: Effective Management—Mondays; Industrial Report Writing—Mondays; Practical Psychology for Supervisors I—Tuesdays; Effective Speaking for Supervisors I—Wednesdays; Motion Analysis and Time Study—Wednesdays; The Supervisor and His Job—Thursdays; and Illinois Labor Law—Thursdays.

Similar programs are offered by the university in Alton and East St. Louis.

Additional information about fees and content of the courses may be secured from E. R. Casstevens, supervisor, Industrial and Technical Programs, SIU, Edwardsville.

Awards To Scoutmasters During Dinner Meeting

National program awards for the past year were presented at a Uniwah Boy Scout district troop leaders' roundtable meeting at First Assembly of God Church Tuesday evening to Henry Hellrich, Troop 18; Alex Kary, Troop 17; Lewis Laboray, Troop Three; and Ray Gaudette, Troop Seven. Hellich also was presented a training award by Scoutmaster Charles Rodell of Troop 15.

A covered dish supper preceded the meeting and the wives of the leaders were guests. The opening ceremony was led by Field Director Clayton Breihan, who led group singing. A gift exchange was led by host Scoutmaster Ted Scrum.

A film, "Men Who Make the Difference," was shown to the group by District Scout Executive Dan Brown. It was announced that the following troops of Uniwah already have met their new scout recruiting goals for 1963: Troops Three, Seven, Eight, 12, 16, 47, 95 and 96.

It takes 20 months to grow a pineapple, only 15 minutes to pack it into a can.

Venice School Band And Vocal Program Sunday

The Venice school band will sponsor a Christmas program at 3 p.m. Sunday in the high school gymnasium, with proceeds to go into the band fund.

In addition to performances by the band, the program will include tableaus by kindergarten and EMH classes and students of the first three grades, vocal ensembles, solos and other numbers.

The band will be under the direction of Irving Ballard. Miss Morene Groshong will serve as narrator, and Mrs. Barbara Williams will be accompanist. Students will also have speaking parts.

Admission to the program is 50 cents for adults and 25 cents for students. Tickets are available from any band member or may be secured at the door.

Only 6% of the world's people live in the U.S., but they eat 29% of the world's meat.

New Year's Eve Dances Planned At Local YMCA

Two New Year's Eve parties are being planned by the local YMCA for the younger set of the Quad-Cities.

Each will feature a modern dance band from 9 p.m. to 1 a.m., buffet supper and novelties.

Teen Town will sponsor one of the dances. It will be open to all teenagers, both members and non-members at $3 per person. Adult supervisors and chaperones will be present.

Parents who have children attending will be admitted free. Such parents may, if they choose, assist in the supervisory duties.

Dance Trophy

The teen dance will feature a rock and roll band. There will be a dance trophy and a cash prize awarded at a jitterbug contest to be held during the intermission. There also will be an attendance prize.

Interested persons may call Mrs. Marie Spengler at the YMCA Teen Town office, TR 6-7200, for further information.

The second dance will be for young adults. It will be open to the public.

Further information may be obtained by calling YMCA dance instructor Brian Bronsman at TR 7-5285.

It will not be necessary to come in couples to either dance, Mrs. Spengler said.

There will be plenty of dancing partners for those who come stag, she promised.

One dance will be held in the gymnasium and the other in the Teen Town lobby. The anticipated attendance will determine the location of each.

Mystery Bunny Claimed But Other Still Lost

The "mystery bunny" found Dec. 1 by Kerry Pomeroy, 14, of 2021 Manley avenue, has been claimed, it was learned today. The boy found the large white rabbit bouncing along in the shrubbery and took care of it while an attempt was made to find the owner.

It was learned that James Walker, 14, of 2138 Lynch avenue had lost "Cotton Candy," a large white rabbit, a few days before. It was believed at first that the missing rabbit had been found. Such was not the case.

"Cotton Candy," a very tame rabbit and the pet of neighborhood children, apparently was stolen, for the wire was found torn from her cage.

The Pomeroy boy turned the rabbit he found over to the Walker boy who intended to keep it only if the real owner did not show up.

When an account of the two rabbits appeared in the Press-Record last week, the owner of the mystery rabbit later appeared on the scene and claimed it.

The Walkers did not catch the name of the claimant who said the rabbit was his little girl's pet. She had had it since last Easter but it escaped when someone left the garage door open.

The Walker boy was happy to return the rabbit to its real owner but unhappy because his own rabbit was still missing.

Field Representative Addresses Legion Post

Ray Keller, Department of Illinois American Legion field representative, spoke Tuesday night at the regular meeting of Tri-Cities Post 113 of the American Legion.

He traced the history of the Legion's Americanism program, starting in 1919 with the fight against what was then known as Bolshevism and later changed to Communism.

Keller remarked that failure to display the American flag, particularly on holidays, is "very disturbing."

American Legion membership pins were presented to Joseph Gottfried, Edward Hommert, Harold Summers, Richard Blackwell, Fred McCollegan, Bert Harris, William Niepert, Guy Cooper, Hynie Fadian, John Metro and Harold Vinton.

County Farmers To Hear Talk On Swine Tonight

Dr. Joseph E. Burnside, Southern Illinois University professor of animal industries, will speak this evening at a meeting of Madison county farmers at Highland high school.

The meeting will start at 7:30, and Dr. Burnside will discuss swine nutrition and management under various production systems. It is one of a series of sessions arranged by R. D. Eller, Highland vocational agriculture teacher.

Accountants Meet For Dinner, Technical Session

Local members of the St. Louis Chapter of the National Association of Accountants attended a dinner meeting Tuesday in St. Louis. Val J. Flemming, president, honored 13 past presidents of the group.

The speaker was Donald W. Jennings, a partner in a Detroit, Mich., Certified Public Accountants firm. His topic was "Working with Professional Organizations (Facilitating the Audit)."

ELECTION DURING LODGE 786 CHRISTMAS PARTY

An election of officers, quarterly birthday observances and a Christmas exchange were held Tuesday evening at a regular meeting of members of Delray Rebekah Lodge 786.

The meeting was held at the Odd Fellows hall, and the dining room of the hall was appropriately decorated for the occasion. Mrs. Ruth Winter decorated the tables, using net Christmas trees. Pincushions of red and green which she made were at each place setting.

The committee for the event included Mrs. Althea Gray, Mrs. Alma Halderman, Mrs. Winter and Mrs. Ruth Hannebrink.

A gift exchange was held, with each lady opening her gift. Cookies and gelatin were prepared by a number of the members and served during the refreshment period.

Birthdays of Miss Margaret Brown, Mrs. Evelyn Shasteen, Mrs. Idell Gregory, Mrs. Ruby Wood, Mrs. Verna Willman, Mrs. Thelma Stockton and Mrs. Lillian Hoelscher, all occurring in the fall quarter, were observerd. Candy canes were presented to each of them.

An election of officers was held during the business period, with Virginia Gall, noble grand, presiding.

Those elected were Mrs. June Mowery, new noble grand; Mrs. Lucille Veach, vice-grand; Mrs. Evelyn Shasteen, recording secretary; Mrs. Ruth Hannebrink, financial secretary; Miss Margaret Brown, treasury; and trustees for the year, Mrs. Irene Miller, Mrs. Elsie Vance, Mrs. Thelma Stockton, Mrs. Katie Barks and Mrs. Belle Clemons. Mary Mortenson presented Mrs. Mowery with a three-link pin which represents friendship, love and truth. The pin is to be kept by the newly-elected noble grand for a period of time and she in turn will present the pin to a noble grand of another Rebekah lodge in this area. The pin is from the president of the state assembly.

Thirty-three members and two guests enjoyed the evening's observances.

GLEANERS CLASS CHRISTMAS PARTY

The Christmas party of the Gleaners Sunday school class of Temple Baptist Church was held Monday evening in the home of Mrs. Allie Wilmoth, 1536 Third street.

The meeting was opened with prayer and a devotional by Mrs. Rose McIntire. "From the Manger to the Cross."

The Christmas story was given by Mrs. Dorthula Taylor. At the conclusion of the business period, a social time was enjoyed, with a gift exchange conducted.

Those taking part were Mrs. Taylor and daughter, Terri Lynn, Mrs. Alma Whitt, Mrs. Elouise Bourland, Mrs. Mary Arnold, Mrs. Myrtle McIlvoy and Miss Marilyn Mundy, a guest for the evening.

Refreshments were served by the hostess prior to the adjournment. The regular monthly class meetings will resume in January.

It's Time to Bake Christmas Cookies and Cakes

Cookies are as much a part of the Christmas scene as the decorations on the tree. They are found in every nation around the world. Some are large, others are small . . . children love certain kinds . . . others you will want to bake for guests who drop in, or as small gifts for the neighbors. You'll find many cookie recipes in your favorite cook books.

Find Daughter Was Born With Tooth

Mr. and Mrs. LeRoy Bell, 3823 Nameoki road, have discovered what they thought was a "milk bubble" in the mouth of their newborn daughter is a tooth. The child, Linda Faye, was born Nov. 24 at St. Elibabeth Hospital.

Mrs. Bell said they watched the place in the baby's mouth, but never dreamed it was a tooth until they found it further developed. The Bells have another child, Michael, three.

St. Mary's Rallies To Defeat St. Boniface

St. Mary's of Madison rallied in the secnd half at Edwardsville last night to defeat host St. Boniface in a Chouteau Valley Parochial grade school conference basketball game, 46-40.

Behind by eight at half-time, St. Mary's caught up near the end of the third quarter. Top scorer was Steve Lengyel with 12 points. St. Mary's is undefeated in the conference with a perfect 4-0 record.

Don Hulka scored 13 points for St. Mary's "B" team, which won the preliminary game, 42-17.

St. Mary's will play St. Elizabeth of Granite City Wednesday at Madison junior high school. St. Elizabeth leads the CVC with a 5-0 mark.

Self-discipline is the main ingredient in character building.

Extra Parking Space At Madison Post Office

Extension of a driveway and provision of greater parking space for employees will make it easier for motorists to park on the Sixth street or Madison avenue sides of the Madison post office during the pre-Christmas period, Postmaster Harry R. Johnson said today.

Noting that the post office will be open all day Saturday, Johnson said drive-up mailboxes on both sides of Madison avenue will be emptied hourly between 8 a.m. and 6 p.m. today, Friday and Saturday.

$15,404 County Sales Taxes Paid

The Illinois Department of Revenue on Tuesday advised Miss Eulalia Hotz, county clerk, that Madison county will receive $15,404 in sales taxes for September.

Theodore J. Isaacs, director of the department, said all protest payments are being deducted due to the large number of court orders pending at present. The funds will be released in accordance with court decisions, he added.

The $15,404 is based on $16,046 collections, less 4% or $641 for administrative costs. The $16,046 gross figure included $16,007 retailers' occupation taxes and $38 service occupation taxes. The county derives a half-cent on each sales dollar.

Receipts for the first nine months of the year total $121,789, a monthly average of $13,532.

been maintained on a regular schedule, although bus servicing problems have been greater. He said revenue reports later may show more passengers during the frigid weather. Passenger loads normally are greater during the pre-Christmas shopping season anyway, he said.

Carl Mathias, Illinois Power Co. manager, said the cold has not interrupted gas and electrical service. Trouble calls received have been those which would normally be expected, he said. The company has sufficient gas supplies to withstand long periods of unseasonably cold weather without depletion, Mathias said.

Furnace Troubles

Furnace difficulties have kept local fire departments on the run this week — with clogged flues, blower motor troubles and overheating.

One alarm yesterday afternoon was in the Miracle Manor area where insulation on water pipes caught fire at the home of Gary Beal, 2209 Orville avenue, while an attempt was being made to thaw a frozen line. Firemen from the Nameoki road station said there was no damage.

Record consumption of natural gas yesterday was reported by Illinois Power Co. It was the coldest day of the year.

An attempt to thaw a frozen water pipe at the home of Peter Logan, 1127 Logan street, at 12:45 p.m. Tuesday led to a fire affecting a back corner of the two-story frame dwelling. Venice firemen fought the blaze, remaining at the scene until 2:10 p.m.

Damage to the building is expected to total at least several hundred dollars, and there was some interior damage due to water.

With the cold continuing today, Venice workmen were attempting to thaw a frozen fire hydrant at Broadway and McKinley street this morning.

cost per fire likely would be even lower.

Discuss Gas Franchise

The mayor also called attention to the possibility of a new gas franchise with the Illinois Power Co., proposed by the city. The present franchise has 38 years to run, but the company has agreed to provide additional free gas to the city in the amount of $33,000 for the contract period if a new 50-year franchise is drawn up.

The city obtains credit in the form of free gas in its public buildings as a consideration for the franchise. An additional $660 a year credit has been offered, Maeras said.

The matter is under consideration by the council. No action was taken on it.

had been made before yesterday.

Seek $600,000 Savings

The 15 local residents, who sought the injunction to save Quad - Cityans about $600,000, met Monday and decided to continue study of an appeal on the injunction denial.

They point out the levee district can proceed with the bond issue by calling a special election. However, levee district officials are of the opinion a bond issue election would not be successful.

Mayor Davis announnced last Saturday that the levee board was holding up the $100,000 for the Aubrey-St. Clair avenues sewer replacement until the appeal is withdrawn by Granite Cityans.

For Happy Holidays

Don't spoil your holiday season with an untimely traffic accident, the AAA, Auto Club, Illinois Division, warns.

December and January are two of the most hazardous months of the year for pedestrians. Streets are often wet or slippery, and auto windshields are often cloudy or covered by sleet or snow. Shoppers are loaded with packages which often obscure their vision as they cross the streets.

The Auto Club, therefore, urges motorists and pedestrians alike to be especially alert to avoid accidents, and to make this Christmas season a safe one. Both motorists and pedestrians are reminded to put safety on the top of their Christmas list.

Final Pay Offer
(Continued from Page 1.)

agreed upon in the executive session: "The board having taken into consideration the entire budget with all up-to-date revisions and amendments, and having considered availability of funds, going area pay, uncertainty of income due to assessed valuation and other aspects thereof, the board's negotiating committee is hereby instructed to proceed as directed, and that this is the final offer of the board."

The $22-$14 proposal was not specified in the motion so that it could be presented directly to the committee by the superintendent following the board meeting. Board members departed prior to the negotiations.

The motion was made by Dan Linder and seconded by Homer Huber, with favorable votes also cast by Spengler, Ralph Buske, Secretary George Stidham and Ralph Fricker. Monroe Worthen was not present.

Topics Considered

In the late evening talks, committee members asked whether the board was fully aware of the general feeling among teachers regarding salary needs, and the board's reasoning leading to its decision was described.

It was noted that Granite City Assessor Von Dee Cruse has announced plans to reduce property assessments next year, and that while continued federal "impact" aid to Granite City is anticipated, the actual financial assistance depends on Congressional action next year.

Salaries paid in the surrounding area also were discussed. No interest in extra pay after 25 years was reported.

Effort To Start Auto Ends In Hydrant Crash

A fire hydrant was broken off at Broadway and McKinley avenue, Venice, at 10:10 a.m. Wednesday when struck by the auto of Mrs. Barbara Chappell, 24, of 123 Granville street, Venice.

The auto had failed to start due to the cold weather and it was being pushed in an effort to start the engine. The brakes failed and she swerved to avoid another car. A skid followed, with bumper and fender on the right side of her auto striking the hydrant.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Mary Weese, 2162 Washington avenue; Leonard McGee, 2829 Birch avenue; Wanda Rogenski, 1103 McCambridge avenue, Madison; Michael Sulic, Venice Homes; Shirley Pollard, 1510 East 23rd street.

Two Youths, Girl Hurt In Accidents

Three persons, two youths in an auto and a pedestrian were injured in separate accidents in Granite City this week, according to reports by police.

Skid On Ice Injures Two

Two youths were injured about 10:15 p.m. Monday when their auto skidded out of control on icy pavement in the 2300 block of Waterman avenue and struck a tree.

Police said the driver was 16-year-old Haskell Pyatt, 1801 Ferguson aavenue, who was hospitalized with cuts to his face. A passenger, Howard Pyatt, 20, of the same address, was injured slightly, the officers said.

The driver was charged with operating a motor vehicle without a driver's license and was released on $16 bail.

An unidentified pedestrian was knocked down by an auto about 9 p.m. Monday but apparently suffered no injury.

John G. Garrett, 44, of 2833 Wayne avenue, told police he was driving south on Nameoki road near Pershing blvd. when a girl ran across the street from west to east, into the side of his auto.

Garrett said he offered to take the girl to the hospital but that a man who said he was her father appeared and said he would take her.

Garrett was to meet them at St. Elizabeth Hospital. The unidentified girl and her father failed to arrive, the motorist told police.

Public Aid Review May Reach Madison County

A proposed nationwide review of 21,000 cases of persons with dependent children receiving public aid, may reach Madison county.

Mrs. Margaret Hance, supervisor at, the Illinois Public Aid Commission in Edwardsville, said:

"I would presume so, but we have received nothing on it yet applying to the local level."

Federal and state investigators will begin a three-month check in January. It is expected that their findings will be made known by June.

According to Social Security Commissioner Robert M. Ball, the review will be conducted by 450 to 500 staff members of state welfare agencies who will be supervised by 60 federal workers. The probes will test the effectiveness of each state's regular investigation methods.

Mrs. Hance added:

"This is nothing new, really. Perhaps it's on a larger scale, but we are constantly being re-people."

$19,230,000 In Dividends Next Month For Ill. Vets

January insurance dividend payments to about 290,000 Illinois veterans will total more than $19,230,000, John B. Naser, Veterans Administration Regional Office Manager in Chicago said today.

A combined annual and special dividend to world war two veterans (National Service Life Insurance) will total $18,283,000. World war one veterans (U.S. Government Life Insurance) will receive $947,000 as their regular annual dividend.

The regular annual dividend payments are usually spread out through the year, being paid on the anniversary date of each policy, Naser explained.

However, the White House announced Nov. 22 that payments will be stepped up so that all will be completed during January. It may be as early as Jan. 15, VA estimates.

In addition, John S. Gleason Jr., administrator of Veterans Affairs, has announced that another special dividend, to be paid at about the same time to world war two veterans, will be possible this year.

A special dividend was paid NSLI policyholders in 1961. This special dividend is paid from a contingency reserve fund which will remain more than ample to meet the needs of the insurance program.

When some people pay compliments they expect a receipt.

YULE PARTY FOR BOARD OF JUNIOR SERVICE CLUB

Mrs. Evelyn Morris, president of the Granite City Junior Service club, entertained the club's executive board members in her home, No. 1 Terrace lane, Monday evening for a combined business meeting and annual Christmas party.

Mrs. Morris conducted the business meeting and announced it will be recommended that all proceeds derived from the Federation club's dinner dance in February be donated to the Jacksonville School for the Deaf in Jacksonville, Ill.

A report was given that two school children have been taken for eye examinations, with glasses purchased for them. Two more children were given shoes.

Mrs. Bernice Fitzpatrick reported that final plans have been completed for the Christmas party for all members of the club. The event will take place on Monday, Dec. 17, at Kemoll's in St. Louis.

Mrs. Margaret Kirchoff, co-chairman with Mrs. Jackie Spinks, reported on tentative plans for a spring style show, scheduled for April 16. The show will be held at Granite City high school. She also mentioned that local merchants are being contacted on the clothing they will provide for the show.

The president reminded the board of the present project, which is providing baskets of food, clothing and needed toilet articles for the elderly and those on pensions. The committee for this event is composed of Miss Juanita Beil, Mrs. Peggy Komadina and Miss Grayce Costello.

All members are to take their donated items to one of the committee member's home. Names of those who are to receive the baskets will be provided by the Protestant Welfare and Catholic Charities office.

Following the meeting, the hostess served refreshments to the board members present. Mesdames Ruth Knecht, Marabeth McConnell, Thelma Jacobsmeyer, JoAnn Romine, Jean Ann Vrenick, Mary Schaffner, Louise Kovar, Bernice Fitzpatrick, Margaret Kirchoff and Eva Burns and Miss Flora Mae Lensing.

WOMEN'S GROUP AT CHURCH CLOSES YEAR

The Nameoki United Presbyterian Women's Association held a regular meeting Monday evening at the Nameoki Presbyterian Church on Pontoon road.

Fourteen members and eight guests were present for a pot-luck dinner which preceded the business meeting.

Mrs. Alta Stewart, president opened the meeting by having Mrs. Fern Mitchell give the UPW purpose. She then extended a welcome to the guests and members present.

Mrs. Erma Taylor gave the devotions and read missionaries of the day, offering prayer in their behalf.

The program for the meeting, entitled "The Cradle, the Cross and the Crown," was given by three of the guests, Miss Connie Sigite, Miss Virginia Hoffman and Miss Loretta Cook. Mrs. Ann Fredling assisted with the program and provided organ music.

Department reports for the year 1962 were given. Also, announcement was made that the Evening circle will meet on Dec. 26 at the home of Mrs. Stewart, 2201 Lynch avenue.

Mrs. Gertrude Schnyder, past president, presented a gift to the retiring president, Mrs. Stewart, in recognition of her work and service to the organization during the past year.

The meeting was brought to a close with installation of new officers, who will take office in January.

Guests present were Mesdames Lois Adams, Gertrude Schnyder, Ellen Westerbeck, Martina Spotnold and Ellen Milner and Misses Sigite, Hoffman and Cook.

CIRCLE HAS CHRISTMAS PARTY AT BRINER HOME

Mrs. Louise Briner entertained the Every Member Busy circle in her home, 3041 Ash street, Monday evening.

The hostess, who is the chairman of the circle group, conducted the business meeting and announced that there will be no meetings in January.

This being a combined business meeting and Christmas party, the program was entitled "Christmas Is Sharing." Mrs. Irene Free presented the program with the assistance of Mrs. Bess Causey, who closed the program with prayer.

The refreshment committee, composed of Reba Jo Gunter and Mrs. Betty Weston, served a dessert luncheon to the above mentioned and Mesdames Lexie Viele, Ruth Hancock, Mildred Naney and Vivian Guika.

The next meeting will be held on Feb. 25 at the home of Miss Morene Groshong, 2240 Waterman avenue.

MITCHELL PTA TO MEET TONIGHT

The Mitchell grade school PTA will conduct a regular meeting tonight at 7:30 at the school.

The program will be given by a choral group singing traditional Christmas songs.

CHRISTMAS PARTY FOR METHODIST WOMEN

The Women's Society of Christian Service of the Nameoki Methodist Church held its Christmas party at the church on Sunday evening.

The program opened with Mrs. Pat Merz leading the congregation in singing Christmas songs, assisted by Mrs. Rose Young at the organ.

A play titled "The First Christmas" and narrated by Mrs. Ruth Hancock followed the singing. Joyce West and Roger Russell had the principal roles in the play, and Ralph Bailey constructed the manger scene.

Linda, Patty and Janet Young, accompanied by Mrs. Rose Young accompanied by Mrs. Rose Young, entertained the group by singing "It Came Upon The Midnight Clear."

Last event on the program was a reading given by Mrs. Marie Long entitled "Peace."

The program committee consisted of Mrs. Pat Merz, Ann Haley, Rose Young and Mary and Ralph Bailey.

Tall lighted candles placed around a miniature white tree created the central arrangement of the serving table. Mrs. Millwee poured coffee and Mrs. Mary Bailey served punch.

The next regular meeting will be held on Feb. 4 at the church.

MRS. ELLINGTON ENTERTAINS CLUB

Mrs. Maxine Ellington entertained the Lynn Avenue Coffee club in her home, 3139 Rodger avenue, Wednesday morning.

Coffee and rolls were served to Mesdames Sharon Littlejohn, Abbie Bartling, Frances Knobeloch and Betty Atkinson.

The next meeting will be with Mrs. Mary Fershman, 3107 Rodger avenue, where the members will have a gift exhange and Christmas party.

STORE EMPLOYEES ATTEND HOLIDAY PARTY

Employees of the F. W. Woolworth store were entertained Sunday evening by the manager and his wife, Mr. and Mrs. Lewi Lewright, at their home in Kirkwood, Mo.

Thirty-five guests were present and enjoyed a gift exchange prior to games. Gifts were presented to Lewright and his two assistants, Joe Bolser and Larry Morgan, by the group.

Games were played, and the prizes awarded were white elephant gifts brought by the guests, with the exception of two prizes awarded to Mrs. Dorothy Ritchie and Mrs. Lila Link. These prizes were a day off from work with pay.

The hosts had a large aluminum tree, decorated in Christmas colors of red and green, which was placed in a corner of the room. A winter scene surrounded it, with red candles placed on the mantle above the fireplace.

Holiday music was played throughout the activities. A buffet luncheon was served by the host to all present at the close of the evening.

LUTHERAN WOMEN'S LEAGUE YULE PARTY

The Women's League of Hope Lutheran Church enjoyed an annual Christmas party Tuesday evening, held at the church on Wabash avenue.

Mrs. John Azari, president, presented the program, entitled "Welfare Through Service." The business meeting followed, with 17 members present and Mrs. Azari presiding.

Anouncement was made that donations for Christmas will be given to the Lutheran Children's Welfare Society and Bethesda Home for Retarded Children. Gift boxes have been prepared and sent to members of the church who are serving in the armed forces, and to the Alton state hospital.

In preference to having a gift exchange, the members decided to donate the price of the gifts to a charitable organization, with the funds to be used for the needy.

A note of thanks was read from Mrs. Anna Beck for the gift donation sent to the Lutheran Youth Center in St. Louis by the Women's League.

Mrs. Oscar Moehle led the members in devotions which had been planned for the meeting.

Mrs. Carl Reiske, chairman of the hostess committee, and Mesdames Oscar Moehle, John Azari, Henry Wahrenburg, Arnold Kueker and Robert Turner, members of the committee, served refreshments following the meeting.

Decorations were in the holiday theme, with the serving table decorated in gold and green, with lighted candles placed appropiately. Two decorated trees graced each end of the table, and a large aluminum tree adorned one end of the room.

All members of the group participated in singing carols which reflected this season of the year.

The next regular meeting will be held at the church on Jan. 17.

CONVALESCING AT HOME

Michele Schmitt, three-year-daughter of Mr. and Mrs. William Schmitt, 1004 Niedringhaus avenue, is convalescing at home after a relapse from a respiratory illness. She recently spent five days at St. Elizabeth Hospital.

The doctor continues to advise that no children visit her for a while.

100 VIEW CHRISTMAS PLAY AT MISSION

A play entitled "Christmas in the Toy Shop" by W. A. Poovey was presented at 3 p.m. Sunday at the Lincoln Place Mission.

Those taking part were Jim Nelson as the toymaker, James Melton as his grandson, Cynthia Kaye Todoroff as a clown, and Kristina Christich, Elaine Todoroff, Jana Lynn Gruber, Beth Ann Dineff, Sharon Nelson and Richard Melton as dolls. Jack Petras and Helen Veloff represented Mary and Joseph.

Approximately 100 persons attended the performance, after which refreshments were served.

WASHINGTON CUB PACK COMMITTEE YULE PARTY

The home of Mr. and Mrs. Joe Biason, 2018 Bryan avenue, was the scene of a Christmas party and committee meeting of Cub Pack 19, sponsored by the Washington school PTA, Monday evening.

Cubmaster George Birdsong presided during the business session, at which time plans were completed for a Cub Scout Christmas party on Monday, Dec. 17.

The agenda for the Jan. 28 pack meeting was planned. After the completion of business, gifts were exchanged by those present.

Refreshments were served to Mesdames Vivian Cundiff, Betty Hoots, Jewel Weaver and Jewel Lyle, Victor Keeton and Mr. and Mrs. George Birdsong.

Missouri High Court To Study SICL Case

Members of the Southern Illinois Citizens League, including over 400 in the Quad-Cities area, are hopeful the Missouri Supreme Court will give a favorable ruling for them in the legality of the collection of St. Louis earning taxes from Illinois residents working there.

It was announced this week that the entire Missouri Supreme Court will reconsider the legality of the collection which has been challenged by SICL. The league members have been discussing the possibility of taking the issue to the U. S. Supreme Court.

The members have been making contributions toward the court battle and began considering the U. S. Supreme court when a decision of a St. Louis circuit court upheld the earnings tax ordinance, and the ruling was reaffirmed last month by the Missouri Supreme Court Division Two.

This week, however, Division One of the Missouri Supreme Court, reached a decision that the entire Missouri Supreme Court should review the case.

The league contends the St. Louis earnings tax violates rights guaranteed by the U. S. Constitution, the Missouri courts found it to be constitutional. They sought an injunction to halt the collection of the tax—one per cent of wages.

Under Missouri state laws, the state's entire Supreme Court can take a case when a federal issue is involved or an opinion is not unanimous.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

MONDAY, DEC. 14, 1937

Vehicular and street car traffic in the Tri-Cities was slowed somewhat by last night's drizzling rain, which froze almost as soon as it fell and covered everything with a coat of ice.

* * * *

A stock truck containing 24 hogs skidded at the intersection of Highway 66 and Madison avenue, Nameoki, at 11 p.m. Sunday and overturned, freeing all the hogs. Nearby farmers had captured all but one of the hogs by noon today. The driver of the truck, Roy Turner of Winchester, Ill., was not injured.

* * * *

James P. Beck was elected president of the Granite City Democratic club at an organizational meeting last week. The club will be affiliate with state and county organizations.

Other officers are Fred Honerkamp, vice-president; Fred Johnson, secretary; Chris Benaix, treasurer; William Smith, sergeant-at-arms; Joe Klesh, parliamentarian; and Ed Thurston, chairman of the entertainment and membership committee.

* * * *

A. Austin Lewis, Madison, assistant county state's attorney, was elected president of the Cahokia Mound Council of Boy Scouts at the annual meeting Thursday at the Masonic Temple. E. W. Hoeb of Madison and F. H. Alexander of Granite City are the new vice-presidents.

* * * *

Masonic Lodge 877 held its annual election of officers at the temple Saturday night. Those elected were Clemens W. Clemens, worshipful master; Louis Schmidt, senior warden; George Gergeceff, junior warden; Chris Hjelm, treasurer; and George Malottki, secretary.

* * * *

Mrs. Warren Stubbs, 2032 Edison avenue, has made an outright gift of a 60-foot lot on the northwest corner of 25th street and Madison avenue to be used for a parsonage site for the Third Baptist Church. The church recently purchased a site at the corner of 26th street and Grand avenue for the location of a church building.

* * * *

Dr. and Mrs. T. L. Hanson of Edison avenue entertained Mr. and Mrs. A. E. Thompson of East St. Louis, Mr. and Mrs. Luke Owens and Mrs. Lynn Stegelmeyer Sunday as dinner guests.

* * * *

Carlee Habelcost, son of Mr. and Mrs. Charles Habelcost, has returned from an extended trip through South America which took him over approximately 21,000 miles in four months.

* * * *

Rev. and Mrs. George Wright and family of Venice had as their guests last week Rev. Wright's grandmother, Mrs. Lizzie Wright of Herrin, Ill., and his mother, Mrs. Mallie Wright of St. Louis.

Mary Baczewski, a seventh grade student at Louis Baer school, has been awarded first place in the Southwestern Illinois Division, comprising six counties, in an essay and poster contest sponsored by the Illinois Education Association.

* * * *

Miss Audrey Wolfe of Robin street, Venice, will sail soon from Vancouver, Canada, for Australia to spend four years with her aunt and uncle in Brisbane. She will leave for Canada Thursday.

* * * *

Alvin Leibold returned last week from Union, Mo., where he visited his uncle and aunt, Mr. and Mrs. John Groves.

* * * *

Mrs O. W. Reitz of Mitchell has had as her house guest her mother, Mrs. Spinks of Mount Sterling, Ill.

* * * *

Mrs. Albert Beswick of Mitchell entertained 16 ladies of the Arts and Crafts class in her home Thursday afternoon. Mrs. Clara Keith gave the lesson on cereals. The women knitted and made Christmas tree decorations.

* * * *

Clyde Nelson, former Granite City high school football star, was selected by a poll conducted by the University of Missouri student newspaper and other conference papers for an end position on the second all-star eleven.

* * * *

Royal Arch Masons of Granite City have elected Attorney J. C. Steele to serve as high priest next term. He succeeds William Westlake. Other officers are Paul Pender, king; E. J. Paulett, scribe; John Westlake, secretary; and A. W. Hiscott, treasurer.

* * * *

Dr. and Mrs. W. K. Sisk entertained as their guests at the parsonage of the Third Baptist Church Sunday Mr. and Mrs. H. E. Douglas and son, Derold, and Mr. and Mrs. John Wood and daughter, Helen May, all of Anna, Ill.

* * * *

Mr. and Mrs. C. F. Campbell of St. Louis spent yesterday with E. E. Campbell, a brother, at the new home of the latter at 27th street and Cleveland blvd. The visitor is a deputy internal revenue collector in St. Louis.

* * * *

RAILROADS SEEKING GOVERNMENT SUBSIDY

To the Editor:

In regard to Mr. Joe Keuenhoff's letter (Dec. 6 issue), I go along with him. I just wonder how much money the government spent on the railroads during world war I. That's exactly what the railroad companies want now.

They cry, "We're broke." They cannot make it, and yet we see in the St. Louis papers where they are going to spend millions for improvements.

They want to lay off more men, pull off more passenger trains and raise fares. But they will not improve their service to the public. If the railroads would get rid of these high-paid officials, may be they could find out where the money is going.

It's not socialism. It's what I call plain Communism.

MANY PARENTS MISSING HELPFUL PTA PROGRAMS

To the Editor:

Our Area PTA Council offered a lecture which shamefully few parents took time to hear. Dr. Finch said sex education was once an avoided subject, but today sex is thrown at our youngsters at every turn. We cannot continue to close our eyes to unwed mothers, forced marriages, and vice raids.

This is one problem we cannot wait for someone else to solve. Schools and churches can only go so far. We, the parents, lay the foundation of the lives our children lead. We owe them more than food, clothing and shelter.

We need to teach them morals, and that fulfillment is for married adults, emotionally mature enough to meet the responsibilities. Marriage is an institution planned by God, not a man-made device for self-satisfaction and not entered on a trial ba is as so many are, this being borne out by the rising divorce rate.

These teachings do not begin at 13, 14 or later, but from the time they are born. Our actions and reactions to situations are more important than veiled threats. In sports, at least, the rules and penalties are realized by all.

To keep our children popular, we allow them to do "what everyone else is doing." After well-chaperoned activities, our popular children leave for house parties, night clubs or secluded spots. Then we sit smugly back and say, "This cant' happen. We trust them. We send them to church, and they should know better."

When we refuse to answer questions. We tell them they are too young to understand. Well, a grade school pupil's parents would be surprised at the amount of wrong, sordid information their child's mind has been fed.

We are presented free programs to help us help our children in the right manner, but we are too busy to attend. The PTA is you, the parent. Your voice and opinion are needed.

UF Directors To Decide On 1963 Allocations

A quarterly meeting of the United Fund board of Directors has been set for Thursday, Dec. 27, at which time the main order of business will be consideration of agency allotments for 1963.

It may be necessary to reduce allotments since the United Fund campaign still is $8904 short of its $299,231 goal.

Receipts and pledges now total $290,327 or 97% of the goal.

Even though the campaign goal has not been raised this year, the United Fund has, nevertheless, topped the 1961 campaign by about $10,000.

Last year's campaign ran $18,000 short of the goal and it was necessary to reduce the agency allotments by about $7000. The remaining $11,000 was made up by depleting the contingency reserve.

Zoning Adoption In January Could Lead To Second $25 Million For SIU

That favorable county zoning action is imperative during January is indicated by the request for a second $25 million in capital funds for the new state university campus.

The request will go to the state legislature, which will convene in January. The General Assembly hardly can be expected to vote new construction funds as long as a start has not been made on using the original state bond issue allocation. And initial Southwestern Illinois University building contracts are being delayed by lack of zoning controls.

With these facts in mind, the County Zoning Commission is speeding its work so that final recommendations can be submitted early next month. The County Board of Supervisors then will be in a position to enact zoning at its January meeting. The university immediately would call for bids, enabling construction contracts to be awarded in February—still within the best season for obtaining lowest possible bids, and still early enough that the new campus can be opened to students on schedule, in September 1964.

With dirt being moved, concrete being poured and bricks being laid at the site during the coming spring, there would be tangible evidence for state legislators that the bond funds are being put to good use. Thus, before their June adjournment, they would be justified in increasing the capital outlay to the same $50 million level provided for the Chicago campus of the University of Illinois.

The potential enrollment is known to exist here, and university officials recognize the need. They point out that instead of the anticipated 5000 students, there will be more than 10,000 wanting to enroll by 1965.

There is an excellent chance of approval at Springfield. But a vital cog in the timetable is January adoption of zoning by the Madison County Board.

Home Displays Provide Warm Christmas Glow In Local Area

Exterior home decorations and displays add much to the local observance of Christmas, creating a warm and festive glow of light and color in nearly every neighborhood and block.

Once again this year, Jaycees and Madison Rotarians will present cash awards for the most outstanding holiday displays, but an even greater reward will be the joy brought to children and adults who view their neighbors' homes or make Christmas auto tours of the Quad-Cities.

Bitter Harvest From Failure To Approve Pollution Abatement

"In case anyone may feel that an order for you to halt river pollution is a good thing, let me dispel this idea," the chief state sanitary engineer said in Granite City this fall. With voters failing to approve necessary remedial action, the Sanitary Water Board now has reluctantly issued the order.

Engineer Klassen's clear warning noted that "if an order is issued, it permits the governing body of the municipality or a sanitary district to issue non-referendum bonds. However, when a municipality or district waits to be ordered, a citation is sent to federal lending agencies . . . requesting them to not give any commitment that would be in violation of the order."

Thus, not only is the state unavoidably blocking local growth, but the federal government will begin exercising its vast powers. Prospects for state and federal aid meanwhile are steadily declining.

These are not the only problems. Pollution within Granite City still menaces health and property. The treatment method to be used will result in a huge and mostly unnecessary expenditure. And the city fathers have seen fit to throw out previous engineering progress in favor of one or the other of two firms located far from Granite City. Local engineers' familiarity with the sewer system and sewage treatment needs will be wasted, with many of the benefits from a $120,000 engineering study ruthlessly discarded—another sad commentary on those aldermen whose insincerity and divisive efforts this summer and fall showed they are not worthy of public confidence.

"Whatsoever a man soweth, that shall he also reap." How long will the bitter harvest continue?

A broken toe is nature's way of emphasizing the importance of the foot.

Release Of Hodge Is Consistent With Modern Penal System Code

Now that Gov. Otto Kerner has granted executive clemency to Orville E. Hodge of Granite City, former state auditor, there should be favorable consideration of Hodge's plea for release from prison when he appears before the Illinois Board of Pardons and Paroles in January.

There is no question about the gravity of the crime committed by the one-time highly popular Granite Cityan; he stole over a million dollars at a time when he was in a top position of public trust. We hold no brief for that whatever; it was a terrible thing to do.

But there is a question relating to crime and punishment that now fits the Hodge case. It is simply this: Do we continue to support him in prison for the rest of his natural life, or has he expiated his crime sufficiently and has he been rehabilitated in the light of the normal processes of present-day penal systems? We think he has.

It is interesting to note that as long as two years ago Warden Ross Randolph of Menard prison described Hodge as a "political prisoner" and said continuing to hold him—a model prisoner—was creating special problems with the other inmates. What is the sense, they asked, in trying for good behavior if it means nothing?

It has been repeatedly pointed out by prison officials, including the chaplain, that Hodge, lately a sick man, puts in a 16-hour day, seven days a week, helping other inmates, teaching classes, caring for mental patients, assisting at church services, conducting radio broadcasts. He has made restitution to the state for the money stolen, and has now been in prison for six years and four months.

This suggestion that Hodge be released is not based on maudlin sympathy. In the opinion of prison officials, further confinement would be contrary to the basic concepts of an enlightened penal system; for the taxpayers of Illinois, it would be more expense.

There are some who are still bitter about the Hodge case, but there are many more in his home town who feel he has been punished enough and would like to see him freed.

Economical Operation A Necessity For New Village Of Pontoon Beach

The new village of Pontoon Beach comes into being with the severe financial handicap cited before the incorporation vote, but there are at least two major points in its favor—widespread recognition that only limited services can be provided, and extensive public support for the attempt to make a go of it.

It is unfortunate that there was a false but prevalent fear that annexation by Granite City could not otherwise be avoided. It is even more unfortunate that Granite City governmental actions had made the thought of being annexed so distasteful. As a consequence of inability or lack of desire to create a favorable impression, this city now is faced with another potential restriction on its eastward growth, as was the case with Nameoki until the merger in 1949.

The margin of only 13 votes in a turnout of 235 indicates substantial interest in remaining unincorporated, but the majority decision stands and those who are chosen as village officials will get an opportunity to make good on the economy and efficiency pledges made by incorporation advocates. Due to the lack of industrial assessment, a tight rein on spending will be a necessity.

With all residents living within a few homes or a few blocks of each other, Pontoon Beach citizens can look forward to a fully local and representative municipal government — responsive to home owners' needs and wishes to the extent of available funds.

Congress Could Solve Business Expense Furor By Giving Flat Deduction

There is a lot of furor these days among business firms over the Internal Revenue Service crackdown on expense deductions starting Jan. 1. For many it will mean not only loss of deductions that previously had been taken, some of which certainly were dubious, but it also will mean much more work in the accounting department.

It is this last point that we are directing our attention to. Business already is doing a substantial amount of costly record-keeping for Uncle Sam, and to pile on more adds insult to injury. This is particularly true of small businesses, where accounting procedures are still performed manually.

So we have a suggestion to make to Congress and the IRS.

Why not allow business a fractional percentage of its gross volume—or profit—as a flat deduction? This has been done for years with individuals; every taxpayer, whether he has earned it or not, gets $1000 a year off his return.

If business could be treated on some proportionate basis, then the trifling, headache expense items could be eliminated from record-keeping; the large items, of course, would be listed as usual, as well as anything in excess of the flat yearly deduction.

Why not?

VIRUS PNEUMONIA SIEGE EXPECTED

With Old Man Winter officially just a few days away — and the common cold expected to reach its usual peak levels in the next few months — look for another siege of virus pneumonia to sweep the country.

Though virus pneumonia can afflict anyone at any age, it is particularly dangerous to elderly patients and persons with heart disease, for the prolonged debility accompanying it places an added strain on the heart.

And, while it does not carry a high death rate (99 per cent of all patients recover), the recovery rate is extremely long. Weeks or even months of lassitude may be expected.

What is virus pneumonia? It is a communicable, systemic disease, caused by any one of 40 suspected viruses, which frequently manifests itself in the lungs.

Begins As Cold

Whereas bacterial pneumonia usually develops quite suddenly and dramatically, virus pneumonia develops gradually, even insidiously, in the person who has had a simple cold for four or five days.

It usually begins with the common symptoms of a cold. The patient may experience nasal congestion, mild sore throat and general debility, followed by a generalized sensation of chilliness, a low-grade fever and a severe distressing headache.

These may be accompanied by a marked loss of appetite and, within a few days, a dry, hacking cough. The cough, often worse at night, remains dry and tight for several days. Finally, a thin, watery sputum, which may be streaked with blood, is produced.

Long Loss Of Energy

Virus pneumonia appears to be self-limited, running a course of from 10 to 14 days, but convalescence is accompanied by days or weeks of continued poor appetite, marked loss of energy and extreme fatigue.

As yet, there is no specific treatment against the virus, but a few of the newer antibiotics may be given for the purpose of protecting the patient from bacterial invasion and further complications.

Also, there are no known methods, vaccines or immunizing agents which we might take to prevent virus pneumonia.

But if a cold persists, or if a cough becomes distressing with accompanying chills and fever, medical help should be sought immediately.

Evidence suggests that the best way to prevent virus pneumonia from developing is for the victim of the common cold to stay in bed and get plenty of rest.

Bigger Judicial Vote Under New Procedure

(The following information assembled by the Madison County Committee for Modern Courts takes on added interest with approval by Illinois voters of the new judicial system, which will go into effect in January 1964.)

Under the new Illinois court system, the people's right to choose their judges will not be destroyed, but preserved. As a point of fact, larger voting turnouts than in the past are a certainty.

Selection of judges will remain the same, with nominations by party conventions and election by vote of the people.

But election of circuit judges will be changed from the first Monday in June to the regular November general election day, when there is much heavier voting.

Washday Voting

Falling on the traditional "wash day," the June election has been somewhat of a "washout." It occurred as school and other vacation periods began, and was limited to judicial offices, with little party or voter interest, few big issues and few funds for election workers.

Only 24,890 Madison county voters cast ballots in the last circuit judge election.

Only 358 voted in the last supreme court election, which was not contested, and only 20,876 in the last contested supreme court election. In contrast, 60,000 to 100,000 go to the polls in November.

Elect Appellate Judges

Popular election will be extended for the first time to the entire appellate level of judges. These judges currently are appointed by the Illinois Supreme Court to decide appeals in districts where they do not reside.

Under the new system, appellate judges will be elected and will decide appeals in districts where they reside and are familiar with the area's problems.

While the argument was advanced that the new system would destroy the people's right to select their judges, it was diminished by the existence of coalitions and non-contested elections under the old system.

Contests A Rarity

In the 1957 circuit elections, there was a real contest for all of the judgeships to be filled in only three out of 20 circuits. In two circuits there was no contest for a third of the judgeships, and in eight circuits there was no contest for two-thirds. In one, there was no contest for three-fourths, and in six circuits there was no contest at all.

Thus, 17 out of the 20 circuits did not fully exercise their right to elect their judges. And, uniformly, the incumbent candidates were returned to office.

In the 1960 supreme court elections, there was no contest in three out of five districts. In each of the three, the incumbent was returned.

Party Coalitions

In some cases, the non-contest took the form of total or partial default by one political party. In some instances, both parties nominated the same candidates, in coalition. In Chicago, judges often are chosen from coalition slates.

It is clear that the electoral system defended by foes of judicial reform has been substantially ignored or not exercised in recent years.

Also, it is clear that there already is a kind of tenure system, with results either satisfactory to the people or beyond their ability to change. But this type of tenure system is dependent largely on the vargaries of area party populations and the vissisitudes of the political process.

The arguments against tenure were arguments for an electoral right which had become an illusion.

Run On Records

Under the new system, judges once elected will be given a reasonable tenure at the ends of their terms, they will run, not against opponents, but on their records.

If they are approved, they will have another term. If they are not, a vacancy will occur, filled by the regular convention nomination and popular election.

Those pleased with approval of the judicial amendment to the state constitution cite these additional points:

Rule On Facts, Laws

1. Judges are not policy-making officials. They do not make the law. They do not and should not, in their decisions, reflect any political party policy on such issues as come before legislators who make policy or executives who carry it out.

2. Judges decide questions of fact and law, in which—with rare exception—their political parties have little interest, knowledge or opinion, and on which high-minded political leaders would not even approach them. Thus, for judicial office, unlike public policy offices, tenure is appropriate.

3. Tenure permits judges to resist more fully pressures of all sorts—from friends; political allies and supporters; popular trends, sentiments, appeals, bias, prejudice, hysteria and hate; feelings regarding former associates or opponents among lawyers; Judges decide questions by judges themselves; special interest groups; newspaper articles and editorials; and other public or private opinion.

Group Being Formed For Widowed, Divorced

A new branch of Parents Without Partners, whose members stress that it is not a "lonely hearts club," is being organized in the Caseyville area and is open to members from the Quad-City area. Anthony Arico of the Caseyville group has announced.

Goal of the national organization is to help single parents—including those widowed, separated or divorced — and their children to adjust to their new status. It is chartered as a non-profit, non-sectarian educational group. Information on membership is available at DI 4-4677.

"From the divorce or separation which divides a family, or the loss of a parent by death, it is the child who suffers most," the PWP constitution asserts, adding that the parents have a responsibility to provide such youngsters "the utmost in love, understanding and sound guidance" so that they can have "the same prospects for normal adulthood as children who mature with their two parents together." The group is designed to aid in achieving this goal "through working together, through the exchange of ideas, and through the mutual understanding, help and companionship which we find with one another."

Small Blaze In Mattress Causes Little Damage

Children playing with matches were blamed for a small fire in a mattress at the Kenneth West home, 2520 Nameoki road, about 5:15 p.m. Monday.

Firemen said the blaze was out when they arrived and there was little damage.

November Locks Figures Establish New Records

For the eighth consecutive month the freight passing through Chain of Rocks Lock, No. 27 totaled more than 2,500,000 tons. The U. S. Army Corps of Engineers today reported that 2,627,920 tons shipped through in November.

It increased the tonnage for the year to 26,599,036 tons or almost 4,000,000 tons more than during the same period last year.

A breakdown of the November tonnage is as follows:

Upbound—Petroleum products 626,650; grain 5900; cement, sand and gravel 9900; coal 250,625; sulphur 33,050; miscellaneous commodities 258,795; iron and steel products 18,600; and chemicals 103,770. Total 1,307,290.

Downbound—Petroleum products 94,000; grain 1,079,305; cement, sand and gravel 2200; coal 0; sulphur 0; miscellaneous commodities 62,075; iron and steel products 62,850; and chemicals 19,400. Total 1,319,830 tons.

Commercial freight totaled 2,627,120 tons and government freight 800 tons.

Total vessels passing through in November amounted to 4549, increasing the total for the year to 42,442 or 5991 more than in the same period last year.

Vessels included 725 commercial towboats, no small craft, two passenger vessels, 3634 commercial barges, 77 U. S. contractor vessels, 37 private recreation boats, seven U. S. towboats, 59 U. S. barges, two government small craft, two construction boats, and four patrol boats.

There were 697 lockages in November, to boost the year's total to 8623 or 596 more than in the same period last year and 86 more than in October this year.

The November freight tonnage was 544,350 tons greater than in November 1961. Vessels in November exceeded by 1415 the November 1961 figure.

Cold Wave Furnace Troubles—Fire Alarms

This week's cold snap resulted in several alarm runs for the Granite City fire department as residents had furnace troubles.

A short circuit in the furnace blower motor caused $25 damage at the home of Otto Hansel, 2458 Sheridan avenue, Monday.

A gas leak in a space heater at the home of Robert Moore, 3009 Ramona drive, caused no fire or damage. Firemen shut off the gas Monday evening.

About 10:10 p.m. Monday firemen were called to the home of Benny Johannpeter, 2835 East 28th street, where the flue was clogged. There was no damage.

At 7 a.m. Tuesday the furnace blower motor caught fire at the home of Sondra Jones, 2200 Wilson avenue. Damage was estimated at $30.

Yule Concert To Be Given By Vocal Music Students

Over 300 vocal music department students at Granite City senior high school will present a Christmas concert at 8 p.m. Tuesday, Dec. 18, in the high school auditorium under the direction of Warren G. Simpkins.

Principal work on the program will be the festive cantata, "Christmas is Coming," by Siegmeister and Wheeler. The hour-long concert is open to the public free of charge.

The cantata portrays the customs, traditions and story of Christmas through music associated with the holiday. Performed by the advanced mixed chorus, Cantando girls' glee club, boys' glee club and the Young Men of Song, it includes familiar traditional carols such as "Greensleeves," "Pat a Pan" and "Go Tell It on the Mountain."

Cantata narrator will be Steve Lelle, with piano and organ accompaniment by Linda Henley and Karen Brown.

Cantata soloists are Richard McKinney, Peggy Carmack, Connie O'Guin and Rosemary Whitten.

The cantata will be followed by numbers by the 95-voice girls' glee club, and two selections by the sophomore mixed chorus, with solos by Pat Pierce, Ray Talley, Gary Andrews and Bill Henley.

Two seasonal selections will be performed by the Cantando girls' glee club, followed by Leontovich's "Carol of the Bells" by the Carollers, a 15-voice ensemble.

Individual soloists on the Christmas program are Dee Snider, Richard McKinney, Rosemary Whitten and Toni Hunter.

Contemporary Christmas music is included in the final portion of the annual concert. "It's Beginning To Look Like Christmas" by Meredith Wilson and "Home for the Holidays" by Robert Allen will be included.

An audience participation carol sing will end the concert.

Firm Announces Plans To Award Scholarships

Senior students at local high schools are eligible to apply for nearly 400 four-year scholarships offered by General Motors Corp. at more than 200 colleges and universities, it was announced today. There is no restriction on course of study or career.

Stipends range from an honorary award of $200 to a maximum of $2000 per year, depending on demonstrated need. Participating colleges have full discretion in awarding the scholarships. Their scholarship committees review the applicants' high school academic records, available entrance test scores, participation in extra curricular activities and leadership traits.

Interested persons should write to the directors of admissions at any of the participating colleges, it was explained. Any secondary school senior or graduate who is a U.S. citizen is eligible for consideration. Initial awards are made to entering freshmen and are continued through the normal four undergraduate years for those with satisfactory records.

The participating institutions include 131 private and 76 public colleges and universities in 50 states, the District of Columbia and Puerto Rico.

Public Aid Down In State, Shows Increase In County

State public aid rolls fell in October for the seventh consecutive month but the Madison county portion showed an increase.

In Madison county, state assistance of $324,959 went to 7978 persons, compared to $313,723 paid to 7607 in September.

Four of the five categories showed increases, with old-age assistance in this county dropping to $86,494 for 1117 persons in October from $87,343 for 1120 in September.

Rises in aid were experienced in aid to dependent children, 4559 individuals and $167,484 (4528 and $162) 101 in September); blind assistance, 63 and $4806 (62 and $4701); disability assistance, 314 and $24,439 (310 and $24,107); and general assistance, 1925 and $41,736 (1587 and $35,465).

Statewide Decrease

Statewide, the public aid rolls declined by 4059 persons, the Illinois Public Aid Commission executive secretary, Harold O. Swank, reported this week.

The October public aid load totaled 425,385 recipients, contrasting with 429,444 in the previous month and 426,773 in October 1961. Swank reported assistance payments of $23,570,744 for October; $24,003,751 for September; and $23,739,665 for October 1961.

He said the figures include payments for burials; foster care of dependent children removed from unsuitable homes; and care for the medically indigent in Chicago and Cicero.

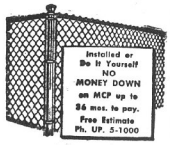

Reduction In General Aid

Chief cause of the drop in October was a decrease of 3896 persons in the general assistance program, bringing the number of recipients to 65,849, or 41% below the 112,196 figure of a year ago. The September 1962 load totaled 69,745. Of the 3896 reduction, 135 were transferred to one of the federally-aided programs.

Swank said general assistance averaged $51.93 a person; old-age assistance, $82.58 average for 65,086 persons; aid to dependent children, $43.95 average for 263,460; blind assistance, $91.06 average for 2857; and disability aid, $98 average for 27,463 people.

Along with the 3896 drop in the general assistance caseload, there were decreases of 409 in those receiving old-age payments, 131 on ADC and 20 on blind assistance, with an increase of 242 persons on disability aid.

MOTHERS CLUB PLANS PARTY FOR SWIM TEAMS

A brief meeting of the Mothers' club of the Paddlers swimming club was held Sunday afternoon at the YMCA. The main topic of discussion was the coming matinee, scheduled for Dec. 27 at the Washington theatre. A check was made to determine the number of tickets still available for the event.

It was announced that those wanting more information may contact Mrs. Mary Tarpoff, 1609 Clark avenue, chairman for the matinee project.

Mrs. Donna Hogan, president, asked for a report on the progress of the committee appointed to prepare for a Christmas party, to be held on Dec. 16 at the YMCA. Preceding the party, there will be a swimming meet between Montclair of Edwardsville, Town and Country of Collinsville, the YMCA swim team and the Paddlers team. The Mothers club has invited all the participating teams to attend the Christmas party.

Others attending the meeting were Mesdames. Doris Thompson, Valerie Evenden, Catherine Hoff and Mary Tarpoff.

Delinquent Taxes May Still Be Paid To County

Local area taxpayers who are delinquent in payment of 1961 property taxes have until Monday to make the payments at Edwardsville. A sale of delinquent tax property is set to start at 9 a.m. next Monday at the court house.

Treasurer George Musso said the payments should be made prior to the start of the sale. A large number of persons with delinquent taxes have made the payments since publication of the listings, he said. A number of errors also were found in the delinquent lists, it was reported.

Area Students Active In Religious Programs

Three local area students are participating in a program of religious activities as extra-curricular functions on the Carbondale campus of Southern Illinois University.

They are David West of Granite City, who is state Methodist Student Movement representative in the Wesley Foundation; Mary Ann Stalikoff of Madison, who is Inter-faith Council representative in the Student Christian Foundation, and Elaine Tanase, who is secretary of the Eastern Orthodox Club.

Eleven student religious foundations, representing a wide range of religious denominations, are in the Inter-faith Council to foster inter-faith understanding. This council coordinates the campus-wide "Religion in Life Week" held each January.

Aims of most of the organizations are three-fold—spiritual, intellectual and social. With few exceptions, the foundations are directed by trained religious leaders, and several offer college credit courses in religion, which may be taken as electives.

Public Open House At New County ASCS Office Friday

A public open house at the new Madison county office location of the Agricultural Stabilization and Conservation Service, Edwardsville, will be held from 2 to 4 p.m. Friday.

M. Lee Rogers, office manager, said the new offices are at 110 North Main street, formerly known as the Keim building.

Tuesday Is Deadline For Lighting Contest

Tuesday is the deadline for entering the annual Granite City Jaycee Creative Home Exterior Lighting Contest. Entries in the holiday event will be received until midnight that date, according to chairman Donald Young.

There are prizes of $75 for the first place winner, $50 for second place, $25 for third place, and five $10 prizes for runners-up.

The contest is being conducted by the Jaycees and the Illinois Power Co.

Miss Dorothy Davis, home lighting advisor, is available at the Granite City office of the company to give free assistance on lighting problems.

A booklet on lighting and contest entry blanks are available at the Illinois Power Co. office at Niedringhaus and Delmar avenues. Blanks may also be obtained by writing to the Jaycees at Box 3, Granite City.

Judging will be from Dec. 21-27.

Capacity Crowd At Christmas Art Show

Despite the frigid weather, a capacity crowd attended the annual Christmas wrapping show at the Granite City high school auditorium Tuesday night.

Eugene L. Aiassi, supervisor of art education in the Granite City schools and director of the program, said attendance was slightly below that of last year and none were turned away at the door.

Aiassi said several persons attending expressed the opinion that student work displayed was more advanced and showed a higher development of maturity than in pervious years.

13,500 Vehicles Using McKinley Bridge Daily

Traffic over the McKinley Bridge in November amounted to 405,514, highest for any November in history. Average daily tabulation for the 30-day period was 13,517, Manager Henry McMullen has informed Venice City officials.

Included were 95,718 crossings in the first week of November, 94,331 in the nov. 8-14 period, 96,163 in the third week and 88,188 on Nov. 22-28, with 31,114 on the final two days.

The 405,514 figure compares with 434,623 in October, 404,782 in September, the monthly record of 442,196 in August, 416,539 in July, 412,099 in June, 418,606 in May, 396,768 in April, 399,299 in March, 352,316 in February and 348,101 last January. Traffic in November 1961 totaled 380,788.

The tally for the first two months of the 1962-63 bridge fiscal year, 840,137, compares with 775,048 vehicles in the same months a year ago.

Animal Study Leads SIU Man To Alaska

A professor at area Southwestern Illinois University's campus has traveled as far as Canada and Alaska to study a single small animal — the pika or rock rabbit.

The pika is a distant relative of the hare, with short rounded ears and a shrill piping bark. It is found in mountainous and highland districts above the timberline, inhabiting loose rock slides.

The professor is Dr. Harold E. Broadbooks, a biologist who came to SIU in 1957. He holds a Ph.D. from the University of Michigan, and became interested in the small mammals of the northwest as a student at the University of Washington.

Dr. Broadbooks now plans to do research on chipmunks, deer mice, and ground squirrels. He has compiled considerable data during his field studies on these animals.

$30,000 Injury Suit Due To Local Accident

A $30,000 personal injury suit is on file in the circuit court at Edwardsville for Susie Yokley, 3805 Pontoon road, who alleges permanent internal and external injuries suffered in a three-car accident at 20th street and Madison avenue last Aug. 20.

Named as defendants are Donald Rowlett, 1707 Minerva avenue, and Lee Harlan, 1611 Clark avenue. The accident report showed all three autos were traveling north at the time of the mishap. Lee Harlan jr. was listed as driver of one auto, but the suit did not list junior.

Holberts Announce Birth Of Son Tuesday

Mr. and Mrs. Kenneth W. Holbert, 3704 Nameoki road, are announcing the birth of their first child, a son, Tuesday at the Missouri Baptist Hospital, St. Louis. He weighed six pounds, five ounces, and has been named Kenneth Walter Holbert jr.

Mrs. Holbert is the former Miss Carol Steele. Grandparents are Mr. and Mrs. W. J. Steele of Granite City and Mrs. Lillian Meyers of St. John's, Mo.

Granite City Reservists Receive Navy Medal

Gunners Mate 1-C Ray E. Dixon of 4109 Kaseberg lane and SH 1-C Robert W. Knabe of 3010 Myrtle avenue have received the Naval Reserve Meritorious Medal for outstanding performance of duty.

The two were among 48 U.S. Navy reservists who were awarded the medal in ceremonies Tuesday night Lambert Field, St. Louis.

Added Mail Service To Begin Saturday

Quad-Cities postal employees are preparing for what may be the heaviest load of holiday mail ever as the Christmas mailing season nears a peak.

Additional postal service is planned to assist the public, and added facilities will be used for the huge volume of mail expected. With mailing expected to reach its peak next week, stepped-up post office activities will begin Saturday.

Granite City Postmaster Theodore Overbeck said windows at the downtown post office will be open from 8 a.m. to 6 p.m. Monday through Saturday. Windows will be open from noon to 5 p.m. this Sunday only.

The post office has rented additional space at 1920 Edison avenue to facilitate handling of the heavy Christmas mail load, Overbeck said. The addition will be opened Saturday, when extra mail clerks go on duty.

Postmaster Harry Johnson said mailing windows will remain open in Madison Saturday afternoon on Dec. 23 if necessary as late as there appears to be a need.

He said three additional employees will begin work Monday to assist with the holiday mail.

In Venice, Postmaster Charles Simmons said the post office will remain open until 5 p.m. Saturday and will be open from 8 a.m. to 5:30 p.m. Sunday for stamps and parcel service only. No money orders will be sold. He said no additional seasonal workers are employed in the Venice post office.

But aren't ALL nylon carpets the same?

No indeed!
That's why we carry
LEES LASTING STAR
the first and the best carpet made with DuPont 501 nylon pile

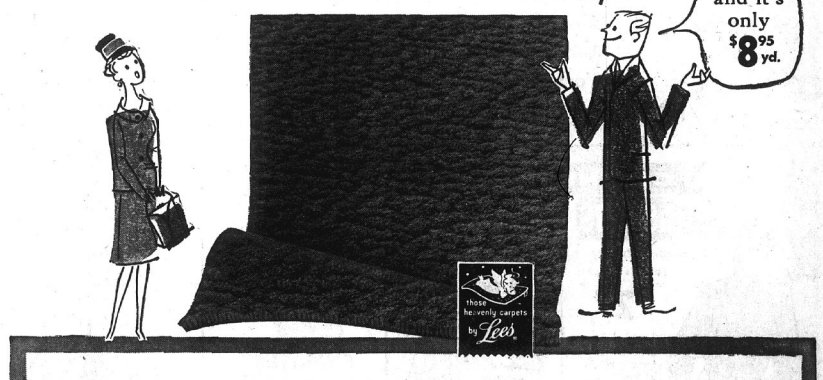

Lasting Star not only *wears* better, it *looks* better than run-of-the-mill nylon carpets for two very good reasons.

First, 501 nylon is the first ever engineered *especially* for carpet use, in one long, strong, continuous filament that *never* can fuzz up into little dirt traps or broken, matted ends.

Second, Lees gives this modern man-made fiber the same respectful care that's gone into every yard of carpet they ever made. Same number of painstaking inspections at every step of the way.

Every one of . . . those heavenly carpets by Lees is registered by number for your protection.

That's why Lasting Star is not like other nylon carpets. Durable! Won't shed! Won't mat! Resists stains and scuffs! And so easy to care for, you can go wild on color—the lightest, the brightest, even white! Naturally Lasting Star is mothproof, mildew-proof and non-allergenic. Truly a remarkable carpet.

WE HAVE A COMPLETE GIFT LINE OF PINE, MAPLE, BRASS, COPPER AND MANY OTHERS. LET US HELP YOU SELECT A GIFT THAT WILL HAVE YEARS OF LASTING BEAUTY AND ENJOYMENT. GIFT WRAPPING AVAILABLE.

New Drive-In Boxes Increase Madison Mail

The addition earlier this year of two new drive-in mail boxes on Madison avenue has increased the amount of mail handled by the Madison post office surprisingly, Postmaster Harry Johnson said this week.

Mail picked up from the two boxes during a recent period which extended through November and part of December was up 10,000 pieces over that picked up from a single drive-in box during the same period last year, Johnson said.

He said part of the increase no doubt is due to an upswing in local mailing. "But a lot of people from out-of-town use the new boxes because they're convenient," he added.

Johnson said although the box openings could not be turned to face the street because of narrow sidewalks, postal patrons are learning they can drop mail into the boxes without leaving their autos.

The boxes are located on either side of Madison avenue in front of the post office, serving both northbound and southbound traffic.

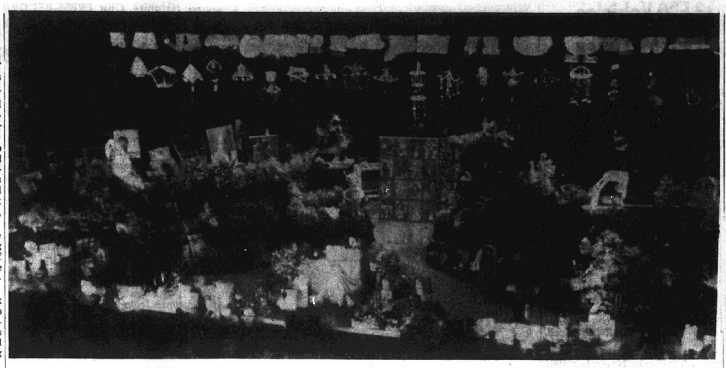

Johnson said mail is removed from the sidewalk boxes prior to each dispatch of outgoing mail so that they give those depositing mail the fastest possible service.

Fr. Betinec To Say 1st Mass Here Dec. 30th

Father Joseph Betinec, who will be ordained to the priesthood Dec. 27, will celebrate his first Solemn Mass in Sacred Heart Church here on Sunday, Dec. 30, at 11:15 a.m. followed by a Solemn Benediction at 3:30 p.m. and a reception at Sacred Heart Hall at 4 p.m.

Fr. Betinec, son of Seventh Ward Alderwoman Gabrielle A. Betinec, is to be ordained by the Most Rev. Roman R. Atkieiski, Bishop of the Archdiocese of Milwaukee, in ceremonies at Oconomowoc, Wisc.

During his week's stay here, he also will celebrate another Solemn Mass at St. Mary's Church in Madison on Jan. 1. He then plans to return to Wisconsin to conclude his studies of this ennum.

This will be followed by a year in St. Louis at the Roch Church, Grand and Cook avenues. Then he will await his appointment to a post in the Redemptorist Midwest Province, which includes 13 states from Wyoming to Indiana and from North Dakota to Kansas, and foreign mission stations in Brazil's Amazon Valley and in Siam.

Fr. Betinec is a native Quad-Cityan and attended primary school at St. Mary's and Sacred Heart. In September 1950 he entered St. Joseph's College, Redemptorist Minor Seminary in Kirkwood, Mo., where he took his Humanities studies and his first two years of college.

In June 1956 he was transferred to the House of Novitiate in DeSoto, Mo., where he remained for a year. He took his vows with the Redemptorist Fathers in 1947.

The order specializes in conducting missions and retreats in local parishes and in caring for neglected persons. Fr. Betinec has specialized in foreign languages and also in radio work. During his summer vacations he has worked extensively with migrant workers of Mexican descent and aiding in field missions for them.

His sister, Sister Mary Celeste, is a Sister of Divine Providence and is teaching at Imperial, Mo. His brother, Daniel Lee Betinec, also a student for the priesthood, is stationed at DeSoto, Mo.

If American farmers today used 1940 methods and equipment it would cost them $13,000,000,000 more to grow the country's food. The extra cost would add more than $5 a week to the food bill of every family in the United States.

FATHER JOSEPH BETINEC, who will be ordained Dec. 27 and will celebrate his first Solemn Mass at Sacred Heart Church here on Dec. 30.

In the past 10 years the price of hamburger in the United States has dropped 11 cents a pound; butter is nine cents cheaper, chicken 22 cents, coffee 16 cents.

Christmas Concert Next Monday By Coolidge JHS Band

The annual Christmas band show by Coolidge junior high school students will be held netx Monday at 8 o'clock in the Granite City senior high school auditorium.

The 105-member band under the direction of Robert D. Todoroff will play eight or nine seasonal and standard selections. The band is composed of seventh, eighth and nihth grade music students.

As an added feature of the program, the Coolidge Latin American Rhythm Ensemble will play five new selections. "We worked out an entirely new program for the ensemble," Director Todoroff said.

The concert is scheduled to last an hour and is open to the public with no charge for admission.

550 Apply For 'Tree Of Lights' Christmas Baskets

The Salvation Army Tree of Lights campaign so far has resulted in $1750 in donations for the Christmas program. Capt. Mildred Walker said applications from needy families totaled 550 at the deadline Monday.

The Salvation Army hopes to raise $4500 to purchase Christmas baskets and children's clothing and toys. For every $25 donated in cash or merchandise a bulb is lighted on the Tree of Lights at Memorial park. The name of any person or organization donating $25 or the equivalent is listed on a board at the park.

Money from the Salvation Army kettles also goes into the Tree of Lights fund. Weather permitting, the kettles are manned daily by Salvation Army personnel or volunteer bellringers.

The Granite City police are bellringers today. Several other organizations have been scheduled as bellringers. The organization raising the most money will be awarded an engraved bell as a memento.

Alien Registration To Begin On Jan. 1

An estimated 400 aliens are expected to register with the U. S. Immigration and Naturalization Srvice during January at post offices in Granite City, Madison and Venice.

Federal authorities are reminding aliens they must register during this period. Any alien who willfully fails to report is subject to fines, a prison sentence and deportation.

Registration forms are available from any post office, and must be returned to the same office from which received. They may not be returned by mail.

Only aliens not required to register are accredited diplomats, those accredited to certain international organizations and those admitted temporarily as agricultural workers, federal officials have pointed out.

Any alien who is temporarily out of the U. S. during January must register within 10 days of his return to this country. All others must register betwe Jan. 1 and Jan. 31.

Postal authorities said an estimated 300 aliens registered last year in Granite City, with approximately 100 more in Madison and Venice.

The average American packs away 1500 pounds of food a year.

County Budget Being Readied For Board

Madison county's new budget for 1963 will be made public at 9:30 a.m. tomorrow at the court house in Edwardsville. The budget will be for the calendar year.

The new budget will show an increase due to pay increases included for 153 county employees. The amount of the increase will not be made public until the announcement of the budget tomorrow, and both the budget and the pay boost are to be taken under consideration at the Dec. 28 meeting of the county board.

The regular county board meeting was to have been on Dec. 19, but was postponed to give the members more time to go over the budget.

The current budget totals $2,946,639 of which $1,411,439 is for general operating expenses and $1,535,200 represents special fund accounts.

Last month, the board of supervisors granted $1500-a-year increases to newly-elected county officials who took office Dec. 3, and $40 monthly pay boosts were sought for the county's 153 employees.

Copies of the proposed new budget are being sent this week to members of the county board. The finance committee, headed by Supervisor Leslie Prehn of Bethalto, has held a series of meetings with county officers and department heads to prepare the new appropriation and has completed its work.

It is to be submitted to the county board for adoption at a meeting rescheduled for late this month.

Grand Opening Saturday For Hospital Coffee Shop

The St. Elizabeth Hospital Women's Auxiliary will celebrate the remodeling of the coffee and gift shop with a grand opening Saturday.

The shop has remained in operation during the remodeling, but special items will be offered at the gift counter and for the first time there will be a complete line of candy offered with many holiday specials. It is located on the ground floor.

The shop serves light refreshments to the public and sells cards, gifts and candy. The hours are 8 a.m. to 8 p.m. Monday through Saturday.

The auxiliary has been planning the remodeling for the past three years, according to Mrs. Pearl Ryckman, chairman of the coffee shop committee.

Gift items are made and donated by members of the auxiliary.

Retailers Ok Budget Of $44,946 For 1963

A $44,946 budget for 1963 was adopted Tuesday by directors of the Associated Retailers & Civic Association. The new budget is slightly less than expenditures of $45,465 for the current fiscal year.

The drop is due to the installation of new automatic filing and office equipment. It was reported the 1963 year should end with a $656. The association has a staff of eight persons headed by Alvin Barnes jr., executive director.

Maurice Rich, president, presided over the meeting held at the Chamber of Commerce office with 15 directors present.

Announcement was made of the annual election and installation of officers to be held Jan. 15 at the Rose Bowl restaurant.

New Math System Being Tried On SIU's Campuses

Freshmen at Southern Illinois University are learning that mathematics is more than a hodgepodge of arbitrary rules and are beginning to understand the idea of mathematics as a logical system rather than as a grab bag of computational tricks, according to Dr. William C. Bennewitz.

With the inauguration of an expanded general studies program at SIU this year came a need for new courses and new methods of instruction in various areas of learning offered by the university.

In the area of mathematics, Bennewitz and Dr. C. C. Oursler, assistant professors in the Science and Technology Division on the Southwestern campus, have teamed up to design a freshman level course entitled 'Introduction to Mathematics and Deduction"

Rules For Reasoning

The text, according to Bennewitz who is preparing the first two sections, gives an introduction to mathematical logic by providing a complete set of rules for deduction and correct reasoning. The logic is used to give an orderly development of the ordinary rules of computation for the real number system.

"Our treatment of logic is novel, and—after first reaction of puzzlement and surprise to the concept of mathematics as a written language—students find it rather easy to understand," Bennewitz said. "The only prerequisite is the ability to read English and to compute with whole numbers."

The SIU professors are convinced that elementary mathematical concepts are quite easy, once a student is taught to think clearly and logically and to reason by deduction from given rules and assumption.

Emphasis On Deduction

The basic difference between the new text and previous mathematics texts, according to Oursler, who is writing the third section is the emphasis on deduction.

"A student," he said, "is first taught to recognize the difference between symbols and the things or ideas they represent, and then he learns to use symbols as tools for analyzing mathematical and logical ideas. Students receive some instruction in these concepts in high school, but not in the depth required on the university level."

Oursler feels that students taking the course should have their mathematical horizons enlarged.

The course, as described by the two mathematicians, will include: the concept of mathematical language in an abstract sense; properties common to number systems; introduction to various number systems; and a complete theory of deduction.

"A considerable amount of revision and condensing remains to be done before the text can be published," Bennewitz related, "but it should be completed within the next year."

Bennewitz, who has a doctorate in mathematics from the University of Illinois, arrived at SIU from the University of Southern California in 1960. Oursler received his master's degree from the University of Chicago and his doctorate from the Illinois Institute of Technology. He was on the staff of Indiana University at Gary before transferring to Southern in 1959.

Welfare Agencies Will Be Topic of Meeting

"Local Private Welfare Agencies" will be the topic of the seventh meeting of the AFL-CIO Community Services program this evening at the YMCA.

Slated to be present are representatives of Protestant Welfare Association, Catholic Charities and the American Red Cross.

The series, sponsored jointly by Tri-City Trades & Labor Council and the Tri-Cities United Fund, is aimed at informing local labor union representatives of general health and welfare services available in the community.

Edward A. Hagnauer, director of the Community Service program here, said the Dec. 20 meeting topic will be "Recreation and Character Building Services" with speakers from the local YMCA and Granite City park district.

At the last session, the group heard talks by Mrs. Lucille Tucker, director of the Visiting Nurses Association; James Willis, psychiatric social worker for the Madison County Mental Health Clinic, and John Solenberger, director of the Tri-Cities Area United Fund.

Hagnauer said a graduation dinner is planned early in January, with those attending the meetings to receive certificates.

Other topics discussed at past meetings included—"The General Welfare Picture," Public Assistance and Relief," "Social Security," "Unemployment Compensation and Employment Service" and "Vocational Rehabilitation and Workmen's Compensation."

SECOND BAPTIST CHURCH
2100 Illinois avenue
Rev. W. L. Showers, Pastor

The annual children's Christmas program of recitations and songs will take place at Second Baptist Church at 7:30 p.m. Thursday, Dec. 20, with Sunday school department superintendents in charge.

Rev. W. L. Showers, pastor, will have as his sermon topics on Sunday, Dec. 23, "Christ, the Everlasting Father" at the 11 o'clock worship and "The Peerless Privilege, Soulwinning" at the evening service. The youth choir will sing during the evening, "Star of the East," "Wonderful Story" "Birthday of the Kings," and "Hymn to the Christ Child."

GOSPEL CHAPEL
GENERAL BAPTIST CHURCH
512 State st., Madison
Rev. George Land, minister

The Christmas program of the church will be held at 7:30 p.m. Wednesday, Dec. 19. Doyle Smith, J. C. Fox and Martha Taylor will be in charge.

ST. JOHN LUTHERAN CHURCH
St. Clair & Dale aves.
Rev. Samuel Boda, pastor

A candlelight processional and recessional will be one of the features of the first annual Christmas candlelight choral concert at St. John Lutheran Church, Sunday, Dec. 16, at 7:30 p.m.

The senior church choir will lead the processional, followed by the children's choir. Both groups will be singing traditional Christmas hymns to organ accompaniment as they enter and later leave the Church sanctuary.

Following the processional and a brief Scriptural message, the senior choir will open the concert with Bach's "Break Forth, O Beauteous Heavenly Light." Other numbers to be featured are "A Joyous Christmas Song" by F. A. Gevaert; "What Child Is This," arranged by Charles Lowden; "Sing We Noel—16th century French carol; John Boda's "Before the Paling of the Stars"; "Gesu Bambino" by Pietro Yon; "Angels We Have Heard on High," "Carol of the Bells" by Leontovich; and "For Christ Is Born" by Aiken-Crawford.

The children's choir, under the direction of Mrs. Josie Diak, will render "Come Rejoicing, Praises Voicing"; "From Heaven Above"; "O Little Town of Bethlehem"; and "Silent Night." The congregation will join in singing several stanzas of the last 2 hymns.

Mrs. Diak also will be featured as soprano soloist. Her solo will be "O Holy Night."

The senior choir is directed by the pastor. Organ accompanist is Mrs. Mary Cell. At sectional rehearsals, Ronald Hafner accompanies as the pastor trains the male section; sectional leader for the treble voices is Mrs. Josie Diak.

MT. ZION GENERAL BAPTIST CHURCH

Rev. Truman Collins, minister

A Christmas "family night" pot luck supper will be held at the church at 6:30 on the evening of Wednesday, Dec. 19.

The Christmas program by the Sunday school will follow at 7:30 in the church auditorium when the various departments will revive the Christmas spirit with their songs, recitations, pantomimes and a play entitled "Is Christ In You Christmas?"

There will be treats for the children after the program.

PEACE EVANGELICAL LUTHERAN CHURCH
3201 Erin dr.
Rev. Bodo Mehling, pastor

The observance of Christmas by Peace Evangelical United Lutheran Church of America (Wartburg Synod) will begin with a "Christmas and Anniversary" banquet on the evening of Dec. 16 at 5:30 o'clock in Wesley Hall of Niedringhaus Memorial Methodist Church.

The speaker will be the Rev. S. W. Jensen, District Dean, of St. Louis.

CENTRAL CHRISTIAN CHURCH
2020 Johnson road
Rev. James R. Craddock, minister

Central Christian in it's regular services and also through a number of special worship experiences will commemorate the birth of Christ during this Holy season of the year.

There will be the usual church school at 9:30 a.m. Dec. 16. The morning worship at 10:40 a.m. will incorporate the singing of Christmas carols and the choir, under the direction of Donald K. Bloomquist, organist - director, will sing "The Joy Carol." The sermon by the pastor will be on the topic "No Room in The Inn".

Sunday evening, Dec. 16, a special Christmas program in Scripture and song will be presented by the Chancel choir, assisted by others. The cantata will be "Dawn of Redeeming Grace" by Robert Graham. Featured soloists will include Joe Hanson, Mrs. Lois Bilbrey, Mrs. Martha Bewley and Miss Nancy McBrian, with Don Seltzer as narrator.

As in the past the church is cooperating with the Protestant Welfare program of providing baskets for the needy. Non-perishable goods will be brought to the church and arranged by a special committee for distribution with the aid of the youth of the Church.

FIRST BAPTIST CHURCH
21st st., & Delmar ave.
Rev. George Sagen, minister

On Sunday morning, Dec. 16, the pastor will preach on the theme "Why Did Jesus Come and Will He Come Again?"

The choir, under the direction of Elvin Kendall, will sing anthems from the cantata "Born A King."

At the evening service the adult choir will present the cantata "Love Transcending" by Peterson. Mrs. Denice Wright will serve as narrator. The soloists will be Michael Fry, Mrs. Dorothy Winter, Paul Baker, Mrs. Martha Rochester, Raymond Voorhees and Mrs. Martha Ratayczyk and Elvin Kendall will direct. Mrs. Betty Lou Tiles will be at the piano and Mrs. Frances Balding will be the organist.

Is it all right to sign all those papers? Is the property you're buying exactly as described? Who pays the taxes for this year? Which is the best way to take title—in joint tenancy or solely in your name? (There may be a tax advantage, in your case, by not owning the home in joint tenancy with your wife.)

Your lawyer knows the answers. He will explain the purpose of each paper, make certain that your rights are protected, give you the best advice about the question of joint tenancy, in terms of your personal circumstances.

Your lawyer will explain to you, also the importance of receiving a good title. The safest way to be sure is to ask the seller to provide a title insurance policy from Chicago Title and Trust Company.

personal extension phones

SAVE MOTHER'S TIME, ENERGY AND DISPOSITION

Personal extension phones bring the calls to her, where she is—kitchen, bedroom or family living area. Save her steps, actually help her do two things at once (call the cleaner while she looks after baby). At night she enjoys the security, privacy and peace of mind of a phone at her bedside. And personal extension phones come in colors to suit every mother's good taste.

Who needs extension phone service most?

Families that make or receive five or more calls a day.

Families with one or more members active in school, church, civic or club work.

Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models—call the telephone business office, or ask any telephone serviceman. Why not order yours today?

New River Dam Doing Good Job At Alton Locks

The unique, low-water dam across the Mississippi River immediately below the Chain of Rocks bridge is doing its job, it was reported this week at Alton.

The U. S. Army Corps of Engineers said the rock dam is maintaining a proper water level at the Alton locks where navigation difficulties have been encountered in past years.

The dam was built to maintain a nine-foot depth at the Alton locks to permit barges to enter and leave the locks without having loads lightened.

At St. Louis this week the stage of the river was minus 0.6 feet and at Alton the gauge reading was 3.4 feet. Normally, the depth at Alton without the low water dam would be about zero.

The 3.4 figure means the depth is three feet above the zero mark or a 13.9-foot depth over the sill at the downstream end of the locks. Zero stage of the river is 10½ feet.

Assessors To Meet With Musso Today

Members of the steering committee of the Madison county Assessors Association are to have their first conference this afternoon with George Musso, new county treasurer and supervisor of assessments.

The conference is to discuss plans for the annual meeting of all township assessors to be called by the county treasurer late this month.

Plans for the quadrennial real estate assessment, set to begin Jan. 2, also will be reviewed. The conference will be held in Musso's office at the court house.

The steering committee already has had one meeting at which it was agreed that in the coming quadrennial re-appraisals a uniform assessment basis at 60% of fair cash value should be carried out in the county next year.

Preliminary revaluation work already has been started in a number of townships.

International Convention In June

Rotarians To Host Overseas Delegates

Granite City and Madison Rotarians pledged their cooperation Tuesday after hearing a report on the Rotary International convention to be held in St. Louis next June.

Guest speaker at the joint luncheon meeting in the YMCA was Dr. Earl J. Poe jr., immediate past president of the St. Louis Rotary club.

Local Rotarians are to play host to delegates from overseas for a dinner and social evening in their residences during one day of the five-day meeting. In addition, a few local families will house the visitors in their homes for the entire convention period.

The St. Louis club is shouldering the major burden of convention duties in conjunction with the Rotary International permanent convention staff. The Statler Hotel will serve as headquarters, with major sessions taking place at Kiel Auditorium. Shuttle busses will link the meeting hall with hotels and motels in the surrounding St. Louis, St. Louis county and Illinois area.

To Stress Friendliness

Between 10,000 and 15,000 delegates are expected, the local gathering was told by Dr. Poe, who pledged that it will be the friendliest, although not the largest, RI convention ever held.

The record attendance was 24,000 in Tokyo, and 23,000 attended the convention held in Los Angeles, he reported.

Bernard Sweeney is convention chairman for the host club, and Dr. Poe is chairman of international friendship. He expressed confidence that individuals and couples coming here from all parts of the free world will be favorably impressed by midwestern hospitality.

On the evening that overseas Rotarians are feted in local homes, they will return to Kiel Auditorium in time to attend the Rotary president's ball in Kiel Auditorium, which will start at 9:30 p.m.

Varied Activities

A major league baseball game, river excursion, opera performance, simultaneous hotel banquets and a special musical extravaganza will be among the featured events of the convention along with business sessions, vocational discussions, programs dealing with Rotary service and informal social gatherings.

Edward Meng, program chairman, introduced the speaker and the meeting was presided over by Gerald Broadway, president of the Granite City club, and Alex Schenhoffer, president of the Madison club.

The clubs were advised by the Madison County Taxpayers' Association education committee that Dr. Nicholas Mendoza will address a public gathering at 8 o'clock tonight at the Edwardsville high school gymnasium on the menace of Communism in Cuba.

Madison Men Indicted In St. Clair County

Two Madison men were among those against whom indictments were returned this week by the St. Clair county grand jury in Belleville, according to the St. Clair county state's attorney's office.

Indicted were Robert Chavis, 56, of 132 Carver street, for attempted murder, and Frank G. Markovich, 20, of 1638 Third street, for burglary.

The state's attorney's office said it is not yet known when trial dates will be set. The local men were among those included in indictments returned to St. Clair county Circuit Judge Harold O. Farmer Tuesday.

The fellow with a bundle of bad habits has the heaviest load in the world to carry.

15 Schools Have Teacher Lounges, Four Have None

Facilities provided for teachers' lounges in the Granite City school district vary widely, school officials have determined in a study preparatory to efforts to provide all schools with lounges and all lounges with basic equipment.

Granite City high school has three lounges, one with excellent furnishings and two with less adequate furniture.

Prather junior high school has an adequate lounge, while the Coolidge and Central junior highs each have two lounges, all four needing some additional furnishings.

Four Grade Schools Adequate

The situation is even more varied in the elementary schools, with the Lake, Logan, Niedringhaus and Washington schools reporting satisfactorily-equipped lounges, although there is a space problem at Lake.

Schools with lounges but in need of additional equipment for them are Frohardt, Emerson, Marshall, Maryville, Nameoki, Webster and Willson. The Emerson lounge also is described as too small.

No lounges exist at four grade school buildings, with no interest voiced in having one at McKinley school and no potential location immediately apparent at Mitchell. Possible lounge locations at Stallings and the Logan school annex are being studied.

School, PTA, Other Funds

Sources of equipment and funds have included school district "rejects," Parent-Teacher Association and teacher projects, school funds, activity funds and former school districts which were consolidated to form the community unit district in 1950.

Although the school district does not expect to be able to finance more than basic equipment, and may not be able to fully do even that this year, lists of desired articles have been prepared.

Those mentioned most often are lamps, couches, magazine racks, armchairs, exhaust fans, tables, straight chairs, door mirrors, drapes, bookcases, clocks, pictures, desks and radios.

Union Meeting Tonight For Depot Employees

A union organizational meeting for about 900 Granite City Army Depot employees has been called at 7:30 p.m. today at the Labor Temple, 2014a State street.

Otto Butler, international organizer for Local 149A of the International Union of Operating Engineers, said his union has been named exclusive bargaining agent for employees in certain sections of the depot.

The meeting tonight is aimed at entering into contract negotiations, Butler said.

The only jack of all trades who really succeeds in this day and age is the fellow who has the almighty dollar working for him.

Third Annual Prather Yule Concert Monday

The Prather junior high school band, under the direction of Miss Elsie Maylath, will present its third annual Christmas concert Monday, Dec. 17, at 8 p.m. in the school gymnasium. There are 75 students in the band at the present time.

Admission will be free and the public is being invited to attend.

The program will include a wide variety of general selections as well as several Christmas numbers in keeping with the holiday season.

Featured will be three smaller instrumental groups—a clarinet ensemble, playing "Dainty Doll"; a tenor saxophone trio, with "War March of the Priests" from Athalia; and a flute ensemble, presenting "The Wedding of the Painted Doll."

Members of the clarinet ensemble are Sheila Gibbs, Donna Eads, Linda Sheffer, Phyllis Rosenburg, Judy Belshe, Brenda Osborne and Kathy Hinckley. The saxophone trio is composed of Harold Groves, Joe Mercer and David Bradford. Included in the flute ensemble are Kathleen Chastain, Laura Jensen, Ivye Humphrey, Phyllis Borger, Nancy Zang, Linda Paul, Billie Coyle and Linda Mellchar.

Selections By Band

The band portion of the program will consist of a march entitled "Proudly We Play" by Maxwell; excerpts from the opera, "Lohengrin," by Wagner; highlights from Willson's "The Music Man"; "Huldigungsmarsch" by Grieg; "Waltz from Eugene Onegin" by Tschaikowsky; "Variations on a Theme by Prokofieff"; and "Punta Larga," a Spanish march by Caneva.

Christmas selections included will be "Parade of the Wooden Soldiers" by Jessel; "Noel Francais," a collection of French Christmas carols; "Jingle Bells Rhapsody" by Walters; and Berlin's "White Christmas."

American supermarkets every year ring up sales totaling $36,500,000,000, more than two times the value of all the gold in Fort Knox.

YOUTH FOCUS

BIBLE CLASS at Mei Sil Whoi orphanage in Seoul, Korea. Suh Ok Jin, an orphan "adopted" by the local YMCA Teen Town, attends school here. The group here is composed of some of the younger children.

Korean Orphan To Get 'Y' Christmas Present

Suh Ok Jin, a Korean orphan "adopted" by the YMCA Teen Town, soon should be in receipt of a Christmas check her local friends have sent to her.

Teen Town adopted the Korean girl in 1958 and has contributed toward her support ever since. The money comes from the Teen Town general fund.

Teen Town sends gifts from time to time as the treasury permits. At first, Suh Ok Jin was sent a small check each month. Gifts of clothing also have been sent to her.

Lately, however, because of a limited treasury, checks have been sent less frequently. The sum of $25 was sent for Christmas, however, and the club plans to resume sending checks on a monthly basis as soon as possible.

Lost Father In War

Suh Ok Jin is now 17 years old. She lost her father at the outbreak of the Korean War. He was in North Korea when the war broke out and was rounded up with hundreds of others and killed. The girl was cared for in a meager fashion by her mother for a time. She was then turned over to her grandmother who was old and poor. When unable to provide for the girl, she sought the aid of Mei Sil Whoi, an orphanage affiliated with the Christian Children's Fund, Inc., of Richmond, Va.

The organization has its "adoption" service in many nations, all over the world. Gifts are sent to the children through the Richmond office and a complete accounting is made to the sponsor on all receipts.

The children write to their sponsors and usually describe in detail any gift received.

The orphans at Mei Sil Whoi who have sponsors write letters every Christmas. A hand-painted Christmas card is always included.

Writes In Korean

Suh Ok Jin writes her letters in Korean, using the neat syllabary system of characters of her country. An English translation is provided by the orphanage.

The girl apparently has gone back to live with her mother, but attends high school at the orphanage. She mentioned in one of her letters that she helps her mother clean house.

Her favorite recreation is volleyball and her favorite school subjects are music and history.

A brief biographical sketch provided by CCF notes that she is in good health and that her name means "lovable."

'Focus' Contributions By Groups Encouraged

Quad-Cities youth organizations of all types are encouraged to contribute stories concerning their activities to "Youth Focus." All material submitted will receive careful consideration.

Deadline for material is noon Tuesday preceding the Thursday of publication. Contributions will be edited and handled the same as those from regular "Youth Focus" correspondents.

Activities of church groups, school groups, young peoples' clubs and similar organizations are appropriate sources, and such stories will be used as space permits.

Parent-Child Relations Course To Start Jan. 5

Beginning its fourth session next month, a non-credit college course in parent-child relations will be offered at Southern Illinois University's Alton Center during the winter quarter.

It is planned for parents who are interested in learning effective ways of changing their behavior as they interact with children. The course will be taught Saturdays from 10:30 a.m. to noon starting Jan. 5. It ends March 9.

Classes are designed to allow parents to observe and participate in group parent-counseling and, if desired, to receive counseling in parent-child relationships. A supervised playroom will be available for children 3-12.

Enrollment for the course will be at 10 a.m. on Jan. 5 in Room ANA 100 at the SIU center, 2369 College avenue, Alton.

Conducting the classes again this quarter will be Dr. Cameron Meredith, author, consultant, television lecturer and head of the education division at the university's Edwardsville Campus.

More information about fees and reading materials for the course may be secured from the university's Industrial and Technical Programs office at Edwardsville.

Class Projects Include Rummage Sale Saturday

The senior class of Venice high school will conduct a rummage sale at the Venice city hall Saturday, one of several class projects currently in progress.

Class members also are working to complete a sale of box candies, and the class is assisting in sale of tickets to the annual school variety show Wednesday night.

The variety show is co-sponsored by the seniors and the VHS publications class, while the other class activities are fund-raising projects. Funds are needed for the annual senior trip in the spring.

MHS Band, Vocal Department Plan Special Program

By Diana Fox

The band and the vocal music department at Madison high school are on busy schedules this month, with special performances planned next week to complete the pre-Christmas season activities.

The vocalists will sponsor a program for the school student body Thursday, with the band also to participate. The program, titled "Sugar and Spice," will feature a number of solo performances.

Soloists will include Jackie Mosley, Elaine Russel, Cindy Zahm, Donna Dowthitt, Linda Krpan and Rosie Hunt. A duet will be sung by Vivian McHenry and Josephine Brown.

The MHS chorus is also to sing at the Madison Rotary Club's annual Christmas dinner Wednesday.

New officers have been elected by the band, with Talmage Fisk named president. Vice-president is Bill Smock, secretary is Perry Maeras and Tom Lubak is treasurer.

Harold Pinckley was awarded a trophy as leading salesman in the band's "Cool School Stool" fund raising campaign just completed. Band members sold 255 stools, with proceeds going into the band treasury.

Snow Monday Calls For 80 Tons Salt, Cinders

Street crews spread about 80 tons of salt and cinders at intersections in Granite City Monday night and Tuesday to combat the slick surface from Monday's three fourths-inch snow.

Supt. of Streets William Warfield said he called out three men about 7 p.m. Monday to install spreaders on the department trucks. The operation began at 10:30 p.m. when three other men were called out to operate the trucks. Another six men were summoned at 11:30.

Early morning rush traffic moved slowly but kept moving Tuesday morning without a single mishap reported to police.

Warfield's tally shows a total of 120 hours put in on the ice and snow control work.

The only other work carried out by a street crew was manhole cleaning by two workers.

GCHS Student Council Gives Students A Voice In School

By Mike Jessee

Student Council members at Granite City high school are now engaged in their annual Christmas drive, during which each counseling group collects canned goods and money for needy Quad-Cities families.

This is only one of a variety of projects conducted by the council, the governing unit of the student body. The council's primary responsibility is to care for the interests of the students.

The council is the legislature of the students. It is through these representatives that students gain improvements on the school grounds, enforcement of school regulations and a voice in school policies.

The election of the student body president, who is presiding officer of the council, is conducted much like an election of any public official. Petitions are circulated, followed by a campaign and an election.

Each student is assigned a polling place in the election, with balloting in conventional voting booths. Judges are present to examine the ballot and place it in the ballot box.

Elected Representatives

Each counseling group holds an election at the beginning of the school year to choose home room representatives. It is these representatives who form the student council.

One main function of the council is to teach the students the basic ideals of the democratic way of life through election, representation, legislation and enforcement.

When a major issue is placed before the council, a committee is named to investigate it. The committee reports its findings at a later meeting. The council may decide to investigate the matter further, take appropriate action or drop it.

Representative of the types of problems faced by the council are those of broken glass on the school parking lot and enforcement of no-smoking regulations on school busses. The council has acted on these matters.

The council recently decided to install a mail box in the school cafeteria as a convenience to students. At the present time there is a motion on the council floor to install a stamp machine.

Adopt Student Code

Outstanding among tasks accomplished by the council in the past is the adoption in 1957 of the students' "Code of Ethics." It is as follows:

"We, the students of Granite City senior high school, desiring higher standards of student conduct and seeking to maintain a respectable reputation for our school, do adopt the following Code of Ethics for Granite City senior high school. We hope that this code will be voluntarily used by each student to increase the dignity and worth of himself and his school.

"1. I shall always be mindful of the many opportunities afforded by my school, home and community, and I shall try to take advantage of these to the best of my ability.

"2. I shall always be willing to assume my share of responsibility.

"3. I shall be cautious to others at all times.

"4. I shall strive to keep my habits of speech, mind and body above reproach.

"5. I shall respect the rights and property of students, faculty and all others with whom I come in contact.

School, Community Safety

"6. I shall practice safety in school and community, both for my own sake and that of my fellow man.

"7. I shall observe and obey all rules of my school.

"8. I shall endeavor to conduct myself in a sportsmanlike manner at all times.

"9. I shall pride myself on the appearance of my school.

"10. I shall strive to take an active part in and to support school activities.

"Through this code, we, the students, sincerely hope that each student of Granite City senior high school will develop habits of good citizenship so that he will be a worthy citizen of his community and of his country."

Through such action, the Student Council gives each GCHS student a chance to improve his school as well as an opportunity to improve himself.

Annual Variety Show Set For Staging In Venice

By Michael Lopez

Plans are complete for the annual Venice school variety show Wednesday night, to be highlighted by crowning of the 1962 Mr. and Miss Venetian. Theme for the event is "Dreams."

The program will feature 21 acts, including vocal solos and group songs, skits, a style show, baton twirling, a twist exhibition and music by the school band.

Masters - of - ceremony will be Jeanette Gonterman and Sharon Frawley. The program is cosponsored by the Venice high school senior class and publications class.

Three candidates each have been named for Mr. and Miss Venetian. The girls are Gloria Ponce, Charlotte Hulett and Virginia Koelker, while the masculine crown is sought by Peter Fields, William Black and Jerry Cicio.

The retiring Miss Venetian, Frances Mangi, will be presented with white carnations. The new Miss Venetian and her attendants will carry red flowers, while the escorts and Mr. Venetian will have white and red tipped boutonnieres.

Performers in the show will include students of both Venice high school and Venice grade school. The school band will present a skit entitled "Ragtime Wedding."

All students and their families, as well as the general public, are invited to attend the variety show. Tickets are on sale by members of the senior class and publications class.

Varied Reasons In 10% Teaching Staff Turnover

A survey by the Granite City school district has shown that 430 or over 90% of the 478 teachers employed in 1961-62 have been retained in the 1962-63 school year.

The report, heard at a meeting of the school board Tuesday night, showed that reasons for the 48 resignations were varied. Of the 48, four are on leaves of absence and plan to return for the 1963-64 school year.

A breakdown of the 48 who left the district lists nine maternity cases, eight retirements, five who cited other plans, four listing family responsibilities, four for reasons of health, three who accepted other positions, three wishing to continue their educations, three reporting personal reasons, two due to certificate requirements, two women teachers whose husbands were transferred, one teacher who decided to work in industry, one going to government service, one entering the Army, one moving to another state and one hired to teach overseas.

In addition to the 48, two others no longer fill teaching positions. Both were promoted to posts as school principals.

Add Custodian At Coolidge

During Tuesday's session, the board hired Frank O. Lewis, 3205 Kirkpatrick Homes, to fill a new custodial position at Coolidge junior high school, effective yesterday. It was decided to add a custodian at Coolidge due to the completion of 11 new rooms and expansion of the cafeteria.

The board accepted the resignations of Mrs. Margie Benway, Edwardsville, fifth grade teacher at Marysville elementary school, and Mrs. Linda Kelley, 1524 Pontoon road, secretary in the administrative office.

Attention was called to the election of Miss Leigh Heller, 4269 Reveille lane, physical education teacher at Frohardt grade school, as secretary of the Illinois Association for Health, Physical Education and Recreation.

Cheerleader Policy

Supt. Harold M. Kaiser reviewed the policy governing participation by Granite City high school cheerleaders. They attend varsity games within 75 miles of Granite City as well as post-season tournament contests beyond that distance, but do not go farther than 75 miles for regular games or for tournaments during the season, he explained. Factors in the policy include availability of chaperons for extended trips and the amount of attendance by local fans.

General expenses of a trip to the Illinois Association of School Boards and Illinois Association of School Administrators conventions in Chicago Nov. 18-20 were listed as $169, plus $71 for transportation. Those participating were Dr. Kaiser, Board President Robert Spengler and Board Member Ralph Buske.

No further information was received from the Tri-Cities Independent Insurance Agents, who had complained last month of insurance sales to school employees by board members. The board has requested specific evidence of any irregularities, noting that the law bans board members from doing business with the school system but not with its employees.

It was decided to cancel the next board meeting, which would fall on Christmas Day. The next regular meeting will be held Jan. 8.

Congressional Action Group Is Organizing

Organization of the Tri-Cities Chamber of Commerce Congressional Action committee to prepare for the Jan. 9 start of Congress was announced today by the chairman, Samuel Meyer.

Meyer plans a 30-member committee that will be organized with four subcommittees.

"The purpose," he said, "is to equip and encourage Tri-Cities area business and professional leaders to express their views on legislative issues to members of Congress."

Those joining the group will receive weekly bulletins prepared by the National Chamber of Commerce on the status of major bills. "It's in the form of a newsletter," Meyer explained.

In addition special, periodic reports giving detailed outlines of pending legislation also will be sent to each member.

Meyer said the local committee will be one of over a thousand taking part in the program in communities throughout the nation.

The four subcommittees will deal with the following: tax revision and spending control; federal controls on business and agriculture; federal intervention in state and local affairs, and labor legislation.

Eagles Auxiliary Gives Toys For 'Tree of Lights'

Seated at tables adorned with evergreens, small snow men and Christmas tree ornaments and lighted with Christmas candles, members of the Eagles Auxiliary enjoyed their annual turkey dinner and pre-holiday party Tuesday evening at the Eagles Home. Favors were miniature Santas.

After the meal Mrs. Florida Batson, president, conducted the meeting in the lodge hall where a large table held a glittering tree.

At the base of the tree were placed the many toys contributed by the members for distribution at Christmas by the Salvation Army.

The Auxiliary will again pack baskets on Dec. 21 at Salvation Army headquarters. A letter of thanks was read from Fr. Wegner of Boys' Town for a gift, and Mrs. Angie Buehler announced "The Eagleaires" kitchen band would afford a part of the entertainment for the party planned for retarded children Saturday.

Mrs. Batson, president, and Mrs. Buehler, Auxiliary "mother," were escorted to the altar and presented with gifts from the group.

With Mrs. Ruby Sparks at the piano, the group enjoyed songs by Mrs. Margaret MacZura and Mrs. Dolores Klesh, followed by entertainment by "The Eagleaires."

Mrs. Dorothy Westbrook, Mrs. Dottie Shuppert, Mrs. Margie Hall and Mrs. Ann Pasek were prize winners for the evening, and Mrs. Flo Hillis, Mrs. Mae Amisch, Mrs. Frances Steinman and Mrs. Shuppert, members of the dinner committee, were given a standing ovation for the excellent meal served.

Due to the Christmas holidays, the next meeting will be held Dec. 18.

WSCS Members Hear Special Christmas Program

A Christmas program entitled "Hear The Angels Sing" given by Mrs. Mattie Koonce, Mrs. Russell West, Mrs. Charlotte Tempel, Mrs. Woody Lynn and Mrs. Alice Cruse of the Dorcas Circle was a highlight of the December meeting of the Women's Society of Christian Service of Niedringhaus Memorial Methodist Church Tuesday evening in Wesley Hall of the church.

Mrs. Elmer Frohardt was in charge during a brief business discussion and Mrs. Vernie Barnett, spiritual life secretary, displayed on the worship table an exquisitely hand-carved manger scene which she purchased in Austria while on a recent foreign-travel tour with Rev. Barnett.

The purchase was made with a gift from the ladies to Rev. and Mrs. Barnett prior to their tour.

Refreshments were served from tables decorated with evergreens, reindeer and sleighs to 28 members.

Mary-Martha Class Meets For Annual Christmas Party

The December meeting and Christmas party of the Mary-Martha Class of First Baptist Church took place Tuesday evening in the home of Mrs. Lola Miller, 605 Kirkpatrick Homes.

The hostess, who is president of the group, was in charge, and the opening prayer was by Mrs. Reba Cain, who gave the devotional, the Christmas story from the Bible.

The members responded to roll call with verses of Scripture, and after the Lord's Prayer and adjournment there was a gift exchange.

Refreshments were served by Mrs. Miller to seven members and two guests.

LOCAL PEOPLE VACATION IN FLORIDA

Dr. Clifford Matson, with Mr. and Mrs. Murl Anderson and Anderson's son and daughter-in-law, Mr. and Mrs. Max Anderson of Belleville, have returned from a vacation at the Matson winter home in Ocala, Fla. While away they visited former Granite Cityans, Sgt. and Mrs. Charles Lovett, at Melbourne Beach, Fla., and Dr. and Mrs. E. H. Droege at St. Petersburg Beach, and made a trip to Cape Canavarel.

On Thanksgiving Day the party enjoyed a reunion with Granite Cityans at the home of Dr. and Mrs. Droege who recently moved to Florida. Other guests were Mr. and Mrs. P. D. DeWitt, Mr. and Mrs. Herman Droege and Mr. and Mrs. George Hughes. The two latter couples have been visiting the Droege's for some time.

Hospital Sisters Honored At Yule Party By Auxiliary

One of the outstanding events of the pre-holiday season was the annual Christmas party given by St. Elizabeth Hospital Auxiliary Monday evening for the Sisters.

Held in the hospital dining room, the affair was attended by 64 members and guests, the latter, including, besides the Sisters, Mrs. Mary Madlinger and Mrs. Agnes Hunter.

Dinner was served at tables decorated for the occasion with evergreens, Santa Claus sleds, holly and snow men favors.

Mrs. Helen Bergfield, president, conducted a short business session and final plans were made for the opening of the newly remodeled and decorated coffee and gift shop on Saturday.

Mrs. Bergfield also read a paper on "Therapy At Christmas" and reminded the members to give something of themselves to help others, thus providing the Christmas spirit throughout the year.

The Sisters were introduced by Sister Mary Thomas, hospital administrator, who explained the duties of each and their departments as they were presented. After the introductions she reminded the group of the Christmas spirit displayed by all in their work for the hospital during the year. Santa Claus arrived later and distributed gifts to the Sisters from the Auxiliary.

The remainder of the time was spent at games and a number of prizes were awarded. Mrs. Martha Page served as chairman of the arrangements committee.

Annual Christmas Party Held By Rotary Anns Club

Members of the Rotary Anns took part in their annual Christmas party Tuesday evening in the home of Mrs. C. E. Townsend, 26 Woodlawn avenue. On the hospitality committee with Mrs. Townsend were Mrs. William Hoedebecke, Mrs. Harvey Balke and Mrs. Glenn Abenroth.

A gold-flocked Christmas tree in the living room and a green tree in the rathskeller, together with fireplace decorations in the Yule tradition and a Santa Claus added to the festive atmosphere of the party.

Each one had a gift for another and there were games, following a brief business discussion led by the president, Mrs. E. G. Schmitt.

Prizes were awarded in the games and there were a number of special awards in the form of Christmas candles made by Mrs. Balke.

Others present were Mesdames Frank Galvin, G. F. Hoelscher, Homer Huber, Murl Anderson, Raymond Willaredt, Carl Mathias, Edward Meng, Owen Day, George Mauze, Walter Sons, Elwood Ackerman, Eugene Coe, Warren Decatur and A. C. Stoever.

Peter Chen Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church for a program on prayer. Mrs. Betty Lewis led the members as they made Christmas decorations for doors and trees. A Lottie Moon tree was made by the group last week, and an offering was received along with canned goods for the church's Christmas baskets.

Mrs. Lewis offered prayer and told the story of a foreign missionary. The boys and girls discussed the Sunbeam Christmas party next Tuesday and made plans to send a Christmas card to Rev. Peter Chen and his family, who work at the First Chinese Baptist Church in San Francisco.

A game was played and Christmas carols were sung. Closing prayers were by Carla Lupardus and Glenda Wells.

Others present were Gary and Gail Lewis, Johnny Snider, Larry Anderson, Vonda Mays, Donna Epperson, Theresa Gillham, Julie and Denise Whitson, Allen Newberry, Phillip and Bradley Fitzhugh, Gwenn Olive, Dennis Reynolds, Brenda Holloway and visitors, Glenn and Lynn Mercer and Bob Lewis, who assisted Mrs. Lewis.

CHRISTMAS BANQUET FOR NAOMI CIRCLE

The Naomi circle of Second Baptist Church met at the church Tuesday evening for a Christmas banquet.

The tables were decorated in a Christmas theme. Margie Boger was in charge of the program, "Spiritual Life Developments." Those on the program were Beverly Crown, Isabelle Burnett, Geraldine McCord, Betty Lewis, Charlene Sanders and Margie Boger.

Lucille Thomason closed the meeting with prayer. Others attending were Carrie Lupardus, Jackie Woods and Nadine Frith.

Instead of the usual Christmas exchange of gifts, the money was given to the Lottie Moon offering.

The January meeting will be held at the home of Nadine Frith, 2239 Missouri avenue.

PRAYER STUDY FOR WORLD FRIEND SUNBEAMS

Miss Evelyn Barnes, World Friend Sunbeam leader of Second Baptist Church, met with the children Tuesday afternoon for their prayer program for the Lottie Moon foreign mission offering.

Needs supplied by the offering were pictured on construction paper and were used to decorate a Christmas tree. Christmas cards were made for church officers.

After the handwork, Frances Welty led in prayer, the leader reading prayer requests of foreign missionaries. Miss Barnes also told a short story about a missionary. Christmas offering banks were turned in by the children and they contributed to a Christmas food basket.

Next week's meeting will be a joint Christmas party with the Peter Chen Sunbeams. Present were Lester Davis, Frances Welty, Dean Olive, Robert McCord, Danny Bugg, Sandy Wimbish, Cordell Burnett, Patti Franklin, Jeanette Kelly, David Freeman, Mike Reynolds, Lana Lupardus and Mike Halloway.

Cloverview Club Christmas Party Features Records

The Cloverview Garden Club was among the local organizations participating in Christmas parties this week.

The members enjoyed a 12:30 luncheon and meeting Tuesday at The Catering House in Belleville, followed by a program and business session.

Mrs. William Ogden served as arrangements chairman, assisted by Mrs. Roger Fritz. Seated at tables gay with the holiday colors, holly, red poinsettias and small golden angel favors were Mesdames John Lentz, Maurice Dailey, John Jenkins, Robert McCauley, Ogden, B. C. O'Neill, club president, Leo Roman, John Sedlack, Russell West, John Wilson, Fritz, D. G. Spalding, George Stearns and August Theis.

Under a Christmas tree where the gift packages were placed was a small Santa Claus. The individual gifts were found by means of recordings of carols, clues to which were concealed beneath the favors, and carols were played softly during the meal and throughout the afternoon.

Mrs. O'Neill conducted a short business discussion after welcoming a special guest, Mrs. William Stafford of East St. Louis, who is a Regional Director of Garden Clubs of Illinois.

The club collect was read by Mrs. August Theis, and the club voted to contribute to the Lincoln Memorial Fund to establish a Nature Center in Springfield, a special project of the garden clubs of the state. A tour of the Center is planned for next May 1-2 by Region Five. The group also plans to send a basket of fruit to Madison Nursing Home patients for Christmas.

The program consisted of a comprehensive study of "holly" given by Mrs. West. The remainder of the time was spent at games and prizes were won by Mrs. Spalding, Mrs. Sedlack and Mrs. Dailey.

January 8 will be the date of the next meeting and the hostess is to be Mrs. Fritz, 2258 Cleveland blvd.

Pre-Holiday Party Highlights Lesche Club Meeting

The Lesche Literary Club pre-holiday party was held Tuesday afternoon in the home of Mrs. Bernard Miller sr., 3220 Princeton drive.

A Christmas luncheon at 1 o'clock preceded the program, the usual business session having been dispensed with for the day. Evergreens, bright ornaments, small Christmas trees and other reminders of the season formed the setting for the luncheon, and party which followed.

Mrs. E. D. Kincaid opened the meeting with the pledge to the flag and the club collect, and Mrs. Henry George, president, extended a welcome to the members and guests and presented Mrs. Clyde Lester, who introduced the program.

The numbers included a vocal solo by Mrs. James Loy of Edwardsville, "There's A Song In The Air", accompanied by her mother, Mrs. Earl Miller; an illustrated Christmas story, "The Jugglers of Our Lady", by Mrs. Clay Rush, followed by the Christmas story from the Book of Luke, and carols by the club members with Mrs. Harold Dorries at the piano.

Gifts were exchanged by the group and plans were made for the next meeting Jan. 8 in the home of Mrs. James Stuart, 3711 Nameoki road.

Twenty-one were present at the party, including an associate member, Mrs. Norman Holsinger, and two guests, Mrs. Loy and Mrs. Rush.

Nurses' Alumnae Party Tonight

The annual Nurses' Alumnae Christmas party will be held at 7:30 this evening at the hospital. A pot luck supper will be served and each individual has been requested to bring a salad, relish or dessert.

Gifts of $1 value will be exchanged at the party and Santa Claus will be honored guest for the evening. The members also will be asked to bring a small gift for a child in the Pediatrics Unit in the hospital. The gifts for the children are to be wrapped and labeled as to the age group most suitable.

The highlight of the evening will be Santa's visit to the children to distribute the gifts.

Gay Niner's Club Christmas Party

The annual Christmas party of the Gay Niner's Club was held Tuesday evening.

The group gathered at the Rose Bowl for dinner and then went to the home of Mrs. Charles Rimarchik on Stearns avenue for the remainder of the evening.

Gifts were exchanged and the members took part in games, the prizes going to Mrs. Fred Moser, Mrs. Charles Briskey, Mrs. Oswald Becherer and Mrs. Frank Schwarzkopf.

Others attending were Mrs. Oscar Loyet, Mrs. Joseph Parente, Mrs. Jack Pritchard and Rimarchik.

Greeters Club Gives $25 To 'Tree of Lights'

The Tri-City Greeters held a Christmas party Tuesday evening at the Rose Bowl with 23 members present.

A smorgasbord dinner was served and carols were sung by the group. Mrs. Hazel Brink, president, was in charge and a contribution of $25 was made by the club to the Salvation Army Tree of Lights.

The remainder of the time was spent at games and there was a gift exchange. Prizes were won by Mrs. Grace Upton, Mrs. Rudy Shipley, Mrs. Brink, and Mrs. Millie Hoelscher.

Hostesses for the evening were Mrs. Dean Davis and Mrs. Vera Rodell.

Mrs. Kaiser Is Hostess For PEO

Mrs. Harold M. Kaiser was hostess to Chapter HT of P.E.O. at the annual Christmas party Monday afternoon in her home, 1613 Garfield avenue.

Appropriate to the occasion was the program on "Madonnas" given by Mrs. A. C. Stoever, who illustrated her talk with colored pictures and slides.

Luncheon was served in a holiday setting and there was an exchange of seasonal gifts. Nineteen members attended.

A Founders' Day program will be held at the next meeting Jan. 14.

Local Student At SIU With GA Scholarship

Mary McElroy, 1561 Johnson road, is among a record total of 253 students attending Southern Illinois University this year at the Carbondale campus as General Assembly scholarship winners.

Santa Will Allow Higher Trades During This Month of Joy and Cheer

AN ACRE OF GROUND FOR SANTA TO SET DOWN ON: Outside the city limits. Tiled bath, good family size kitchen. Plenty of closet space. City water water plus an electric pump that supplies all the water for your garden. 1 car garage. Possession can be quick. Remember, new 3 bedroom house, one acre. $10,950.

SANTA SAVES ON TAXES: Located on the edge of town with city water. Taxes only $108 per year. Every inch of this end-orientated ranch shines. Carport attached with ex-tended roof that makes expansion in the future very sim-ple. Garbage disposal in a modern kitchen with birch cabin-ets. Wall to wall closet space in the bedrooms. Owner will give quick possession. Call for appointment.

A "LOT" FOR CHRISTMAS CAN BE YOURS RIGHT HERE: Building lots available with 80' frontage. A com-pletely restricted area that will allow the new home-owner to enjoy country living with city conveniences. We have many, many plans and styles to choose from. Your family's desires can become a reality when you choose a lot.

SANTA'S CHOICE FOR THE GROWING FAMILY: 5 large rooms with available expansion upstairs. New gas furnace and hot water heater. Full basement with a kitchen. Garage, low, low taxes with schools a hop and a jump away. Small down payment will move you right in.

REMEMBER! Santa will be available all hours to help you move before Christmas.

YOUR PERSONAL SATISFACTION IS OUR MOST IMPORTANT PRODUCT

News From... ROBERTSON'S FARM STORE

YOO-HOO SANTA!
TOYLAND

Everyone likes to play Santa. And there's nothing quite so much fun as giving toys to youngsters. Robertson's makes it easy on your pocketbook. You'll find a wonderful selection of riding wagons and tractors and authentic working toy farm equipment, trucks and trailers for the boys; stoves and washers for the girls and an assortment of games including an electric baseball game, all priced at Robertson's ultrabottable farm store prices.

ELECTRIC APPLIANCES FOR MOTHER

What will you give the lady of the house? A toaster? Coffee Maker? Steam Iron? Hair Dryer? Waffle Iron? You name it — Robertson's got it. Dormeyer's deluxe quality at very low prices.

KEEP THE MAN WARM

Nothing like our insulated jackets and underwear to keep a man warm without burdensome weight. Two layers of DuPont Orlon, interlined with Celufoam do the trick. Quality made. Full comfortable cut. Knitted cuffs, waists and ankles. Yet priced at only $6.95 a set. Outer jackets with Dubl-Zip-pers only $6.98. A splendid Christmas gift for the outdoor man of the house.

SANTA FOR TIRES

Robertson's is Santa's headquarters for auto, truck and tractor tires. We're continuing our terrifically low prices on tires (some tires, too!). Complete size & quality range to meet every need. Pay as you ride.

PROFITABLE TRIP

Come on down to Robertson's and take advantage of our famous low farm store prices. Plenty of free parking and fast service. Your visit to Robertson's will save you money. Remember, savings begin at Robertson's Farm and Home Store.

$123,300 Grant To SIU For Teacher Program

The National Science Foundation has awarded grants totaling $123,300 to Southern Illinois University to conduct summer institutes for high school biology and mathematics teachers.

It marks the sixth consecutive year the NSF has selected Southern as one of the campus centers for programs aimed at giving teachers updated courses in the subjects they teach.

SIU was granted $59,700 for an eight-week institute for biology teachers to be directed by Isaac Shechmeister of the microbiology department.

Between 45 and 50 teachers will be accepted for the program, and 14 of them will be selected to take special courses in the experimental high school biology curriculum being tested by the American institute of Biological Sciences. Shechmeister said NSF officials have promised continued support for two additional summers.

A grant of $63,600 was awarded the University to offer a mathematics institute under the direction of Morton Kenner for approximately 50 teachers. Like the biology program, it will feature visiting lecturers and special staffing provided from the grant funds.

Those accepted will be eligible for stipends ranging to $75 a week and $15 weekly for dependents, plus travel allowances.

SIU also has applied for National Science Foundation support of a summer science training program for high school students. It would be similar to ones conducted the past four summers and be directed by George Gass, physiology. Acceptance of the proposal is expected early in 1963.

A herd of 2,390,000 Guernsey cows would be required to supply the cream Americans pour into their coffee in one day. Pasture land for these cows would cover an area half the size of Ohio.

40 Attend Mitchell Kiwanis Installation

Installation ceremonies were held Monday night for the 1963 officers of the Mitchell-Chouteau Township Kiwanis club.

Forty persons attended the event at the Luna cafe in Mitchell.

O. B. Fulton, lieutenant governor of Kiwanis Division 14 for 1963, officiated. He installed Roy Green, president; Eugene Dugsrete and Golden Barton, vice-presidents; Francis Richardson, treasurer, and George Stidham, secretary.

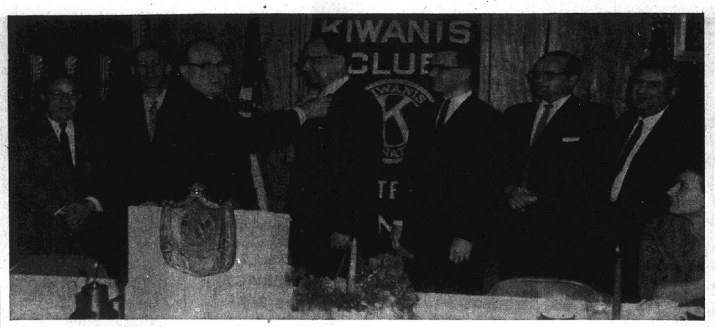

Harold Helfer, Division 14 interclub chairman, gave a brief address.

The principal speaker was L. C. "Red" Parker, safety director of Granite City Steel Co.

Past president George Warneke presented the club with framed portraits of the past presidents.

Past president George Klein was presented a humorous award, a statuette for "past, present and future hard work."

Fire Prevention Pointers Given For Holiday Season

In past years, many persons have lost their lives in fires during the Christmas holidays, fire department officials have reminded Quad-Cityans.

Precautionary measures can prevent such tragedy, they stress, urging Quad-Cityans to preserve the holiday season as a time of happiness and gaiety.

In the interests of public safety, the local firemen offer the following suggestions, based on studies made during past years by the National Board of Fire Underwriters:

1. Place your Christmas tree in the coolest part of the room. It should be as far as possible from heaters of all types, decreasing the chances for fire and keeping tree drying to a minimum.

2. Use a tree stand with a container for water, and be sure the tree trunk is in the water at all times. Fill the container often.

3. All decorations on the tree should be fireproof. Use only ornaments which are of glass, metal or other flame-resistant material.

4. Set up electric trains or other electrical appliances at a safe distance from the tree. Sparks from a train could ignite a dry Christmas tree.

Inspect All Wiring

5. Never use candles near a tree. This is inviting a tragic fire. Check all electric wires carefully before placing lights of any kind on your tree.

6. After you open your presents on Christmas morning, clear away wrapping paper from the area of the tree. Wrapping materials catch fire easily.

7. Never leave the lights burning on your Christmas tree when no one is in the house.

8. Check the tree for dryness from time to time. If needles near lights begin to burn brown, change the position of the lights.

9. When needles start falling from the tree, take it down immediately and discard it outdoors.

10. Even if the tree is still fresh, plan now to take it down immediately after New Year's Day, if not sooner. Every day the tree stands adds to its potential as a fire hazard.

11. Be sure added decorative lighting does not overload electrical circuits.

12. Outdoor lighting should be accomplished only with all-weather wiring and fixtures designed for outdoor use.

"These suggestions are offered in the hope that they might help keep our holiday season safe from the tragedy a fire could bring," a fire offical said.

Rites For Emil Hohlt, Former Levee Bd. Head

Private funeral services were conducted yesterday at 1 p.m. at an East St. Louis funeral home for Emil W. Hohlt, 80, former East Side Levee and Sanitary District board president and father of B. E. Hohlt who operates a Granite City auto agency.

Mr. Hohlt died Monday at an Alton nursing home, where he had been a patient for two months. He had been ill five years. His home was in East St. Louis, where he had lived for 60 years.

Born in Collinsville, Mr. Hohlt served as levee district board president during the 1930's. He was a retired barber, and was past president of Local 138 of the barbers' union.

Surviving, in addition to his son is his wife, Emma, and a brother, Herman, of East St. Louis. Mr. Hohlt was buried in the Mascoutah City Cemetery.

New Kiwanis Officers Installed By GC Club

Installation ceremonies were held Monday for the 1963 officers of the Granite City Kiwanis club. Al Barnerd of the Alton Kiwanis club, lieutenant governor of Kiwanis Division 14, officiated.

He retired William Herman as president to immediate past president, then installed Eugene Frey, president; Harry Marshall, first vice-president; Joseph Acquaviva, second vice-president; Homer Johnson, treasurer, and Alvin Gross, secretary.

Installed as new members of the board of directors were past president Herman, Bernard Miller jr., Roy Feder and Herbert Schannot.

Three new members were inducted into the club, Marion "Buzz" Morris, Edward Pauley and Peter Jansen.

The event was attended by the Kiwanis wives. About 45 persons were present for the steak dinner and entertainment.

Television personality Ernie Heldman was the entertainer. He demonstrated hypnotism, using several Kiwanians as subjects.

The event was held at the Elks' rathskeller.

Army Seeks Enlistees For Intelligence Corps

The U. S. Army has begun accepting enlistments in the Intelligence Corps, it was announced today. Applicants must be high school graduates and at least 18 years of age. College training is an asset but not mandatory.

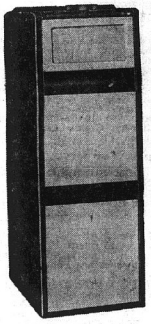

After basic training and intelligence school training students may be selected for further specialized courses, including photography technical school and Army language school. Three years is a minimum period of enlistment.

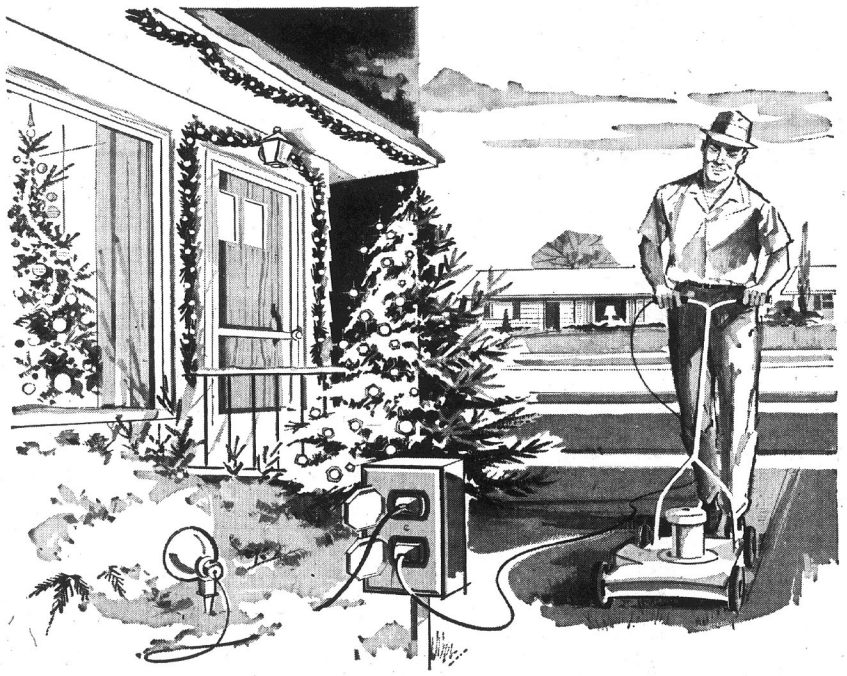

Interested persons may get further information from the Army recruiter at the city hall in Granite City from 8:30 a.m. to 4 p.m. Monday through Friday.

Airman Carden Completes Aircraft Mechanic Course

Airman Third Class Lindsey C. Carden, 18, of Granite City has completed the US Air Force technical training course for aircraft mechanics at Sheppard AFB, Tex.

Airman Carden, son of Mr. and Mrs. Robert L. Carden of 2909 Ash avenue, was trained to maintain and service reciprocating engine aircraft and aircraft systems. He is being reassigned to a permanent base for duty in his new technical specialty. A graduate of Granite City high school, the airman entered the Air Force in June.

Wire now for Christmas
(and for next summer, too)

With *permanent outdoor outlets,* it will be a pleasure to decorate your home with festive strings of Christmas lights. Permanent outdoor wiring is easy and economical to install. Your electric contractor can install new plastic underground cable in just a fraction of the time it used to take. And you'll enjoy your outdoor wiring long after the first crocus pokes its colorful bloom through the snow. Permanent outdoor outlets serve you all year 'round to decorate the house, light up the driveway, or to plug in an electric mower.

Ask your electric contractor now about new plastic underground cable and permanent outdoor outlets.

Gay Wrappings Enhance Simple Christmas Gifts

Even the simplest of Christmas gifts can be greatly enhanced with a little care in wrapping, and the personal touch added to the package will make the gift even more valued by the receiver.

Wrapping paper, tags, tissue paper, enclosure cards and tie-on decorations — mixed with a dash of imagination — is all that is necessary for adding a touch of elegance to Christmas gifts.

A few simple rules are basic, and will help you turn out professional looking packages every time, professional wrappers pointed out.

Be sure to cut your wrapping paper the right size, allowing enough to go around the box and overlap about two inches. It should extend beyond the end of the box no more than three-quarters of the depth.

Tape the lid of the box to prevent bulges, then lay the box upside down on the paper. Be sure to center the pattern so that it shows to best advantage. Fold the paper around the box and seal, then miter the corners and seal the ends.

Once your gifts are neatly wrapped, you are ready to let your imagination roam to decorate them. Here are some suggestions to help get you started:

Silhouettes can be used to give a hint of what is inside—a fish if the package contains something for the ardent fisherman; a barber pole if the content is after-shave lotion; notes if a musical instrument or record.

Decorate the outside of a tissue-wrapped package with a ribbon-tree. With green ribbon, form a series of graduated loop bows to form the outline of a Christmas tree, then finish off with ornament tie-ons. Use red ribbon for the tree's base.

Use sparkling glitter to spell out a person's name when you have used a solid color foil wrapping. Write the name with an adhesive and then dust on glitter.

Children's gifts are brightened with faces of clowns and Santas or made to look like railroad cars. Make cars for the train by using flat packages of chewing gum covered with colored paper, use single mints for wheels and a whole package wrapped in red and white striped gift wrapping for the engine.

Tall slender gifts such as bottles of perfume can be made to look like burning candles, or like child's party snapper, when the ends are fringed and tied.

Relief Load Up 6 Cases In GC Twp. Last Month

An increase of six relief cases and 16 persons was reported for November in Granite City township by Supervisor Nelson Haguauer.

Last month's totals were 154 cases with 462 persons and costs of $10,533, compared to October figures of 148 cases with 446 individuals and costs of $6581. In November 1961 there were 152 cases with 506 individuals and cost of $13,365.

The $10,533 relief costs last month included $6398 for food, $2805 for hospitalization, $544 for medical care, $293 for rent, $213 for nursing home care and $224 for fuel.

Relief costs for the first nine months of the fiscal year amounted to $85,738, compared to $74,042 for the same period in 1961. The township fiscal year starts March 1.

Venice Gets Revenge; Hands Madison First Loss

Venice grade school handed Madison junior high school its first basketball setback of the season in Venice Monday night, 42-33, as Richard Essington paced the victorious eighth graders with 27 points.

Madison had been responsible for an earlier Venice loss, the only one the host team had suffered in nine previous games. MJHS is now 5-1.

Don Nowicki with 11 points and Steve Gerolf with 10 were high for the losers. Greg Puent added 10 points to the Venice total. The winners led 20-14 at halftime, with Madison closing to within one point early in the fourth quarter.

Madison's seventh graders, led by Gary Lusk's 20 points, were easy 32-14 winners in the preliminary game.

Postage is to be upped soon and the old-fashioned nickel will again come into its own.

Traffic Expert Warns Of 'Holiday Drinking'

Holiday drinking is causing an increasing number of traffic accidents, Dr. James E. Aaron, coordinator of Southern Illinois University's Safety Center, warned today.

More than half of the drivers in fatal accidents have been drinking, he said, and admonished southern Illinois drivers that "just a couple of social drinks will impair your driving ability and increase risks."

Aaron said persons whose holiday plans include driving Christmas Eve should use extra caution. From 5 p.m. to midnight Dec. 24 are among the most dangerous times in the holidays for motorists, he said. These hours claim an average of 12 deaths an hour, compared to an average of less than five an hour during the next 24 hours.

Three driver errors account for most Christmas crashes, Aaron said. These are driving too fast, failing to yield the right-of-way and driving to the left of center.

He cautioned southern Illinois drivers to start trips early, to slow down and night and in bad weather, to obey the speed laws, and to "recognize your moral responsibility to be good drivers during a religious season dedicated to good will and brotherly love."

SIU Board Adds To Staff At Area Campus

Southern Illinois University's board of trustees have approved the appointment of Morris Carr as director of the Southwestern Campus personnel office, it was announced this week. A business officer at there Campus since 1958, Carr has been acting personnel director since Aug. 15, when personnel supervisor Gene Turner became director of the personnel office on the Carbondale Campus.

Carr and his wife live at 313 Oak drive in East Alton.

Approved as supervising landscape architect for the new area Campus was Earl F. Ferris, holder of a B. S. degree in forestry from Missouri University and a master's degree in landscape architect from N. Y. State College, Syracuse. He came to Southern from the St. Louis county Department of Parks and Recreation, where he was planning consultant the past two years.

Ferris, his wife and three sons live at 9712 Mi.iam blvd., Overland, Mo.

Confirmed as lecfurer in the Social Sciences Division and research assistant in Public Administration and Metropolitan Affairs was Gordon E. Olson, who holds a bachelor's degree in business administration from Drake University and a master's degree in psychology and civil engineering from Purdue University. City manager at North St. Paul. Minn., from 1951-57 and at Berkeley, Mo, the past five years, he arrived at SIU Nov. 1.

Olson, his wife and five children live at 8656 Onnie Rei drive in Berkeley, Mo.

In other action the SIU board granted a term's sabbatical leave to Dr. Raymond J. Spahn, associate professor in humanities and supervisor of information service on the Southwestern Campus. A former U. S. information service officer, Spahn will carry on research next year in U. S. cultural centers in Germany set up under his direction 1945-48, noting major policy in their operation and analyzing German press reaction to the changes.

Last spring he utilized a research grant to collect material for his project in Washington, D. C., presenting an outline of it at the annual May meeting of the Central States Modern Language Association in Detroit, where he was elected secretary of the association's German section for 1962-63.

Spahn and his wife live at 429 Buena Vista in Edwardsville.

Reading Improvement Course Offered By SIU

Two New Buildings On SIU Carbondale Campus

Construction is scheduled to begin next summer on two new buildings on Southern Illinois University's main campus at Carbondale with completion expected in 1965.

University Architect Charles Pulley said plans for a new School of Communications building and general classroom building will be completed in time to submit for bids in June.

The classroom building will seat more than 2700 students, with four large lecture halls and a central audio-visual projection and closed circuit television program control center. The communications building will feature classroom, laboratory and production facilities for journalism, speech, theatre, speech correction, printing and photography classes.

Construction of both buildings will be financed with money already allocated from the state universities bond issue. Both will be on the western edge of the present campus.

L. Lattin Smith & Associates are architects for the communications building, while Mittelbusher and Tourlelot designed the classroom building. Both are Chicago firms.

Central Cagers Win Two From Sacred Heart

Central grade school captured both ends of a basketball doubleheader from Sacred Heart on the parochial school's court Monday night.

Central's eighth graders, now 3-2, were 39-24 winners, with Bob Alford scoring 12 points. Sacred Heart trailed by just four at halftime.

Jeff Jones of Central and Mike Dochwat of Sacred Heart each scored 17 points in the seventh grade game, but Central had better balance and won by a 35-29 score after leading 11-9 at halftime.
